Ladies and Gentlemen,

For the next two weeks there will be a lot of activity in the office related to the Skid Row and Hermon Subdivision Elections. Here is a quick overview of Neighborhood Council Subdivisions:

There are currently 96 Neighborhood Councils which almost completely cover the City of Los Angles, the exceptions being Brentwood and Pacific Palisades which have non-certified councils, and a few small "orphaned" areas that are not part of a council.

Here is a map.

Last year, the City Council approved the Subdivision Ordinance which allows a stakeholder to organize a committee which can apply to subdivide a council or councils, resulting in a new Neighborhood Council.

Here is the ordinance.

There were three applications and two of them were approved by the Department, Skid Row and Hermon.

Here is info on the two applicants.

The Department is responsible for conducting elections for the proposed Neighborhood Councils within 90 days of the approval of the applications. They were approved on January 11, 2017. The Skid Row election will be on April 6 and the Hermon election will be on April 8th.

The Elections will be conducted according to the rules of the Neighborhood Councils that are proposed for subdivision.

For Skid Row this means that the election will be:

Documentation - Stakeholders will verify their identity and stakeholder status with documents

Online Election - Voters can vote three ways, by registering and voting online, by registering and voting at a Pop-Up Poll, or by visiting the polling location on Election Day where they can register in person and vote.

Minimum age to vote is 16 for DLANC voters and 15 for HCNC voters

For Hermon this means that the election will be:

Self-Affirmation - Stakeholders will fill out a registration form and self-affirm their identity and stakeholder status - no documents needed to vote

Polling Location Election - Voters can register and vote at the polling location on April 8th, from 11 am to 3 pm Minimum age to vote is 16 for Arroyo Seco voters

For the next two weeks, we will have a lot of activity in the department related to the two subdivision elections:

Incoming phone calls from people who want to register for Skid Row's online election Staff verifying voters online and coordinating usernames and PINs for Skid Row's online election Pop-Up Polls on the 20th floor and in the Field where voters can register and vote online Prep for the April 6th and April 8th elections on the Field

There are several documents related to the subdivision elections:

The Election Manual

The Subdivision FAQs

The Subdivision Webpage

The Voter Registration Portal

The Online Voting Portal (address to come, voters are notified when their username and PIN are emailed to them)

For information on the Skid Row application, maps, Pop-Up Polls, and the results of the election (late evening April 6):

For information on the Hermon application, maps, and the results of the election (late evening April 8):

If the public has any questions, comments, requests regarding the subdivision elections, please have them email Elections@EmpowerLA.org or call 213-978-1551 (M-F 9-5) or 818-293-VOTE(8683) after hours.

I trust this information is helpful, please feel free to let me know if you have any questions regarding Neighborhood Council Subdivision Elections.

Ladies and Gentlemen,

Thanks for your help in mobilizing our team so quickly to make the upcoming Skid Row and Hermon elections a great success.

Mike, would you work with Molly to ensure that we have:

- two people on phones from 9-5
- two people staffing the City Hall Pop-Up Polls
- four people staffing the Field Pop-Up Polls
- Ann-Marie will work with you to craft messaging for the Pop-Up Polls so that we can get the word out

All, organizations that submit rosters should send them to Elections@EmpowerLA.org. If you get a roster from an organization, it needs to go to Elections@EmpowerLA.org so that the people verifying voters can refer to the rosters, in the office, at the Pop-Up Polls, and at the Polling Location.

Armando, would you work with Maury to ensure that she has:

- keys to the Van and access to funds for gas, parking, etc.
- tablets, accessories, charges, and gear for the Pop-Up Polls and the Skid Row election
- biz cards and username/PIN stickers for the Pop-Up Polls and the Skid Row election
- Supply inventory/Signage specs from Jose for the City Clerk

Semee, the schedule is set up so that Jasmine E is at the end of the list but I think that there will be a couple of days when we could really use her

All, can we get Octaviano, Lorenzo, Tom, Mario, Patricia, Kori, (Jasmine E by phone) together on Tuesday the 28th at 3 pm so we can review:

- Incoming Phone Calls
- Voter Registration
- Voter Verification
- Pop-Up Polls
- Election Day (April 6th)
- Election Day (April 8th)

Moving forward, please have the public email <u>Elections@EmpowerLA.org</u> or call 213-978-1551 (M-F 9-5) or 818-293-VOTE(8683) after hours if they have questions, comments, requests, suggestions, etc.

Thanks for making it happen!

Subject: Skid Row Subdivision Election - vote now through April 6th

To: elections@empowerla.org

Greetings,

Voting is open for the Skid Row Neighborhood Council Subdivision Election, happening online now through Thursday, April 6th. An overview of this election and details on how to register and cast a ballot are below. We hope you will vote in this special election, and share this information with your stakeholders. Please consider cutting and pasting the election details below to your websites and social media, and adding it to your newsletters.

What Is The Skid Row Subdivision Election About?

Stakeholders of both the Downtown LA and Historic Cultural Neighborhood Councils are voting on whether these two councils should be subdivided to form a new Skid Row Neighborhood Council. Because this election is being held online, even though the official Election Day is not until Thursday, April 6th, voters will be able to register to vote and cast their ballots either online or at a Pop-Up Poll mobile voting station, and they may vote anytime between now and the time the polls close on Election Day at 7 pm.

Under the new Subdivision Ordinance set forth by the LA City Council in 2016, stakeholders of a Neighborhood Council may petition to subdivide an existing Neighborhood Council to create a new one. A special election is then held for stakeholders within the boundary of the affected area. The subdivision proposal must get a "yes" vote from a majority of voters, in order to pass. If the proposal of the Skid Row Formation Committee is passed by the voters, a separate election will then be held to elect the board members of the new Skid Row Neighborhood Council.

Who May Vote

Any stakeholder of the Historic Cultural Neighborhood Council (HCNC); the Downtown LA Neighborhood Council (DLANC); or the proposed Skid Row Neighborhood Council may vote in this election, so long as they meet the minimum voting age of 15 (in HCNC) or 16 (in DLANC), and provide any documents required to confirm their stakeholder status. A stakeholder is defined as someone who lives; works; owns property; owns a business; or who has a substantial, ongoing participation within a Neighborhood Council's boundaries, such as going to school, or belonging to a service or religious organization there.

Individuals who are stakeholders of both DLANC and HCNC may only vote once in this particular election. To check whether an address falls within a Neighborhood Council's boundaries, enter it in the search bar at http://neighborhoodinfo.lacity.org.

How To Register To Vote

In order to register to vote online in this election, you must provide documents confirming your identity and stakeholder status. This is because a Subdivision Election must conform to the bylaws set in place by the Neighborhood Councils being subdivided. Currently, the bylaws of both HCNC and DLANC allow voters to vote online, but require that they provide documents confirming their identity and local stakeholder status to register.

Because of this, in order to register to vote, you must provide a photo ID with your name on it. Accepted photo IDs include a driver's license, school or work ID, or a membership card with your image on it, such as a gym or Costco card.

If the local address qualifying you as a stakeholder is not already on your photo ID, you must also provide a second document showing an address where you live, work, own, or have an ongoing, substantial community participation, that lies within the boundaries of DLANC, HCNC, or the proposed Skid Row Neighborhood Council. That document may be anything from a piece of current mail with your name and address on it, to a utility bill. Also acceptable is having your name appear on a membership roster provided by a service, educational, religious, or other organization within the eligible area. To see more examples of accepted ID and qualifying document types, visit http://tiny.cc/ NCElectionsDocsList.

Please note that homeless stakeholders without these documents may self-affirm their identity and stakeholder status, but they are only able do so on Election Day, April 6th, at the official polling place (address and hours listed below). Self-affirmed homeless stakeholders without documentation are required to register and vote using paper forms, so they may not register and vote either online or at the Pop-Up Polls. The paper forms serve as signed affidavits of these individuals' stakeholder status and identity.

You may register to vote online, or do so in person at a Pop-Up Poll or at the regular polls on Election Day. To register online, visit this page and click the big blue button that says, "Register Here." After you upload your documents and submit the form, you should receive two emails - one that confirms receipt of your registration, then later on, a second email containing a username and PIN you will use to log onto the online voting system.

Online voter registration is open now through **Sunday, April 2nd**; if you are unable to register online before that deadline, you may always register and vote in person at a Pop-Up Poll, or at the polls on Election Day.

3 Ways To Vote

There are three ways to vote in this election. First, you may vote online from a smartphone, tablet, or personal computer anytime, until the polls close at 7:00 pm on the official Election Day, Thursday April 6th. To vote online, <u>visit this page</u> and click the big blue button that says "Vote Here." To log onto the voting portal, enter the username and PIN that you received via email after you registered.

You may also cast your ballot at one of our Pop-Up Polls. These mobile voting stations will be making appearances

around your neighborhood March 29th - April 5th. See a list of Pop-Up Poll dates, times and locations here.

You may also vote in person on Election Day. The polling place location and hours are:

Thursday April 6th, 2017 3 pm - 7 pm <u>James Wood Community Center</u> <u>400 E 5th Street</u> <u>Los Angeles, CA 90021</u>

To Learn More About This Election

<u>Click here</u> for more information about LA's new Subdivision Policy, or <u>visit this page</u> to learn more about - and see a map of - the proposed Skid Row Neighborhood Council.

If you need help or have questions, email <u>Elections@EmpowerLA.org</u> or call 213-978-1551 (M-F 9-5) or 818-293-VOTE(8683) after hours.

*Please submit all Election related challenges within 5 calendar days of the Neighborhood Council Elections. All challenges must be submitted through the EmpowerLA Challenge Portal

Who May Vote

Any stakeholder of the Historic Cultural Neighborhood Council (HCNC); the Downtown LA Neighborhood Council (DLANC); or the proposed Skid Row Neighborhood Council may vote in this election, so long as they meet the minimum voting age of 15 (in HCNC) or 16 (in DLANC), and provide any documents required to confirm their stakeholder status. A stakeholder is defined as someone who lives; works; owns property; owns a business; or who has a substantial, ongoing participation within a Neighborhood Council's boundaries, such as going to school, or belonging to a service or religious organization there.

Individuals who are stakeholders of both DLANC and HCNC may only vote once in this particular election. To check whether an address falls within a Neighborhood Council's boundaries, enter it in the search bar at http://neighborhoodinfo.lacity.org.

How To Register To Vote

In order to register to vote online in this election, you must provide documents confirming your identity and stakeholder status. This is because a Subdivision Election must conform to the bylaws set in place by the Neighborhood Councils being subdivided. Currently, the bylaws of both HCNC and DLANC allow voters to vote online, but require that they provide documents confirming their identity and local stakeholder status to register.

Because of this, in order to register to vote, you must provide a photo ID with your name on it. Accepted photo IDs include a driver's license, school or work ID, or a membership card with your image on it, such as a gym or Costco card.

If the local address qualifying you as a stakeholder is not already on your photo ID, you must also provide a second document showing an address where you live, work, own, or have an ongoing, substantial community participation, that lies within the boundaries of DLANC, HCNC, or the proposed Skid Row Neighborhood Council. That document may be anything from a piece of current mail with your name and address on it, to a utility bill. Also acceptable is having your name appear on a membership roster provided by a service, educational, religious, or other organization within the eligible area. To see more examples of accepted ID and qualifying document types, visit http://tiny.cc/NCElectionsDocsList.

Please note that homeless stakeholders without these documents may self-affirm their identity and stakeholder status, but they are only able do so on Election Day, April 6th, at the official polling place (address and hours listed below). Self-affirmed homeless stakeholders without documentation are required to register

and vote using paper forms, so they may not register and vote either online or at the Pop-Up Polls. The paper forms serve as signed affidavits of these individuals' stakeholder status and identity.

You may register to vote online, or do so in person at a Pop-Up Poll or at the regular polls on Election Day. To register online, visit this page and click the big blue button that says, "Register Here." After you upload your documents and submit the form, you should receive two emails - one that confirms receipt of your registration, then later on, a second email containing a username and PIN you will use to log onto the online voting system.

Online voter registration is open now through **Sunday, April 2nd**; if you are unable to register online before that deadline, you may always register and vote in person at a Pop-Up Poll, or at the polls on Election Day.

3 Ways To Vote

There are three ways to vote in this election. First, you may vote online from a smartphone, tablet, or personal computer anytime, until the polls close at 7:00 pm on the official Election Day, Thursday April 6th. To vote online, <u>visit this page</u> and click the big blue button that says "Vote Here." To log onto the voting portal, enter the username and PIN that you received via email after you registered.

You may also cast your ballot at one of our Pop-Up Polls. These mobile voting stations will be making appearances around your neighborhood March 29th - April 5th. See a list of Pop-Up Poll dates, times and locations here.

You may also vote in person on Election Day. The polling place location and hours are:

Thursday April 6th, 2017 3 pm - 7 pm James Wood Community Center 400 E 5th Street Los Angeles, CA 90021

Dan,

It has been a pleasure to be your alternate, you are very professional and will succeed without me

The Neighborhood Council vote and the ensuing outcome has left me with no choice but to resign. I have gone through art school, gotten an MA, and worked on projects for people from Disney to the State of California. In a long career, I have never seen such unethical behavior be accepted and papered over. Clearly someone is at fault. This person is on the board and will apparently not face any repercussions. I want nothing to do with any council that acts in this manner. I do have basic ethics, unlike other people.

Good Morning All,

My Apologies..lets try this again with the Attachment. Please disregard previous e-mail.

I am working on a VERY RUSH AND URGENT project with CD10 to update the Neighborhood Council Office and Meeting Space list that will be used to recognize all space donations to the Neighborhood Council (NC) system that needs to be approved at City Council ASAP.

Attached to this e-mail is an information collection sheet that needs to be returned to me no later than Noon, **Monday, June 19, 2017**. I apologize for the short turn around.

Your assistance in this task is GREATLY APPRECIATED. Again, the information you provide will be included in a Motion for City Council to officially approve and accept the donated "free" space on behalf of your NC. This is an annual City requirement.

Lastly, if you responded to an e-mail titled "Neighborhood Council Donated Office and Meeting Space" and submitted that request to me for FY 2016-17, please let me know if anything has changed or if it has remained the same.

Please let me know if you have any questions or concerns via e-mail or phone.

Do you have a list/framework to work off of? I feel like some of the information that you're requesting of us is more related to leases and I don't know if Field will be able to provide in this short timeline.

Good Morning All,

My Apologies..lets try this again with the Attachment. Please disregard previous e-mail.

I am working on a VERY RUSH AND URGENT project with CD10 to update the Neighborhood Council Office and Meeting Space list that will be used to recognize all space donations to the Neighborhood Council (NC) system that needs to be approved at City Council ASAP.

Attached to this e-mail is an information collection sheet that needs to be returned to me no later than **Noon**, **Monday**, **June 19**, **2017**. I apologize for the short turn around.

Your assistance in this task is GREATLY APPRECIATED. Again, the information you provide will be included in a Motion for City Council to officially approve and accept the donated "free" space on behalf of your NC. This is an annual City requirement.

Lastly, if you responded to an e-mail titled "Neighborhood Council Donated Office and Meeting Space" and submitted that request to me for FY 2016-17, please let me know if anything has changed or if it has remained the same.

Please let me know if you have any questions or concerns via e-mail or phone.

Thank you!

Hi Semee,

Hope you are doing well.

Thanks for the wonderful recommendation.

I spoke with Martin of CD 14 after the motion passed. Martin will also be sending over some recommendations/ideas on how to best implement this for NCs.

Best,

Mike

Re: # 29 17-0481

I did reach out to Miry at Eagle Rock NC a few weeks ago to get more information on what ERNC has been doing. Here's what I have found.

https://www.miryslist.org/

Miry ended up creating/starting a nonprofit (above) to assist recent immigrants. What she has found is that the people/agency who assist refugees resettle can use assistance for the greater community. Miry's list was created to help garner donations from the public to assist refugee families with items/supplies they need. Think of it like a "shopping list/gift registry list" where the public can purchase items for specific families.

Because refugee families are resettled all over LA County, it will be difficult for NCs to be assigned families within their NC boundaries. Meaning, it will be difficult for NCs to financially support refugee families because many do not reside within NC boundaries and to overcome the restricting of gifting public funds to individuals.

So to answer the direction on the motion, the recommendation I have is to help spread the word about this organization and encourage NCs to share with their stakeholder as well.

Let me know if there are additional questions and/or you need anything from me.

Thanks

To: Arin Abedian <arin.abedian@lacity.org>

Hi Arin,

Below is a draft email for collecting NC logins from web vendors. I forgot to ask how the logins would be collected, so I wrote this as if we were having them use a secure link.

Hello there,

We hope this finds you well!

EmpowerLA is reaching out to all Neighborhood Council web vendors to collect login information for any web and social media assets that vendors assist the Councils with. This information will be kept securely on file, to help smooth transitions as board membership and boardmember roles change.

May we please ask you to visit the link below, and enter the username and password information for all web and social media assets for every Neighborhood Council you provide services for? This includes login info for websites, domain name registrars, internet service providers, social media accounts and pages, and newsletter services like Mailchimp or Constant Contact.

(LINK)

Please do not hesitate to respond to this email with any questions or concerns you may have.

Thank you for helping us preserve the digital legacy of our Neighborhood Councils!

Best regards,

Subject: Facebook ads: find receipts; change payment method

To: patti.berman@dlanc.com

Hi Patti,

Here's how to find and download Facebook ad receipts; identify Facebook ad charges on your credit card statements; and remove or change an ad payment method.

Please let me know if you have any trouble with this process.

Have a wonderful day, Ann-Marie

HOW TO FIND & DOWNLOAD FACEBOOK AD RECEIPTS

Before you start, you'll need to be logged onto the DLANC Facebook page.

Go to the Billing section of your Facebook Ads Manager, located at https://www.facebook.com/ads/manager/billing

This opens a list of transactions. There are two ways to search for the items you want receipts for:

Method 1 - Search By Date

If you want to get receipts for transactions made on a specific date or date range, click the date dropdown menu at the top of the Billing page, and select the date or range of dates you're interested in.

- If you want just one item, locate that transaction, then hover your cursor over the Transaction ID link and click the Download button that appears with the downward-pointing arrow on it.
- If you want all receipts for a date range, select that range from the dates menu at top, then click the
 Download All Invoices button at the top center of the page. You can then select whether you want a
 separate receipt for each item, or if you just want all the receipts combined into a PDF or CSV. (PDF is the
 default; click the dropdown menu next to PDF to select CSV if you prefer this format.)
- Then select Download, to get the receipts downloaded in your chosen format.

Method 2 - Search by Reference Number

If you have a Reference Number from your credit card billing statements, and want to get the receipt associated with that number, click Search By Reference Number in the top right corner of the Billing page.

If you want to learn more about how to identify and find Facebook ad charges on your credit card billing

statements, check out this article: https://www.facebook.com/business/help/1674680089468704.

HOW TO REMOVE OR CHANGE AN AD PAYMENT METHOD

If you want to remove or change a Facebook ad payment method, check out this article: https://www.facebook.com/business/help/132073386867900

There is a step-by-step instruction list in that article on the different ways you would remove a payment method, depending on whether you want to continue advertising on Facebook or not.

Hello Neighbor!

FREE HOT DOGS! FREE MOVIE! FREE MUSIC (in a couple weeks)!

This Saturday, come early and watch the original Beauty and the Beast (Pat and Matt) grill up some free hot dogs, and stay late to watch the new Beauty and the Beast on the big screen at sundown. Bring your friends! Bring your family! Bring your friend's family!

ERNC and **Council District 14** are throwing our neighborhood a Free Hot Dog Party PLUS a Free Movie Night -- **Sept. 23** at **Yosemite Park**, right here in Eagle Rock.

The fun begins at **4:00 pm** with the ERNC slinging hot dogs (real and vegan), Sean Starkey from CD-14 will be handing out water and chips, and the new "Beauty and the Beast" will be shown on a big screen at **7:30 pm**. It promises to be a fun, FREE, family event that's just perfect for an early Fall evening here in the best neighborhood in Los Angeles. It's getting cool out there, so be sure to bring a blanket or hoodie! (But, please **no fire pits** or **space heaters**).

SAVE THE DATE for the return of the **Eagle Rock Music Festival** on **October 7th**! That's only a couple weeks away!

See the flyers below for details.

See you Saturday!

One of the mysteriously rejected titles for this event was "Eagle Rock Wienerfest 2017." We're not telling you that there will be free, limited-edition Wienerfest '17 t-shirts available at the event on Saturday, but we're not saying they're not going to be available either. (And yes, "wiener" will be spelled right.)

ERNC News for Sept. 28, 2017

Hello Neighbor!

We want to give you a head's up about an item on the agenda for the ERNC meeting this coming Tuesday, Oct. 3.

A few years ago, the Eagle Rock Neighborhood Council joined our Councilmember José Huizar, The Eagle Rock Association and other neighborhood groups in objecting to an unnecessary expansion plan for the **Scholl Canyon Landfill**, which is located just behind the hills above the 134 Freeway, and is accessed via Figueroa Street near Eagle Rock Recreation Center. While the Scholl dump is on the outskirts of Glendale, it's right in Eagle Rock's backyard -- and any changes to it can effect our neighborhood's health, safety, and economy.

Specifically, the ERNC objected to an Environmental Impact Report (EIR) process that ignored Eagle Rock residents, and concerned itself mainly with impacts on Glendale's air, water, views, and traffic. The ERNC wrote a <u>detailed response to the draft EIR</u>, and submitted it to Los Angeles County and the Glendale City Council, where the project is still pending.

Well, Glendale is at it again -- and once again, we're only learning about it at the last minute. A new plan, for a "Biogas Renewable Generation Project" -- an on-site processing plant for the natural gas produced by the existing garbage in the dump -- has a comment period that is closing on **Oct. 21**. Comments were originally supposed to close on Sept. 30 -- just 2 days from now -- but Councilmember Huizar and his staff secured a 21-day extension. They have our thanks.

Best, Kyle Stone Administrative Assistant

The project is located at Scholl Canyon Landfill (SCLF). The landfill site occupies approximately 535 acres with portions owned by the City of Glendale, Los Angeles County and by Southern California Edison Company.

You can download all the documents about the project at this link, and read about the extended deadline at this link. On a cursory read, we have concerns about air quality, noise, and aesthetics: If you look at the proposed location, a chunk of the hillside above Eagle Rock, where existing lights and trailers at the dump can already be seen, will be carved out and water tanks installed. Noise levels are a special concern, since this appears to be a power plant that will run 24-7 right above our neighborhood. Now that we have some time, we hope to hear from Glendale officials to get more details, and to learn what the impacts on Eagle Rock could really be.

Please come out to the ERNC meeting on Tuesday, where we'll discuss the project. We'll send out the agenda for the meeting in our next email. And if you have comments now, you can send them in to the officials in Glendale. Here's the info:

Hello Neighbor!

IMPORTANT MEETING TONIGHT about proposed new power plant above Eagle Rock

There is an important meeting tonight at 6pm at Glendale City Hall, <u>613 E.</u> Broadway, 2nd floor, Glendale, CA, 91206

Eagle Rock is facing another Scholl Canyon proposal by the City of Glendale. The proposal, known as the <u>Biogas Renewable Generation Project</u>, consists of Glendale building and operating a 12-megawatt power generation facility. The power plant would be powered by the biogas, mainly methane, that they would collect from the biodegradation of the landfill's contents.

The project is intended to allow another proposed project to proceed - the rebuilding of Glendale's Grayson power plant, which is located just northeast of the Interstate 5 and Highway 134 interchange. Grayson is where Glendale currently sends the methane from Scholl Canyon through use of a 5-mile pipeline. After the Grayson plant is rebuilt, according to Glendale, it will no longer be able to use methane to generate electricity. Thus, the "need" for the biogas power generator.

We have many questions about the biogas project. What are the adverse impacts will it have on air quality in ER? What about traffic and noise pollution? What about the safety of Eagle Rock residents with a Biogas Plant and aging pipes? Some of Glendale's answers are here: Mitigated Negative Declaration (MND). The document is long but the Public Comment period was short and included NO Outreach to Eagle Rock. Glendale extended the comment period deadline to October 20th.

Jose Huizar's office, TERA and the ERNC have requested a hearing here in our community to focus on the issues that concern Eagle Rock. To date, Glendale has declined to further extend the comment deadline (10/20/17) or to hold a local hearing.

Tonight the Glendale Water and Power Commission (GWC) has meeting,

with an item on the agenda for Grayson project- not the biogas one- but

Best, these projects are directly related. The current Grayson Plant is 5 miles

Kyle Stone away in Glendale. The proposed NEW plant will be right here, on the border Administrative Assistant of LA, Glendale and Pasadena. We have concerns about this project going

Hi Dani,

Attached are the registered voters for HCNC and DLANC. I was not able to remove some of the duplicates from the lists. I believe your system is able to identify duplicate voters and remove them.

Please note that in each file you will have a list from ELA - Early Online Verified voters and the other from City Clerk - Paper Registrations (Pop-up Polls and Polling Place).

HCNC has over 200 voters that were verified with same email, please hold on emailing the pin numbers. Those voters will need to go to the polling place.

Please let me know if you have any questions.

Blair was rejected correctly. She sent 2 pictures of a business card with one that was saved as "ID."

Even though we are asking rejected folks to go to the Pop-Up Polls or the election day, I've told staff to tell her that if she sends a picture of her ID today, we'll verify her online still. Please pass that message to her and have her take a picture of her photo ID and email it to us at elections@empowerla.org by 5 pm today. Otherwise, she will have to go to the Pop-Up Poll or election polling location to vote. Thanks!

Thank you Beverly.

The delay in the review process was unnecessary. I was clear to Patti & some DLANC board members that these are the start-up cost for a very important programming needed for not only Skid Row but all of Los Angeles disenfranchised. As attached the Production Brief The times to approve the checks for past Skid Row's events is less than a week's time as I witnessed for the last 4 years. So the anticipated date of May 19th as funded start up cost for DLANC was realistic from the time the first application was placed back in April. This email can serve an explanation as to why "yesterday" was placed.

Your attachments did come through, however the application itself needs to contain the proper information in order to be processed by DLANC and The Department of Neighborhood Empowerment (DONE). I apologize if our group failed to communicate this to you in April after we reviewed the application at our executive meeting. Hopefully the

markups that I sent clarify what is required. Please note that the neighborhood purpose grants take some time to be processed before we can make any payments. They must not only move through our meetings, but also must be approved by DONE.

Just in case your email accidentally deleted attachments, I've resent them. I've also attached the Business Plan that was drafted since November 2016. Pastor Timothy Park, of whom you've spoke highly of at the Livability meeting with Dan on May 18th is not only one of our Advisers but is on page 43 of the Proposal. Mello,

I apologize that it's taken a few days to get back to you.

We thank you for sending this application again. In case no one informed you, we did discuss this application at the last meeting but found that it is missing some information that we need.

Attached is your application with some comments regarding the information

we need in order to be able to bring this forward for a vote. Generally what is missing is specific information, not just about your organization, but about the event itself.

I noticed that your application indicates the funds were needed on the 19th of May. If the event has passed, I hope it went successfully and certainly keep us posted if there are future events you would like us to consider partnering for. If the event has not yet occurred, you should update that date as well. At this stage of the game, it is likely July or August before we would be able to vote and release funds. Unfortunately May/June become a challenge because it is the end of our fiscal year.

Thank you.

One quick thought: I thought voter data like name, email, mailing address was public data, but the line is drawn at revealing how someone voted.
She's asking for data on NO voters only; if we give her that list, it reveals how people voted, and that should not be public record. So we may need to fulfill her request by giving her a list of ALL voters from HCNC, and telling her these are not divided into YES and NO groups.
have a couple other thoughts after reviewing the blog article she linked to; will share when we sit down with Kyle.

Mr. Fong,

This is a public records request for all evidence of Stakeholder status for the NO votes only for our 2017 Skid Row Neighborhood Council Subdivision election (in electronic form only please).

Additionally, I would like a spreadsheet of the list of pre-registered voters from the HCNC 2016 election. According to this recent blog post, this information is available to the Public. Thank you.

Hi there,

Apparently voting vendor Everyone Counts assigned the Ballot ID names, so the "HCNC" Ms. Mcnenny is asking about is actually part of the vendor's ballot naming convention. I imagine that this is because they wanted to model the administration of the Skid Row election on the 2016 election for one of the two Neighborhood Councils involved in the Skid Row election, and they opted to use Historic Cultural as their model. Because of this, that designation does not reflect the actual NC membership of the voter, though their voter type (residential, community interest, property owner, or business) is indicated by the final letter of the Ballot ID. Thus, these spreadsheets contain a mix of HCNC *and* DLANC voters, and they are sorted by registration date, not by NC membership.

One easy way to assess this is to look up the organization names in the columns on the right, to get an exact street address. That address can then be entered into the LA City Neighborhood Info site, at http://neighborhoodinfo.lacity.org, to determine which Neighborhood Council it falls into. I tried this myself, and confirmed that the voter data spreadsheets shared in response to this PRA show a mixture of HCNC and DLANC addresses.

It's important to note that the spreadsheets only contain data for voters who registered. People whose names appeared on rosters were not automatically registered for the election. They still were required to register online or in person, and submit proof of identity, date of birth, and a signature. The rosters were simply maintained as a convenience for voters associated with local organizations, so they could reference the roster during registration to prove their qualifying address. This way, there was no need for an organization like UCEPP, which has hundreds of members on its roster, to issue hundreds of individual verification letters to those members.

It's also important to note that not everyone who voted in this election appears on these spreadsheets, as those sheets only contain pre-registered voters. Voters who registered in person at the polls are reflected in the batch of paper voter registration forms that accompanied the earlier response to this Public Records Request. Those paper forms are marked H for HCNC or D for DLANC at the top, so those papers may be sorted easily by NC membership.

Best wishes, Ann-Marie Holman

RE: Your Public Records Act Request to the Department of Neighborhood Empowerment, dated October 4, 2017

Dear Ms. McNenny:

This e-mail is in response to your PRA Request of October 4, 2017, requesting certain records under the Public Records Act. The Public Records Act allows the public to inspect non-exempt and reasonably identifiable writings relating to the conduct of the public's business and that are prepared, owned, or retained by a local agency. (Gov. Code §6252 and 6253(d).) Under the Act, the public may inspect reasonably identifiable records only if the records being requested exist and are non-exempt. (Govt. Code§§ 6252 and 6253(d).) Under Government Code section §6253 (b), a request must reasonably identify or describe the records that are being sought. (See also Rogers v.

Superior Court, (1993) 19 Cal.App.4th 469, 481; holding that a request must be specific and focused.) In addition, there is no obligation to create a record for the purpose of responding to a request under the Public Records Act. (Gov. Code§ 6252 and 6253 (d).)

The Department of Neighborhood Empowerment only has custody and control of the records in its possession.

McNenny PRA Request of October 4, 2017:

"This is a public records request for all evidence of Stakeholder status for the NO votes only for our 2017 Skid Row Neighborhood Council Subdivision election (in electronic form only please). (Please note, as I indicated during our phone conversation this morning, we are unable to provide information regarding the way a person voted. As we discussed, your request has now been modified to include all evidence of Stakeholder status for all votes in the 2017 Skid Row Neighborhood Council Subdivision election.)

Additionally, I would like a spreadsheet of the list of pre-registered voters from the HCNC 2016 election." (Please note, I misspoke during our phone conversation this morning. There was an election in 2016 and we are researching your request.)

Department Response to McNenny PRA Request of October 4, 2017:

The Department finds that "unusual circumstances" exist with respect to the request, as that term is defined in California Code Section 6253(c). Unusual circumstances exist because of:

- 1. the possible need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records in order to respond to the request; and,
- 2. the possible need to consult with another agency, or among two or more components of this agency having a substantial interest in the determination of the request.

A Department response will be sent to you by no later than close of business on Friday October 27, 2017.

Thank you,

Kori Parraga

As most of you know, our email has not been working properly for a while.

It would seem that most of the kinks have been worked out, but we need to change the way we access the email.

If you use Outlook or a similar client package, you will need to change the Incoming/Outgoing email server to hm2.hostingmetro.com.

If you log in from a browser, use dlanc.com/webmail to access. (Previously we used webmail.dlanc.com)

Hopefully this will fix the issues. Please let me know if issues continue.

Hi Patty,

Because we haven't taken an official position on the vote, this implied DLANC endorsement seems in clear violation of at least a couple of our bylaws.

Despite my personal views on the matter, it's very disconcerting that an anonymous group would use our logo. Do you know who they are?

Reason for Challenge

Campaign Material Issues

Please state the facts for your challenge. (max 500 words)

Voting YES for the Skid Row NC- Formation Committee establishes us as a candidate in the Skid Row NC Subdivision election. Therefore, voting NO also automatically establishes DLANC as a candidate. It's that simple- Will Skid Row stay with DLANC or will Skid Row stay with itself- those are the two choices in this subdivision election, again clearly making DLANC a candidate.

Subsequently, it is illegal for candidates to "take a side" in any outreach materials, which DLANC did through a "front organization" called Unite DTLA. Irrefutable evidence, both paperwork and video, unequivocally proves that Unite DTLA connects directly to a DLANC URL, thus connecting DLANC to everything Unite DTLA has done regarding this subdivision election.

As a candidate, DLANC should thereby be immediately disqualified, along with their voters, seeing that their illegal election propaganda was sent consistently at least four times a day possibly until three days prior to our subdivision election.

As the Chair of the Skid Row Neighborhood Council- Formation Committee, I offer the following pieces of evidence;

- 1) Evidence of the e-mail sent by Unite DTLA, which also connects to DLANC directly to Unite DTLA's illegal use of DLANC's mailing address.
- 2) Evidence of Unite DTLA outreach materials directly connected to a URL which encompasses DLANC and also infers to a "managed list" which thereby implies that said outreach materials where shared with others.
- 3) Evidence of online conversations including myself and a current DLANC Board member who publicly validates his knowledge of

interactions connecting Unite DTLA and DLANC and further offers confirmation timestamps of the periodic distribution of said illegal outreach material.

227 / 1898

4) Video evidence of the direct connection between DLANC and their "front organization" called Unite DTLA through outreach material distributed by Unite DTLA which connects directly to a URL that connects to DLANC, thus rendering DLANC directly involved with the distribution of position-taking outreach materials which is clearly stated as an illegal act by neighborhood council regulations.

Please state your desired remedy. (max 100 words)

DLANC, in it's efforts to sway the Skid Row Neighborhood Council- Formation Committee's subdivision election, should be found guilty with a swift punishment of disqualifications as a candidate, disqualification of their entire database (and/or number equivalency), publicly reprimanded and also punished with funding penalties in order for DONE to set an example for all NC's citywide of what will not be tolerated in any of it's NC elections.

I've been intentionally not engaging in back and forth on this forum however I am going to need to address this.

Picture A is in fact from the DLANC mailchimp.

Picture D is indeed from that as well. This is an email informing people of when and where the polling places are. It does not take a position. It is an outreach email sent out asking people to help spread awareness of when and where people can vote. It is DLANC's obligation to inform people when and where they can vote in a neighborhood council election.

Pictures B and C are from a MailChimp that went out with someone using an entirely different email account. They included the DLANC logo and used the address. They were immediately contacted at that email address and told to cease and desist which is why this was not in any further emails sent by them. I replied to that email address myself and let them know while I know you feel you are helping spamming everyone's email inbox four times a day this is more likely to annoy people than it is to help with the effort.

Jeff I thought we had a common understanding. We had a great conversation yesterday discussing how we could work together no mater the outcome. I thought we showed each other mutual respect. With that last statement you questioned if that statement I made above was a lie. I have avoided any sort of ad hominem attack against you and have stopped others that are working on my side of this effort from doing the same against you. There were many who wanted to use that tactic but it was not appropriate. I would have expected better based off of the great one on one dialogue we had yesterday

Reason for Challenge

Inappropriate endorsements of candidate

Please state the facts for your challenge. (max 500 words)

Voting YES for the Skid Row NC- Formation Committee establishes us as a candidate in the Skid Row NC Subdivision election. Therefore, voting NO also automatically establishes DLANC as a candidate. It's that simple- Will Skid Row be with DLANC or will Skid Row be with itself- those are the two choices in this subdivision election, again clearly making DLANC a candidate.

Subsequently, it is illegal for candidates to "take a side" in any outreach materials, which DLANC did through a "front organization" called Unite DTLA. Irrefutable evidence, both paperwork and video, unequivocally proves that Unite DTLA connects directly to a DLANC URL, thus connecting DLANC to everything Unite DTLA has done regarding this subdivision election.

And because of that, DLANC is in violation of election fraud and inappropriate endorsement of itself as a candidate by publicly taking a position against the Skid Row Neighborhood Council.

Please state your desired remedy. (max 100 words)

DLANC, in it's efforts to sway the Skid Row Neighborhood Council- Formation Committee's subdivision election, should be found guilty with a swift punishment of disqualification as a candidate, disqualification of their entire database (and/or number equivalency, publicly reprimanded and also punished with funding penalties in order for DONE to set an example for all other NC's citywide of

Reason for Challenge

Electioneering by candidates

Please state the facts for your challenge. (max 500 words)

Voting YES for the Skid Row NC-Formation Committee establishes us as a candidate in the Skid Row NC Subdivision election. Therefore, voting NO also automatically establishes DLANC as a candidate. It's that simple- Will Skid Row stay with DLANC or will Skid Row stay with itself- those are the two choices in this subdivision election, again clearly making DLANC a candidate.

Subsequently, it is illegal for candidates to "take a side" in any outreach materials, which DLANC did through a "front organization" called Unite DTLA. Irrefutable evidence, both paperwork and video, unequivocally proves that Unite DTLA connects directly to a DLANC URL, thus connecting DLANC to everything Unite DTLA has done regarding this subdivision election.

As a candidate, DLANC should thereby be immediately disqualified, along with their voters, seeing that their illegal election propaganda was sent consistently at least four times a day possibly until three days prior to our subdivision election.

As the Chair of the Skid Row Neighborhood Council- Formation Committee, I offer the following pieces of evidence;

1) Evidence of the e-mail sent by Unite DTLA, which also connects to DLANC directly to Unite DTLA's illegal use of DLANC's mailing address.

- 2) Evidence of Unite DTLA outreach materials directly connected to a URL which encompasses DLANC and also infers to a "managed list" which thereby implies that said outreach materials where shared with others.
- 3) Evidence of online conversations including myself and a current DLANC Board member who publicly validates his knowledge of
- interactions connecting Unite DTLA and DLANC and further offers confirmation timestamps of the periodic distribution of said illegal outreach material.
- 4) Video evidence of the direct connection between DLANC and their "front organization" called Unite DTLA through outreach material distributed by Unite DTLA which connects directly to a URL that connects to DLANC, thus rendering DLANC directly involved with the distribution of position-taking outreach materials which is clearly stated as an illegal act by neighborhood council regulations.

Please state your desired remedy. (max 100 words)

DLANC, in it's efforts to sway the Skid Row Neighborhood Council- Formation Committee's subdivision election, should be found guilty with a swift punishment of disqualifications as a candidate, disqualification of their entire database (and/or number equivalency), publicly reprimanded and also punished with funding penalties in order for DONE to set an example for all other NC's citywide of what will not be tolerated in any of it's NC elections.

Department Report on Skid Row Neighborhood Council Subdivision Election

Challenges #103 - Campaign Material Issues

Challenge # 104 - Inappropriate Endorsement of Candidate

Challenge #105 - Electioneering by Candidates

Background

Re:

On January 11, 2017, the Department notified Downtown Los Angeles Neighborhood Council (DLANC) that the subdivision application for the forming Skid Row Neighborhood Council was moving to the election phase of the process. DLANC had the option to take action on whether they supported the subdivision or not, but they did not take any action on the matter.

During the following months, outreach was conducted for the April 6, 2017 election, which included online voting in addition to an at polls location. On March 31, 2017 at 11:24 am, an email, which is the subject of the challenges, from Unite DTLA using the DLANC logo and mailing address was sent out to an unknown database. (Attachment A) The email stated "Vote NO on Skid Row Separation" and appeared to come from DLANC even though Unite DTLA is not known to be officially affiliated with DLANC. Neighborhood Councils are not allowed to use their name, logo or resources to advocate for the public to take a position on an election matter.

On March 31, 2017 at 4:11 pm, DLANC President, Patti Berman, emailed Unite DTLA asking them to not use the DLANC logo. (Attachment B) On April 1st, 2017 at 10:35am, Unite DTLA sent out another email removing not only the DLANC logo, but also the PO Box number from the original email, which was DLANC's. (Attachment C) Ms. Berman told the Department that

she did not know who Unite DTLA is and that she only replied to the email address on the Unite DTLA email.

The preliminary results of the election is 766 yes votes for subdivision and 826 no votes for subdivision when provisional votes were counted.

Election Challenges

In the three challenges submitted by General Jeff Page, the main contention is that DLANC used a "front organization" called Unite DTLA and sent out a "Vote No" email campaign using the DLANC MailChimp account. According to General Jeff Page, the aforementioned first email sent by Unite DTLA on March 31, 2017 used DLANC's logo, mailing address and a web address (URL) for contacting the sender on the bottom of the email under the phrase "why did I get this?"

The challenges included witness statements, supporting documents, and a link to the video.

Because the challengers supporting materials are the same and only apply to the challenge regarding Campaign Material Issues, the Department recommends dismissal of Challenge #104 because the Neighborhood Council board did not officially endorse any actions and Challenge #105 because there was no electioneering by the Applicant.

The applicable election challenge in this matter is for the explicit use of City logo(s) for Campaign materials by Candidate(s), including LA City, EmpowerLA logo, Neighborhood Council logo and any other City department logo. For this challenge to be valid, the Election Challenge Panel would have to find that DLANC or someone with access to DLANC's MailChimp sent the initial Unite DTLA email from DLANC's account using their logo and resources and that this made a difference in the election results.

Findings

The Department's findings are inconclusive in this matter despite researching the challenge allegations.

In order to determine whether the Unite DTLA email came from DLANC's MailChimp account, we requested the following information from Ms. Berman

- 1. Copies of any emails that she sent to Unite DTLA. (Attachment B) there was only the one aforementioned email.
- 2. List of the names of the people ("Users") who have access to the DLANC MailChimp account. (user types "author," "manager," and "admin") (Attachment D) this showed only two people with access to the MailChimp: Ms. Berman and Amara Ononiwu

- 3. List of the contacts in the "Voters List" data in the DLANC MailChimp account. (Attachment E) this showed the types of subscriber lists, and there was not one called "Voters List," which appears if you click "why did I get this?" in the original Unite DTLA email, but such subscriber lists can be deleted.
- 4. Activity reports for the DLANC MailChimp account for March 31, 2017 through April 6, 2017. (Attachment F) this showed no campaigns for a Unite DTLA, but such activity can be deleted.

In order to determine whether the Unite DTLA came from DLANC or whether a third party created a Unite DTLA to look like DLANC, the Department attempted to register as a new user on MailChimp to see if we are able to utilize the DLANC URL and database.

The Department tried creating an account with the Username: "DLANC," but a message came back stating: "Another user with the username already exists." Therefore, Usernames have to be unique.

The Department discovered, however, that the registered company names and URLs do not have to be unique. In other words, a third party could create a MailChimp campaign using DLANC as its company name and URL. When the URL was used in the unsubscription process and links for the first Unite DTLA email, it linked back to the DLANC website and had the same URL for the "why did I get this?" link as another email known to be sent by DLANC. This result could be as alleged by the challenge that the email came from DLANC's MailChimp account, or a third party can create this result by copying all of DLANC's information from public emails they've sent from MailChimp.

In the second Unite DTLA email, the URL was changed as well as the PO Box address and did not go to the DLANC website anymore. The Department was also able to recreate this result as well with our test account.

Because anyone can register any URL on MailChimp, the use of such links is inclusive because it supports both options that the original Unite DTLA email came from DLANC or that it came from a third party instead.

Another difference noted between the original Unite DTLA email and a known public DLANC email is that there is a hashtag before the PO Box number in the Unite DTLA email and not one in the DLANC email. If the Unite DTLA email was generated from the DLANC MailChimp account, the address was typed in with the addition of a hashtag.

It is unknown how many people who received the initial Unite DTLA voted no for subdivision in the election because they received that email. The majority of the 1590 who voted, however, did vote after March 31, 2017, and there is a 60 vote difference between the winning No side and the Yes side.

I'm sorry but Apparently I misspoke and all requests have to go through Patti and the city attorney officially. Carmen just informed me. I don't want to make trouble for myself or anyone else so I forwarded both the direct emails I got on the 31st to Patti to send to you. The other emails I received on the 31st were the automatic calendar updates that the city sends when you sign up to follow a committee. I hope this helps. Let me know if you don't get them and I'll follow up.

Friday at 7 works. I'm not sure where you live but would you like to meet at Mignon?

Hi Katherine,

Sure. That shouldn't be a problem. Please note that I don't send a ton of emails but I'll take a look on that date now.

Also, I've also been wanting to connect with you. I understand their are not the greatest ties between some members of Dlanc and members representing the Skid Row Community but I hope you know that there are many of us who do not have that history and only want to serve the community. I would love if we could work together in some capacity.

Please consider.

Department of Neighborhood Empowerment 200 N. Spring Street, 20th FL. Los Angeles, CA 90012

RE: Investigation into Electioneering by the Downtown Los Angeles Neighborhood Council

Dear Department of Neighborhood Empowerment,

It has come to my attention that Ms. Berman, President of DLANC, was not truthful to your Election Challenge Panel on May 3rd. On top of this, she showed a willful disregard towards the efforts and well-being of the Skid Row community.

Please first refer to the testimony of Ms. Berman at the **46:35** mark of this video (http://bit.ly/2qhl1Js) where she states, "I would like to talk about that email, I received it, it went out about 11:45 in the morning. I was gone that day, came back at about 2-2:30, 3 o'clock I saw it. I saw our logo on it- I immediately responded to it (mumbled) saying, you can't do this, this is a City logo and I never received another email that had our logo on it." Ms. Berman again states, starting at the **7:40** mark of this video (http://bit.ly/2pMeWn4), "I saw that, and I thought well, we can't do that, so I immediately wrote back and said don't do this".

In fact, Ms. Berman was not "gone that day" in the sense that she could not have crafted an email to her Board or the sender of the Unite DTLA email immediately after receiving it. Records show that at 12:31pm, *after* receiving the Unite DTLA email (which she claims to have received at 11:45am), she sent out an email to at least one fellow DLANC Board member about an entirely unrelated matter titled, "email issues" (please refer to Appendix A, an email sent to DLANC Board member Scott Bytof- even though this email was sent to Ms. Berman, from Ms. Berman- it was in Mr. Bytof's email trove for March 31st).

At 4:06pm on March 31st, DLANC Board member Andrew Douglas emails Ms. Berman to inquire about the Unite DTLA email he received (please refer to Appendix B) and asks, "...it's very disconcerting that an anonymous group would use our logo. Do you know who they are?". At this time, Ms. Berman had **not** yet sent out an email to the sender of the Unite DTLA email, her Board or anyone else- she only sent out one email to: UniteDTLA@gmail.com asking them to, "...not use this logo...", (please refer to pg. 61 of Appendix C) at 4:11pm **after** Mr. Douglas had emailed her about his concerns (this is according to Ms. Berman's own testimony and submitted evidence at the Panel). A search of all emails sent out on March 31st to DLANC Board member Scott Bytof shows no emails from Ms. Berman trying to correct information about the Unite DTLA email which contained the DLANC logo (records show in Appendix D that Mr. Bytof was not the recipient of a Unite DTLA email on March 31st, at least not on his DLANC email address). Indeed Ms. Berman admits to **not** alerting her Board to the Unite DTLA email with the DLANC logo at the **9:40** mark of this video (http://bit.ly/2pMeWn4) where she states, "no, I didn't have to".

DLANC Board member Ms. Ononiwu replied to my request for her emails for this day that she received only two directly, and a few automatic calendar updates. It is still unknown to me what information is in her two direct emails (please refer to Appendix E).

In summary, Ms. Berman stated she sent an email to the sender of the Unite DTLA email "immediately after" receiving it, which she said was around 3pm. But by 4pm- she *still had not* emailed anyone about the Unite

DTLA email. It was only *after* Mr. Douglas emailed Ms. Berman, questioning her about the Unite DTLA email he had received and expressing alarm, did she do anything at all. Neither did Ms. Berman ever email her fellow Board members to correct or clarify to them about the unauthorized use of the DLANC logo. Additionally, no effort was made to alert any on the DLANC database. It can therefore be assumed that had Mr. Douglas *not* brought the Unite DTLA email to Ms. Berman's attention- she very likely would have done nothing.

Further, showing a shocking lack concern for the years long organizing efforts of Skid Row Stakeholders to hold a fair election in order to win a voice for our historically disenfranchised and severely neglected community, Ms. Berman states at the **10:18** mark of this video (http://bit.ly/2qmzipC), in reference to why she didn't take more concrete steps to distance the DLANC from the Unite DTLA emails, "...like I said, I thought it was someone that did something really stupid and I told them not to do it anymore and I went back to what I was doing in my life at that time which was more important...".

That Ms. Berman did not act on her own accord to correct DLANC's involvement with the Unite DTLA email is significant because the Election Challenge Panel specifically zeroed in on this as being an area of concern equal to the actual email being sent out. The Panel discusses this challenge and ultimately upholds it at the **13:40** mark of this video (http://bit.ly/2pQ2umg), where Panelist David Greene speaks about DLANC's, "...lack of response, lack of effort to dissuade people from believing this...".

I can only conclude after listening to Ms. Berman's testimony on May 3rd and then cross-referencing it with several of her emails sent out on March 31st, that Ms. Berman was complicit with the Unite DTLA emails. Ms. Berman's actions, or lack thereof, constitute bad faith. The Panel recommended that if new evidence (against the DLANC) is uncovered within 60 days through independent means then DONE should grant Skid Row its neighborhood council. I therefore strongly request that you grant the Skid Row Neighborhood Council-Formation Committee our certification status immediately without any more undue burden on our community. Members of our Formation Committee have more than proven that Ms. Berman-here representing the DLANC as a candidate- is guilty of electioneering and worse, trying to cover it up.

Thank you for your consideration.

Sincerely,

Katherine McNenny

Ms. Liu,

Thank you and DONE staff for taking the time to meet with me on such short notice.

This is a sudden and unfortunate development which is extremely disappointing and deeply frustrating as our Skid Row community was, until now, focused on our historic vote.

Now, especially, if we are defeated, there will forever be a cloud of uncertainty permanently attached to this election.

This is not what we wanted and I am sad to have to share this with my fellow community members who have worked extremely hard to activate our community and volunteer supporters.

Either way, after the election, I request an official "Letter from DONE GM" commending Skid Row on our efforts as we are the first-ever in the City of Los Angeles to partake in the subdivision elections.

Thank you,

General Jeff

Hi, General Jeff,

Hope all is well. Thanks for the email and stopping by our office today. As I mentioned in our meeting just now, I will need the original digital emails of the hard copies you provided to us, which is attached for your reference. Once we receive the original emails of the documents, we will work with the City Attorney's Office to review. Given the election is this week, however, I did advise you to focus on outreach for the election at this point as you will have 5 days after the election to file an election challenge on this matter. You can file the election challenge before the election, but you will need to have all of the evidence submitted at the time of the filing as we do not accept additional evidence afterwards. There is an FAQ on the the election challenge page that will address your questions.

If you have any other questions, please contact Mike Fong at Mike.Fong@lacity.org or by calling (213) 978-1551.

To DONE (Ms. Liu) and City Attorney's office (Mr. Feuer) and the City of Los Angeles,

As the Chair of the Skid Row Neighborhood Council- Formation Committee, I am contacting you with troubling news specifically related to our SRNC-FC Subdivision election.

We have hard copies of evidence that DLANC is using "operation tools", for instance their P.O. Box as a third-party vendor which is pushing "Vote NO" paraphanalia against our SRNF-FC. Said operational tool was paid for with City funding (taxpayer funds).

We know this is illegal and a violation of City elections.

Our questions then become;

- 1) What is the process to file two separate grievances against DLANC and DLANC President Patti Berman?
- 2) How does this violation affect our currently ongoing Subdivision election?
- 3) In a regular NC election, if a candidate did this they would be subjected to disqualification....Does the same apply for DLANC who is technically the candidate we are subdividing from?
- 4) Can we move to also decertify the DLANC?...If so, we would like to know the official process and if this correspondence serves as being sufficient, we would like to begin the decertification process for the DLANC effective immediately.
- 5) Is one of the solutions to void all NO votes connected to the DLANC?

While we have many more questions, these are from which we will begin with.

Lastly, knowing that this is a time sensitive matter, I will be walking in to each of your offices today to provide copies of our evidence in hopes of expediting this process, seeing that our physical polling place election is 3 days from today on Thursday, April 6th.

If there is a need to contact me, due to the nature of the previously mentioned time sensitivity, in addition to an e-mail, please contact me directly on my cell- 323.445.0723.

Regards,

General Jeff

The violations DLANC is guilty of are of the highest violations when it comes to trust in public representation. DLANC severely compromised these most important American values and MUST be penalized to the highest degree of punishment.

To knowingly, misuse public funds in an election, by way of creating a "dummy organization" and then using the very same mailing address as DLANC, followed by publicly sharing illegal election outreach materials and attributing this act to said dummy org, combined with current DLANC Board members publicly denying any involvement and perpetrating this fraudulent act- which on a Federal level constitutes as "election fraud" and thus subjected to the harshest of penalties to disuade any other NC's citywide from possibly involving themselves in a similar unacceptable demeanor.

On top of all that, is the fact that DLANC's horrendous acts were committed against the Skid Row community....As if life in Skid Row isn't hard enough with it commonly known as "the homeless capitol of America".

This is an outrage!

Hi Miguel,
Hope you are doing well.
I would encourage you to attend a DLANC meeting and meet some of the board members and officers. Patti Berman is the President and Bob Newman is the Vice President.
As a board member, you would be a representative for the DLANC and work on issues affecting DLANC and the community. You would attend board meetings and also possibly participate in committee meetings.
Please call myself or Mario at (213) 978-1551 regarding additional info on what it means to be a board member.
Thanks!
Best,
Mike

Dear Downtown LA Council leaders,

As we move into the holiday season, we'll be busy working on several projects. Our IT Team will be collaborating with the Personnel Department to start moving mandated Neighborhood Council trainings, such as ethics and funding, onto the City employee online training portal. Neighborhood Council board members will have access not only to these trainings on demand, but others as well as we continue to build out the Neighborhood Council trainings. EmpowerLA staffers are conducting Neighborhood Council 101 workshops around the City. If your Neighborhood Council would like to partner with us in presenting, please let us know because we would love to work with you getting the great work of the Neighborhood Councils out to the community. Lastly, as we mentioned over the summer, we are putting together a Neighborhood Council City Hall Concierge service for those who are coming to provide comment on Council Files or other City matters. If you have any other ideas on what services should be included, please contact Lorenzo Briceno at Lorenzo.Briceno@lacity.org.

Citywide Campaign:

Civic U emphasizes civic and community engagement and gives Neighborhood Council leaders the tools they need to understand city government and influence policy at City Hall. Last year, the Civic U graduated more than 100 Angelenos in Civic U 1.0.

Civic U. 2.0 provides practical training around self-selected group projects, building on the information provided both in Civic U. 1.0 and in further presentations in 2.0.

This year, we invite each Neighborhood Council to select one male and one female to attend with first priority given to those who have attended Civic U 1.0 in either 2015 or 2017. However, you can sign up if you did not take Civic U 1.0 and if there is space available.

Space is limited, so please register as soon as possible!

"We cannot build a better Los Angeles without an engaged population that knows how to navigate city government," said Mayor Garcetti. "That's why the Civic U emphasizes civic literacy: it's not just about your vote at the ballot box, it's about making sure your elected officials are representing your interests."

Instructors will be under the supervision of Dr. Raphael Sonenshein, Executive Director of the Pat Brown Institute (PBI), and author of three books on Los Angeles politics and government. Teaching staff, guest speakers, and group facilitators will be drawn from the Pat Brown Institute (PBI), Cal State LA Faculty, the Mayor's Office, other city offices, the Center for Nonprofit Management, and trained by the Pat Brown Institute.

You can register at this link: https://www.surveymonkey.com/r/Civic2

The last day to register will be Friday, December 15, 2017.

Administrative Update:

Many thanks to the Neighborhood Councils that have completed their inventory lists. We will be following up this month with those Neighborhood Council that have not completed their lists so we can finalize the information. These lists are important because such inventory is purchased with public funds, and we need to maintain updated information for accountability. For the purposes of this inventory, all Neighborhood Councils are being asked to report back on items that are currently in their possession and any items that were recently purchased which meet the following criteria:

- -Any item with an acquisition or assigned value of at least \$1,000.00 and an estimated useful life of three (3) years.
- -Any computer hardware, including desktop or laptop computer(s), regardless of cost.

Page | 2 Wednesday, November 1, 2017

- -Any digital cameras, regardless of cost.
- -Any electric or electronic office and communications equipment, such as printers and copy machines, regardless of cost.

Funding Updates:

Starting **November 1, 2017**, the NC Funding Program will no longer accept the Funding Request Form (FRF) as a request for payment. All board action and payment authorizations must be on a Board Action Certification (BAC). The BAC was adopted by the Office of the City Clerk on July 1, 2017; it is the official form for NC Funding Program requests and authorizations. In the spirit of transparency, and as a way to help the Neighborhood Councils plan accordingly, we are issuing fiscal year end deadlines early. All event approval requests for fiscal year 2017-18 must be submitted by **May 20**, **2018**. Please note that **June 1, 2018** is the last day to submit a check payment request (Operations, Outreach, Election, NPGs, CIPs, and Board Member Reimbursements). **June 20, 2018** is the last day a Neighborhood Council will have access to credit on their purchasing card. All credit card purchases must be made on or before June 20, 2018. In order to ensure use of current fiscal year funds before the close of the fiscal year, a Neighborhood Council should plan on voting on any financial matters and/or requests during their April and May 2018 meetings. Please visit our website clerk.lacity.org, as we will be releasing the NC Funding Board Member Training Video shortly. Successful completion of the video and a passing score on the quiz will satisfy the training requirement for the non-financial board members. Our website also offers key dates related to upcoming training/education for financial officers on the Funding Program and Funding System. We are happy to assist you with any funding matters and are ready to answer any questions you may have. You may reach us at (213) 978-1058 or via e-mail at Clerk.NCFunding@lacity.org.

Field Updates:

This month, we're excited to share with our Neighborhood Councils, how to create a public mural through the City's Citywide Mural Program. Visit the Department of Cultural Affairs website http://culturela.org/murals for the mural-registration and for a robust Frequently Asked Question section that can answer many of the questions for your Neighborhood Council.

For Neighborhood Councils, there are a couple of key points to be mindful of with murals. Early research and preparation is key to a successful mural project.

- 1. Please contact the Department of Neighborhood Empowerment's, <u>Semee.Park@lacity.org</u> for guidance if you would like to work on a project involving a mural or providing money for a mural.
- 2. Money may only be expended toward mural projects when the mural is registered with the Department of Cultural Affairs, including murals located on public or private property. In addition, murals are currently only allowed on residential property in Council Districts, 1, 9, 14, and 15.
- 3. If the mural is located on private property, please visit the Department of Cultural Affairs website http://culturela.org/murals for the mural registration application and for a robust Frequently Asked Question section that can answer many of the questions for your Neighborhood Council.

Murals located on City property must go through a different process, reviewed and approved by the Public Art Committee and Cultural Affairs Commission. For more information, see DCA Public Art Approval

- 4. The property owner must sign the application certifying permission (notary is required) and accepting maintenance responsibility. A 2-year covenant is filed with the County Recorder's Office to ensure that the mural remain for a minimum of 2 years. There is a registration fee of \$60.00 for mural registration implementation.
- 5. There is a required neighborhood involvement meeting for each new mural proposal and is a great opportunity to expand your Neighborhood Council's Outreach. Reach out to your Neighborhood Council Advocate to collaborate!

For questions and/or more information, visit http://culturela.org/murals/ and reach out to: Semee.Park@lacity.org

Outreach Updates:

Spotlight on Outreach: The Los Feliz, Silver Lake, Echo Park, and Atwater Village Neighborhood Councils have joined forces along with councils in Hollywood to form SELAH (Silver Lake, Echo Park, Los Feliz, Atwater Village, Hollywood) Neighborhood Homeless Coalition and they have done great using outreach and engagement strategies to address the issue of homelessness in their neighborhoods. <u>Facebook Page</u>

SELAH has produced two brochures, <u>one for business owners/residents</u> who want to know how to help someone experiencing homeless and <u>one for people</u> who want to know where our area resources (free meals, food pantries, public restrooms, etc) are available.

The Neighborhood Council Homelessness Liaisons will be talking about outreach strategies and opportunities to connect people with services and support for the homeless at the November 6, 2017 Homelessness Alliance Meeting at 6:00 pm at Ron Deaton Auditorium which is located at 100 W. 1st Street, Los Agneles, CA 90012. Parking is located at City Hall East and the entrance is on Los Angeles Street between 1st and Temple. To RSVP, go to this LINK

Policy Updates:

On Tuesday, October 24, 2017, City Council approved an ordinance change to the Neighborhood Council stakeholder definition, which will allow the Board of Neighborhood Commissioners to further define the Community Interest Stakeholder. Specifically, they can weigh in on the terms "substantial" and "ongoing" when it comes to the connection a Community Interest Stakeholder has within a Neighborhood Council boundaries. The Commission will likely be agenizing this matter in the next few months for Neighborhood Council input so please take the time to weigh in on this important matter. The Board of Neighborhood Commissioners has created a Neighborhood Council working group to address and provide recommendations to the Commission on Neighborhood Council Funding Equity. The working group will consist of twenty-four members, two members from each of the twelve electoral regions to be selected by the Commissioners. Click here to nominate or self-nominate. The application process will be through mid-December. The selection of the twenty-four-member working group will be completed by end of December. There will be four meetings, dates and times to be determined, and will start in January and end in February. These meetings will conform to the Brown Act meeting requirements and will be staffed by the Department.

The Board of Public Works would like to modify its <u>Board Rules</u>, specifically those sections that related to public comments. In total, Rule 5, 13 and 14 are being proposed for amendment. At its September 20th board meeting, the Board requested that public input be sought from Neighborhood Councils (NC) to gain their thoughts on the matter. The Board's agenda still allow for Neighborhood Councils with Community Impact Statements extra time to speak. These changes would apply to individuals that wanted to comment during general public comment period or specifically to an

item on our agenda. Comments can be sent to Dr. Fernando Campos, Executive Officer, Board of Public Works, City of Los Angeles, 200 N Spring Street, Rm 361 (MS 465) Los Angeles, CA 90012 or via email to Fernando.Campos@lacity.org.

Comentarios de Apertura

Estimados Downtown LA Líderes del Concejo,

A medida que avanzamos hacia la temporada de fiestas de fin de año, estaremos ocupados trabajando en varios proyectos. Nuestro equipo de TI estará colaborando con el Departamento de Personal para comenzar a impulsar las capacitaciones estipuladas por el Consejo Comunitario, en temas tales como ética y financiamiento, en el portal de formación en línea de los empleados municipales. Los directivos del Consejo Comunitario tendrán acceso a estas capacitaciones a solicitud, y a otros temas; en la medida en que continuamos desarrollando capacitaciones de Consejos Comunitarios. El personal de EmpowerLA está realizando los talleres *Neighborhood Council 101* en toda la ciudad. Si su Consejo Comunitario quisiera asociarse con nosotros en la presentación, háganoslo saber porque nos gustaría trabajar con usted para hacer llegar el excelente trabajo de los Consejos Comunitarios hasta la comunidad misma. Finalmente, y tal como lo indicamos en el verano, estamos organizando un servicio de Conserje del Consejo Comunitario en el Ayuntamiento para aquellos que vienen a ofrecer sus comentarios sobre los archivos del consejo u otros asuntos municipales. Si usted tiene alguna otra idea sobre los servicios que deberían incluirse, comuníquese con Lorenzo Briceno en Lorenzo.Briceno@lacity.org.

Campaña a Través de la Ciudad:

La Civic U destaca la participación cívica y comunitaria y brinda a los líderes del Consejo Comunitario las herramientas que necesitan para entender sobre gobiernos municipales y sobre políticas de influencia en el Ayuntamiento. El año pasado, la Civic U graduó a más de 100 angelinos en Civic U 1.0.

Civic U. 2.0 ofrece capacitación práctica respecto de proyectos de grupo autoseleccionados, con base en la información provista en Civic U. 1.0 y en presentaciones adicionales en 2.0.

Este año, invitamos a todos los Consejos Comunitarios a seleccionar un hombre y una mujer para que asistan, dándole prioridad a aquellos que ya han asistido a Civic U 1.0, en 2015 o en 2017. Sin embargo, usted puede inscribirse si no participó en Civic U 1.0 y si hay cupo disponible.

El cupo es limitado, por lo que le sugerimos inscribirse lo más pronto posible.

"No podemos construir un mejor Los Ángeles sin una población comprometida que sabe cómo navegar en el gobierno municipal", dijo el alcalde Garcetti. "Es por ese motivo que Civic U hace énfasis en la alfabetización cívica: no se trata solo acerca de depositar su voto en las urnas, se trata de garantizar que sus funcionarios electos representen sus intereses".

Los instructores estarán bajo la supervisión del Dr. Raphael Sonenshein, Director Ejecutivo del Pat Brown Institute (PBI), y autor de tres libros sobre política y gobierno de Los Ángeles. El personal docente, los oradores invitados, y los facilitadores de grupo se seleccionarán en el Pat Brown Institute (PBI), entre los maestros de Cal State LA, de la oficina del alcalde, de otras municipalidades, del Centro para Gestión sin Fines de Lucro y serán capacitados en el Pat Brown Institute.

Use este enlace para inscribirse: https://www.surveymonkey.com/r/Civic2

El último día para inscribirse será el viernes 15 de diciembre de 2017.

Actualización Administrativa:

Muchas gracias a los Consejos Comunitarios que ya han terminado sus listas de inventarios. Daremos seguimiento este mes a aquellos Consejos Comunitarios que no han terminado sus listados a fin de que podamos finalizar la información. Estos listados son importantes porque dicho inventario se compra con fondos públicos, y necesitamos mantener

información actualizada para fines de rendición de cuentas. Para los fines de este inventario, a todos los Consejos Comunitarios se les ha solicitado que informen sobre artículos que están actualmente en su posesión y sobre cualesquier artículos que hayan sido comprados recientemente que cumplan los criterios siguientes:

- -Cualquier artículo con un valor de adquisición, o asignado, de por lo menos \$1,000.00 y una vida útil estimada de tres (3) años.
- -Cualquier equipo de computación, sean computadoras de escritorio o portátiles, sin importar el costo.
- -Cualesquier cámaras digitales, sin importar el costo.
- -Cualquier equipo de comunicaciones y oficina, ya sea eléctrico o electrónico, tales como impresoras, copiadoras, sin importar el costo.

Actualizaciones de Financiación:

A partir del 1 de noviembre de 2017 el Programa de Financiamiento de Consejos Comunitarios ya no aceptará el Formulario de Solicitud de Financiamiento (FRF) como una solicitud de pago. Toda acción de la junta y las autorizaciones de pago deberán hacerse en un Certificado de Acción de Junta (BAC). El BAC fue aprobado por la oficina del Secretario Municipal el pasado 1 de julio de 2017; es el formulario oficial para las solicitudes y autorizaciones de programas de financiamiento de los Consejos Comunitarios. En el espíritu de la transparencia, y como una manera de ayudar consecuentemente al plan de los Consejos Comunitarios, estamos emitiendo de manera temprana las fechas límites de cierre del año fiscal. Todas las solicitudes de aprobación de eventos para el año fiscal 2017-18 deberán presentarse antes del 20 de mayo de 2018. Tenga presente que el 1 de junio de 2018 será el último día para presentar una solicitud de pago por cheque (operaciones, difusión, elección, NPG, CIP y reembolsos para miembros de la junta directiva). El 20 de junio de 2018 es el último día en el que el Consejo Comunitario tendrá acceso a créditos con su tarjeta para compras. Todas las compras con tarjeta de crédito deberán realizarse a más tardar el 20 de junio de 2018. A fin de garantizar el uso de los fondos del año fiscal en curso antes del cierre del año fiscal, el Consejo Comunitario deberá planificar una votación sobre asuntos financieros y/o solicitudes en sus reuniones de abril y mayo de 2018. Le sugerimos visitar nuestro sitio web clerk.lacity.org ya que estaremos publicando próximamente un vídeo de Capacitación para Directivos de Financiamiento de los Consejos Comunitarios. La finalización con éxito del vídeo y una puntuación mínima en el examen de evaluación satisfará los requisitos de capacitación para los directivos no financieros. Nuestro sitio web también ofrece fechas clave relacionadas con la próxima capacitación/formación de funcionarios financieros en el Programa de financiamiento y en el Sistema de financiamiento. Nos complace poder ayudarle con cualquier tema de financiamiento, y estamos listos para contestar cualquier pregunta que usted pueda tener. Puede comunicarse con nosotros en el (213) 978-1058 o por correo electrónico en Clerk.NCFunding@lacity.org.

Actualizaciones de Campo:

Este mes nos complace compartir con nuestros Consejos Comunitarios, el tema de cómo crear un mural público a través del Programa de murales en toda la ciudad, de la municipalidad. Visite el sitio web del Departamento de Asuntos Culturales http://culturela.org/murals para obtener la solicitud de inscripción de mural y para consultar una sección sólida de preguntas frecuentes que puede responder muchas de las dudas en su Consejo Comunitario.

Para los Consejos Comunitarios, hay un par de puntos clave que deben tenerse en cuenta con los murales. Cada investigación y preparación es clave para un proyecto de mural con éxito.

- 1. Comuníquese con el Departamento de Empoderamiento Comunitario, <u>Semee.Park@lacity.org</u> para obtener asesoramiento si desea trabajar en un proyecto que involucre un mural o proporcionar dinero para un mural.
- 2. El dinero solo se puede gastar en proyectos de murales cuando el mural está inscrito en el Departamento de Asuntos Culturales, incluidos aquellos murales ubicados en propiedades públicas o privadas. Además, los murales ahora se permiten únicamente en propiedades residenciales en los Distritos de Consejo 1, 9, 14, y 15.
- 3. Si el mural está ubicado en una propiedad privada, le sugerimos visitar el sitio web del Departamento de Asuntos Culturales http://culturela.org/murals para obtener la solicitud de inscripción de mural y para consultar una sólida sección de preguntas frecuentes que puede responder cualquiera de las dudas en su Consejo Comunitario.

Los murales ubicados en propiedades municipales deben pasar por un proceso diferente, y deben ser revisados y aprobados por el Comité de Arte Público y la Comisión de Asuntos Culturales. Para obtener más información consulte la aprobación de arte pública del DCA

- 4. El propietario del inmueble deberá firmar la solicitud que certifica su autorización, (se requiere el sello de un notario) y aceptar la responsabilidad de su mantenimiento. Se presenta un pacto de 2 años ante la oficina del Registrador del Condado a fin de garantizar que el mural permanecerá visible durante un mínimo de 2 años. Se aplica un cargo de inscripción de \$60.00 para llevar a cabo la inscripción del mural.
- 5. Se requiere una reunión de participación comunitaria para cada nueva propuesta del mural y esta es una excelente oportunidad para ampliar el alcance de su Consejo Comunitario. Comuníquese con su intercesor del Consejo Comunitario para obtener su colaboración

Enfoque en la difusión: Los Consejos Comunitarios de Los Feliz, Silver Lake, Echo Park, y Atwater Village han unido esfuerzos con otros consejos en Hollywood para formar la Coalición Comunitaria de Ayuda para Personas Sin Hogar - SELAH (Silver Lake, Echo Park, Los Feliz, Atwater Village, Hollywood) y han realizado un excelente trabajo utilizando estrategias de difusión y participación para atender el problema de las personas sin hogar en sus comunidades. Facebook Page

SELAH ha producido dos folletos, <u>uno para propietarios de negocios/residentes</u> que desean saber cómo ayudar a alguien que esté pasando problemas por no tener un hogar y <u>uno para personas</u> que desean saber dónde están disponibles los recursos en nuestra región (comidas gratis, despensas de alimentos, baños públicos, etc.)

Los enlaces del Neighborhood Council Homelessness hablarán sobre estrategias de difusión y oportunidades para conectar a las personas con los servicios y apoyos, para personas sin hogar, en la reunión de Homelessness Alliance el 6 de noviembre de 2017, a las 6:00 pm en el Auditorio Ron Deaton, situado en 100 W. 1st Street, Los Angeles, CA 90012. El estacionamiento está ubicado en el City Hall East y la entrada está ubicada sobre Los Angeles Street entre 1st y Temple. Para reservar su cupo, visite este LINK

Actualizaciones de Política:

El martes 24 de octubre de 2017, el Concejo Municipal aprobó un cambio de ordenanza para la definición de parte interesada del Consejo Comunitario, la cual permitirá a los Comisionados de la Junta Comunitaria a definir en mayor detalle lo que constituye una parte con intereses en la comunidad. Específicamente, se puede influir en los términos "sustancial" y "en curso" cuando se trata de la conexión que tiene una parte con intereses en la comunidad dentro de los límites del Consejo Comunitario. La Comisión probablemente incluirá en agenda este asunto en los próximos meses para comentarios del Consejo Comunitario, así que dedique tiempo para sopesar este importante asunto. La Junta de Comisionados Comunitarios ha creado el grupo de trabajo del Consejo Comunitario para atender y proporcionar recomendaciones a la Comisión sobre Equidad de financiamiento de los Consejos Comunitarios. El equipo de trabajo consistirá en veinticuatro miembros, dos miembros de cada uno de los doce distritos electorales a ser seleccionados por los Comisionados. Haga clic aquí para nominar o para autonominarse. El proceso de solicitud durará hasta mediados de diciembre. La selección del grupo de trabajo de veinticuatro miembros se completará a finales de diciembre. Habrá cuatro reuniones, las fechas y horas se determinarán posteriormente, para comenzar en enero y finalizar en febrero. Estas reuniones cumplirán los requisitos de reuniones de la Ley Brown y serán atendidas por el Departamento.

존경하는 Downtown LA 위원회대표여러분 ,

곧 연휴를 맞이하 여,저희는 몇 가지 프로젝트 에 집중하고 있습니다 .저희의 IT 팀은 인사과와 협조하여 자치의회의원들이 직업 윤리 규정과 자금 등에 대한 교육을 시청 직원들의 온라인 훈련 포탈에서 교육 받는 것을 의무화하는 방향으로 준비하고 있습니다 .자치의회 의원들이 이런 주문형 교육에 대해 접근하는 것 뿐만 아니라 다른 교육들도 받을 수 있도록 하며 자치의회 교육 체계를 계속 세워 나가도록 노력하고 있습니다 . EmpowerLA 직원들이 엘에이 도시 내에서 자치의회 기초 워크숍을 진행하고 있습니다 .만약 귀하의 자치의회 의원들이 저희와 협력하여 발표하는 것을 원한다면 저희에게 알려 주십시오 . 저희는 자치의회의 활동을 지역사회에 전하기를 바라기 때문입니다 . 마지막으로 저희가 여름에 언급하였던 것처럼 일반 시민들이 자치의회 파일에 대해 또는 다른 시의 안건들에 대해 의견을 전하고자 방문하는 시민들을 위한 자치의회 시청 안내 서비스에 대해 작업하고 있습니다 . 만약 어떤 서비스 를 포함 해야 한다는 아이디어가 있으면 로렌조 브리세노에게 Lorenzo.Briceno@lacity.org로 연락하십시오 .

Civic U는 시민성과 지역사회 참여를 강조하고 , 자치의회 리더들에게 시민들이 시 정부를 이해하고 시청의 정책에 영향을 끼쳐야 한다는 것을 이해하기 위한 도구를 제공합니다 . Civic U를 통해 작년에는 100명 이상의 엔젤리노들이 Civic U 1.0을 졸업하였습니다 .

Civic U 2.0은 자신이 택한 그룹 프로젝트에 대해 실용적인 교육을 제공하고 Civic U 1.0과 Civic U 2.0의 상세 내용 교육에서 제공된 정보를 체계화할 것입니다 .

올 해에 저희는 2015년도 또는 2017년도에 $Civic\ U\ 1.0$ 에 참석했던 사람들에게 우선권을 주어 자치의회 의원 각자가 각각 남성과 여성 한 명씩을 선정하여 참여하도록 할 수 있도록 하였습니다 . 그러나 $Civic\ U\ 1.0$ 에 참여하지 않았거나 자리가 있는 경우 귀하도 신청할 수 있습니다 .

자리가 제한되어 있으니 최대한 신속히 등록하십시오 .

"시 정부를 어떻게 움직이는 가를 이해하는 참여의식이 높은 시민들이 없다면 더 나은 로스앤젤레스 시를 세울 수 없습니다 "라도 시장 갈세티는 말합니다."바로 이런 이유로 Civic U가 시민들의 이해력을 강조하는 것입니다.단지 투표소의 투표용지만이 아니고 선출된 공직자들이 귀하의 이익을 대변하는 지를 확실히 하기 위한 것입니다."

강사들은 Pat Brown Institute의 소장이자,로스앤젤레스 정치와 정부에 관하여 3권의 책을 저술한 라파엘 소넨샤인박사의 감독을 받을 것입니다.교수,초대 강사,여러 그룹 진행자들은 Pat Brown Institute, 캘리포니아 LA 주립대학교수,시청의 시장 사무국 및 다른 시청 사무국,비영리 경영 센터 등에서 선택되며 Pat Brown Institute에서 교육받게 됩니다.

2017년 10월 24일 시의회는 자치의회의 이해관계자에 대한 개념을 변경하는 조례를 통과하였습니다. 이를 통해 자치 위원회 이사회가 지역사회의 이해 관계자들을 좀 더 포괄적으로 정의하도록 할 수 있습니다. 구체적으로 지역사회 이해 관계자들이 자치의회의 경계선 안에 가지고 있는 것과 관련하여 "상당한" 이라는 말과 "계속적인"이라는 말에 대해 그 중요성을 측정할 수 있습니다. 위원회는 자치의회의 의견을 위해 향후 몇 달 동안 본 문제를 안건화할 것이므로 중요한 문제를 검토하는 것에 시간을 내주십시오. 자치 위원회 이사회는 자치의회의 자금 형평성에 대해 이사회에 추천사항을 제공하고 이를 다루기 위해 자치의회 실무진들을 만들었습니다. 실무진들은 24명의 위원들로 되어 있으며, 12개의 선거 지역마다 2명의 위원들을 이사회가 선정하도록 되어 있습니다. 자신이나 다른 사람을 후보로 추천하려면 여기를 클릭하십시오. 지원 과정은 12월 중순까지 입니다. 추천이나 24명의 실무진 선정과정은 12월 말에 끝납니다. 4 차례의 회의가 있을 것이며 날짜와 시간은 추후 결정되며 1월에 시작해서 2월에 끝납니다. 이 회의는 브라운 법안의 모임 조건들을 준수할 것이며 부서에서 직원들을 보낼 것입니다.

尊敬的 Downtown LA 協會領導 .

隨著我們進入假日季,我們也將忙於數個項目。我們的 IT 團隊將與人力部門協作,開始將託管的社區理事會培訓例如道德和資助移動至市政府員工線上培訓門戶。社區理事會委員會成員將不僅可以按需求接受這些培訓,而且也可以接受我們將繼續構建的其他社區理事會培訓。EmpowerLA 工作人員正在本市各地開展社區理事會 101 研討會。如果您的社區理事會希望與我們合作進行演示,請告知我們,我們非常樂於與各位合作,以為社區發揮社區理事會的絕佳作用。最後,正如我們夏天時候提到的那樣,我們將合作開展社區理事會市政廳禮賓服務,這一服務的物件是對理事會文檔或其他本市事務提出意見的人。如果您對我們應該包含的服務有任何其他想法,請聯繫 Lorenzo Briceno (Lorenzo Briceno@lacity.org)。

全市運動:

Civic U 強調公民和社區參與,並為社區理事會領導提供了他們所需的工具去瞭解市政廳的城市治理和影響政策。去年, Civic U 有 100 多位洛杉磯人從 Civic U 1.0 畢業。

Civic U. 2.0 提供了以自選團隊專案為中心的實踐性培訓,這一培訓以 Civic U. 1.0 和 2.0 中進一步演示的資訊為基礎。

今年,我們邀請各個社區理事會選取一位男性和一位女性,曾在 2015 或 2017 年參加過 Civic U 1.0 的人員可被優先選中。但是,您如果您未曾參加過 Civic U 1.0 而且仍有空缺,您也可以註冊。

席位有限,因此請儘快註冊!

"只有讓瞭解如何領導城市治理的人充分參與,我們才能構建更好的洛杉磯。"Garcetti 市長說:"這正是 Civic U 強調公民素養的原因:這不僅關乎你在投票箱前進行投票,這也關乎確保你選擇的官員代表你的利益。"

講師們將接受 Pat Brown Institute (PBI) 執行總監 Raphael Sonenshein 博士的指導,他同時也是三本關於洛杉磯政治和治理的書的作者。教學工作人員、演講嘉賓和團隊主持人將從 Pat Brown Institute (PBI)、Cal State LA 工作人員、市長辦公室、其他市政府辦公室、非盈利管理中心抽取,並接受 Pat Brown Institute 的培訓。

您可通過此連結完成註冊:https://www.surveymonkey.com/r/Civic2

註冊最後期限為 2017 年 12 月 15 日週五。

行政更新:

非常感謝完成了其庫存列表的社區理事會。我們這個月將繼續與尚未完成其列表的社區理事會開展工作,以便我們能夠敲定 所有資訊。這些列表非常重要,因為這些庫存是使用公共資金購買的,我們需要時刻掌握最新資訊以確保責任制。為了此庫 存之目的,所有社區理事會必須就其當前持有的物品或其最近購買的滿足下列標準的任何物品進行回饋報告:

- -採購或轉讓價值至少為 \$1,000.00 而且預計使用壽命為三 (3) 年的任何物品。
- -任何電腦硬體,包括臺式或筆記本電腦,無論費用高低。
- -任何數碼攝像機,無論費用高低。
- -任何電氣或電子辦公和通信設備,例如印表機和影印機,無論費用高低。

撥款更新:

從 **2017** 年 **11** 月 **1** 日開始,NC 資金計畫不再接受資金申請表 (FRF) 作為付費申請。所有委員會行動和付費授權必須採用 <u>委員會行動證明書 (BAC)</u> 的形式。BAC 由市書記長在 **2017** 年 **7** 月 **1** 日採納,它是 NC 資金計畫申請和授權的官方表格。 秉承著透明辦公的精神,並作為幫助社區理事會進行相應規劃的方式,我們將提早發佈財政年終止最後期限。**2017-18** 財政

頁次 **|2** 2017年11月1日週三

年的所有活動批准申請必須在 2018 年 5 月 20 日之前提交。請注意,2018 年 6 月 1 日是提交支票付款申請的最後一天(運營、外聯、選舉、NPG、CIP 和委員會成員報銷)。2018 年 6 月 20 日是社區理事會可在其購物卡上進行借記的最後一天。所有信用卡購物必須在 2018 年 6 月 20 日當天或之前進行。為了確保在財政年結束之前使用當前財政年資金,社區理事會應規劃在其 2018 年 4 月和 5 月會議期間就任何財務事務和/或申請進行投票。請訪問我們的網站 clerk.lacity.org,我們很快就會公佈 NC 資金委員會成員培訓視頻。成功完成視頻觀看並在測驗中得到合格分數將滿足非財務委員會成員的培訓要求。我們的網站也提供了資金計畫和資金系統中財務官員即將接受的培訓/教育相關的關鍵日期。我們很樂於就任何資金事務為您提供協助,並已經做好準備回答您的任何問題。您可以撥打電話 (213) 978-1058 或發送電子郵件到Clerk.NCFunding@lacity.org 聯繫我們。

現場更新:

對於社區理事會來說,關於壁畫有很多需要注意的要點。早期研究和準備工作是成功的壁畫專案的關鍵。

- 1. 如果您希望參與涉及壁畫的專案或為壁畫提供資金的專案,請聯繫社區賦權部門 Semee.Park@lacity.org 獲取指導。
- 2. 當壁畫在文化事務部註冊後,資金僅可用於壁畫專案,包括位於公共和私人物業的壁畫。此外,壁畫目前僅在理事會街區 1、9、14 和 15 內的住宅物業中獲得許可。
- 3. 如果壁畫位於私人物業內,請訪問文化事務部網站 http://culturela.org/murals 獲取壁畫註冊申請,並訪問活躍的常見問題版塊,這一板塊將為您的社區理事會回答很多問題。

位於市政府物業內的壁畫必須完成另一流程,由公共藝術委員會和文化事務委員會進行審查並給予批准。如需更多資訊,請參閱 DCA 公共藝術批准

- 4. 物業業主必須簽署申請,證明許可權(需要公證)和接受維護責任。2年公約將提交至郡縣記錄辦公室,確保壁畫留存至少2年。壁畫註冊執行須繳納60美元的註冊費。
- 5. 每份新壁畫提案需要社區參與會議,這是擴展您的社區理事會之外聯的絕佳機會。聯繫您的社區理事會宣導者進行協作

如有問題和/或獲取更多資訊,請訪問 http://culturela.org/murals/ 並聯繫 Semee.Park@lacity.org

外展更新:

外聯焦點:Los Feliz、Silver Lake、 Echo Park 和 Atwater Village 社區理事會已經與好萊塢的多個理事會合作組成了 SELAH(Silver Lake、Echo Park、Los Feliz、Atwater Village、Hollywood)社區無家可歸人員聯盟,他們利用外聯和參與策略完成了極其出色的工作,在其社區中解決無家可歸人員的問題。Facebook Page

SELAH 製作了兩本手冊,其中一本針對的是希望瞭解如何幫助無家可歸人員的企業業主任居民,另一本則針對希望瞭解我們的區域資源(免費餐食、食品儲藏室、公共衛生間等等)可提供之地點的人。

社區理事會無家可歸人員聯盟將在 2017 年 11 月 6 日下午 6:00 舉行的無家可歸人員聯盟會議上討論為無家可歸人員聯繫服務和支援的外聯策略和機會,該會議將在 Ron Deaton 禮堂舉行,地址為 100 W. 1st Street, Los Angeles, CA 90012。停車場位於東市政廳,入口位於 Los Angeles 街 1 號和廟宇之間。如需 RSVP,請訪問此LINK

政策更新:

頁次 **|3** 2017年11月1日週三

2017 年 10 月 24 日週二,市議會批准了社區理事會利益相關者定義的條例變動,該變動令社區委員會委員可以進一步定義社區利益相關者。具體來說,他們可以在涉及利益相關者在社區理事會範圍內擁有之聯繫時參與使用詞彙"實質的"以及"持續的"。委員會可能在未來數月的社區理事會意見輸入中執行這一事務,因此請利用這段時間參與這一重要事務。社區委員會委員創建了社區理事會工作組用於解決並向委員會提供關於社區理事會資金股權的建議。工作組將包括二十四個成員,由委員從 12 個選舉區域各選舉兩名成員。點擊此處進行提名或自我提名。申請流程將持續至 12 月中旬。工作組 24 個成員的選舉將在 12 月底完成。將舉行四次會議,日期和時間待定,這四次會議將從 1 月開始,2 月結束。這些會議將遵守布朗法會議要求,並由部門安排人員配備。

下面是登記為您的鄰里議會提交社區影響報告書的人的名單。 請給 Lorenzo發送電子郵件 <u>lorenzo.briceno@lacity.org</u>更新此名單

您瞭解嗎?

公共工程委員會希望修改其委員會規則,尤其是公共評論相關的部分。總體而言,第 5、13 和 14 條經提案要求修訂。在其 9 月舉行的第 20 次委員會會議上,委員會要求應從社區理事會 (NC) 獲取公共意見從而瞭解他們關於事務的想法。委員會議程依然為社區理事會提供了社區影響聲明的額外時間以便發言。這些更改將適用於希望在一般公共評論期限內或特別針對我們議程中的某一項發表評論的個人。評論可發送給洛杉磯市公共工程委員會執行官 Fernando Campos 博士,位址為 200 N Spring Street, Rm 361 (MS 465) Los Angeles, CA 90012,或通過電子郵件發送至 Fernando.Campos@lacity.org。

Dear Downtown LA Council leaders,

As we move into the holiday season, we'll be busy working on several projects. Our IT Team will be collaborating with the Personnel Department to start moving mandated Neighborhood Council trainings, such as ethics and funding, onto the City employee online training portal. Neighborhood Council board members will have access not only to these trainings on demand, but others as well as we continue to build out the Neighborhood Council trainings. EmpowerLA staffers are conducting Neighborhood Council 101 workshops around the City. If your Neighborhood Council would like to partner with us in presenting, please let us know because we would love to work with you getting the great work of the Neighborhood Councils out to the community. Lastly, as we mentioned over the summer, we are putting together a Neighborhood Council City Hall Concierge service for those who are coming to provide comment on Council Files or other City matters. If you have any other ideas on what services should be included, please contact Lorenzo Briceno at Lorenzo.Briceno@lacity.org.

Citywide Campaign:

Civic U emphasizes civic and community engagement and gives Neighborhood Council leaders the tools they need to understand city government and influence policy at City Hall. Last year, the Civic U graduated more than 100 Angelenos in Civic U 1.0.

Civic U. 2.0 provides practical training around self-selected group projects, building on the information provided both in Civic U. 1.0 and in further presentations in 2.0.

This year, we invite each Neighborhood Council to select one male and one female to attend with first priority given to those who have attended Civic U 1.0 in either 2015 or 2017. However, you can sign up if you did not take Civic U 1.0 and if there is space available.

Space is limited, so please register as soon as possible!

"We cannot build a better Los Angeles without an engaged population that knows how to navigate city government," said Mayor Garcetti. "That's why the Civic U emphasizes civic literacy: it's not just about your vote at the ballot box, it's about making sure your elected officials are representing your interests."

Instructors will be under the supervision of Dr. Raphael Sonenshein, Executive Director of the Pat Brown Institute (PBI), and author of three books on Los Angeles politics and government. Teaching staff, guest speakers, and group facilitators will be drawn from the Pat Brown Institute (PBI), Cal State LA Faculty, the Mayor's Office, other city offices, the Center for Nonprofit Management, and trained by the Pat Brown Institute.

You can register at this link: https://www.surveymonkey.com/r/Civic2

The last day to register will be Friday, December 15, 2017.

Administrative Update:

Many thanks to the Neighborhood Councils that have completed their inventory lists. We will be following up this month with those Neighborhood Council that have not completed their lists so we can finalize the information. These lists are important because such inventory is purchased with public funds, and we need to maintain updated information for accountability. For the purposes of this inventory, all Neighborhood Councils are being asked to report back on items that are currently in their possession and any items that were recently purchased which meet the following criteria:

-Any item with an acquisition or assigned value of at least \$1,000.00 and an estimated useful life of three (3) years.

-Any computer hardware, including desktop or laptop computer(s), regardless of cost.

Page | 2 Wednesday, November 1, 2017

- -Any digital cameras, regardless of cost.
- -Any electric or electronic office and communications equipment, such as printers and copy machines, regardless of cost.

Funding Updates:

Starting **November 1, 2017**, the NC Funding Program will no longer accept the Funding Request Form (FRF) as a request for payment. All board action and payment authorizations must be on a <u>Board Action Certification</u> (BAC). The BAC was adopted by the Office of the City Clerk on July 1, 2017; it is the official form for NC Funding Program requests and authorizations. In the spirit of transparency, and as a way to help the Neighborhood Councils plan accordingly, we are issuing fiscal year end deadlines early. All event approval requests for fiscal year 2017-18 must be submitted by **May 20**, **2018**. Please note that **June 1, 2018** is the last day to submit a check payment request (Operations, Outreach, Election, NPGs, CIPs, and Board Member Reimbursements). **June 20, 2018** is the last day a Neighborhood Council will have access to credit on their purchasing card. All credit card purchases must be made on or before June 20, 2018. In order to ensure use of current fiscal year funds before the close of the fiscal year, a Neighborhood Council should plan on voting on any financial matters and/or requests during their April and May 2018 meetings. Please visit our website clerk.lacity.org, as we will be releasing the NC Funding Board Member Training Video shortly. Successful completion of the video and a passing score on the quiz will satisfy the training requirement for the non-financial board members. Our website also offers key dates related to upcoming training/education for financial officers on the Funding Program and Funding System. We are happy to assist you with any funding matters and are ready to answer any questions you may have. You may reach us at (213) 978-1058 or via e-mail at Clerk.NCFunding@lacity.org.

Field Updates:

This month, we're excited to share with our Neighborhood Councils, how to create a public mural through the City's Citywide Mural Program. Visit the Department of Cultural Affairs website http://culturela.org/murals for the mural-registration and for a robust Frequently Asked Question section that can answer many of the questions for your Neighborhood Council.

For Neighborhood Councils, there are a couple of key points to be mindful of with murals. Early research and preparation is key to a successful mural project.

- 1. Please contact the Department of Neighborhood Empowerment's, <u>Semee.Park@lacity.org</u> for guidance if you would like to work on a project involving a mural or providing money for a mural.
- 2. Money may only be expended toward mural projects when the mural is registered with the Department of Cultural Affairs, including murals located on public or private property. In addition, murals are currently only allowed on residential property in Council Districts, 1, 9, 14, and 15.
- 3. If the mural is located on private property, please visit the Department of Cultural Affairs website http://culturela.org/murals for the mural registration application and for a robust Frequently Asked Question section that can answer many of the questions for your Neighborhood Council.

Murals located on City property must go through a different process, reviewed and approved by the Public Art Committee and Cultural Affairs Commission. For more information, see DCA Public Art Approval

- 4. The property owner must sign the application certifying permission (notary is required) and accepting maintenance responsibility. A 2-year covenant is filed with the County Recorder's Office to ensure that the mural remain for a minimum of 2 years. There is a registration fee of \$60.00 for mural registration implementation.
- 5. There is a required neighborhood involvement meeting for each new mural proposal and is a great opportunity to expand your Neighborhood Council's Outreach. Reach out to your Neighborhood Council Advocate to collaborate!

For questions and/or more information, visit http://culturela.org/murals/ and reach out to: Semee.Park@lacity.org

Outreach Updates:

Spotlight on Outreach: The Los Feliz, Silver Lake, Echo Park, and Atwater Village Neighborhood Councils have joined forces along with councils in Hollywood to form SELAH (Silver Lake, Echo Park, Los Feliz, Atwater Village, Hollywood) Neighborhood Homeless Coalition and they have done great using outreach and engagement strategies to address the issue of homelessness in their neighborhoods. <u>Facebook Page</u>

SELAH has produced two brochures, <u>one for business owners/residents</u> who want to know how to help someone experiencing homeless and <u>one for people</u> who want to know where our area resources (free meals, food pantries, public restrooms, etc) are available.

The Neighborhood Council Homelessness Liaisons will be talking about outreach strategies and opportunities to connect people with services and support for the homeless at the November 6, 2017 Homelessness Alliance Meeting at 6:00 pm at Ron Deaton Auditorium which is located at 100 W. 1st Street, Los Agneles, CA 90012. Parking is located at City Hall East and the entrance is on Los Angeles Street between 1st and Temple. To RSVP, go to this LINK

Policy Updates:

On Tuesday, October 24, 2017, City Council approved an ordinance change to the Neighborhood Council stakeholder definition, which will allow the Board of Neighborhood Commissioners to further define the Community Interest Stakeholder. Specifically, they can weigh in on the terms "substantial" and "ongoing" when it comes to the connection a Community Interest Stakeholder has within a Neighborhood Council boundaries. The Commission will likely be agenizing this matter in the next few months for Neighborhood Council input so please take the time to weigh in on this important matter. The Board of Neighborhood Commissioners has created a Neighborhood Council working group to address and provide recommendations to the Commission on Neighborhood Council Funding Equity. The working group will consist of twenty-four members, two members from each of the twelve electoral regions to be selected by the Commissioners. Click here to nominate or self-nominate. The application process will be through mid-December. The selection of the twenty-four-member working group will be completed by end of December. There will be four meetings, dates and times to be determined, and will start in January and end in February. These meetings will conform to the Brown Act meeting requirements and will be staffed by the Department.

The Board of Public Works would like to modify its <u>Board Rules</u>, specifically those sections that related to public comments. In total, Rule 5, 13 and 14 are being proposed for amendment. At its September 20th board meeting, the Board requested that public input be sought from Neighborhood Councils (NC) to gain their thoughts on the matter. The Board's agenda still allow for Neighborhood Councils with Community Impact Statements extra time to speak. These changes would apply to individuals that wanted to comment during general public comment period or specifically to an

item on our agenda. Comments can be sent to Dr. Fernando Campos, Executive Officer, Board of Public Works, City of Los Angeles, 200 N Spring Street, Rm 361 (MS 465) Los Angeles, CA 90012 or via email to Fernando.Campos@lacity.org.

Comentarios de Apertura

Estimados Downtown LA Líderes del Concejo,

A medida que avanzamos hacia la temporada de fiestas de fin de año, estaremos ocupados trabajando en varios proyectos. Nuestro equipo de TI estará colaborando con el Departamento de Personal para comenzar a impulsar las capacitaciones estipuladas por el Consejo Comunitario, en temas tales como ética y financiamiento, en el portal de formación en línea de los empleados municipales. Los directivos del Consejo Comunitario tendrán acceso a estas capacitaciones a solicitud, y a otros temas; en la medida en que continuamos desarrollando capacitaciones de Consejos Comunitarios. El personal de EmpowerLA está realizando los talleres *Neighborhood Council 101* en toda la ciudad. Si su Consejo Comunitario quisiera asociarse con nosotros en la presentación, háganoslo saber porque nos gustaría trabajar con usted para hacer llegar el excelente trabajo de los Consejos Comunitarios hasta la comunidad misma. Finalmente, y tal como lo indicamos en el verano, estamos organizando un servicio de Conserje del Consejo Comunitario en el Ayuntamiento para aquellos que vienen a ofrecer sus comentarios sobre los archivos del consejo u otros asuntos municipales. Si usted tiene alguna otra idea sobre los servicios que deberían incluirse, comuníquese con Lorenzo Briceno en Lorenzo.Briceno@lacity.org.

Campaña a Través de la Ciudad:

La Civic U destaca la participación cívica y comunitaria y brinda a los líderes del Consejo Comunitario las herramientas que necesitan para entender sobre gobiernos municipales y sobre políticas de influencia en el Ayuntamiento. El año pasado, la Civic U graduó a más de 100 angelinos en Civic U 1.0.

Civic U. 2.0 ofrece capacitación práctica respecto de proyectos de grupo autoseleccionados, con base en la información provista en Civic U. 1.0 y en presentaciones adicionales en 2.0.

Este año, invitamos a todos los Consejos Comunitarios a seleccionar un hombre y una mujer para que asistan, dándole prioridad a aquellos que ya han asistido a Civic U 1.0, en 2015 o en 2017. Sin embargo, usted puede inscribirse si no participó en Civic U 1.0 y si hay cupo disponible.

El cupo es limitado, por lo que le sugerimos inscribirse lo más pronto posible.

"No podemos construir un mejor Los Ángeles sin una población comprometida que sabe cómo navegar en el gobierno municipal", dijo el alcalde Garcetti. "Es por ese motivo que Civic U hace énfasis en la alfabetización cívica: no se trata solo acerca de depositar su voto en las urnas, se trata de garantizar que sus funcionarios electos representen sus intereses".

Los instructores estarán bajo la supervisión del Dr. Raphael Sonenshein, Director Ejecutivo del Pat Brown Institute (PBI), y autor de tres libros sobre política y gobierno de Los Ángeles. El personal docente, los oradores invitados, y los facilitadores de grupo se seleccionarán en el Pat Brown Institute (PBI), entre los maestros de Cal State LA, de la oficina del alcalde, de otras municipalidades, del Centro para Gestión sin Fines de Lucro y serán capacitados en el Pat Brown Institute.

Use este enlace para inscribirse: https://www.surveymonkey.com/r/Civic2

El último día para inscribirse será el viernes 15 de diciembre de 2017.

Actualización Administrativa:

Muchas gracias a los Consejos Comunitarios que ya han terminado sus listas de inventarios. Daremos seguimiento este mes a aquellos Consejos Comunitarios que no han terminado sus listados a fin de que podamos finalizar la información. Estos listados son importantes porque dicho inventario se compra con fondos públicos, y necesitamos mantener

información actualizada para fines de rendición de cuentas. Para los fines de este inventario, a todos los Consejos Comunitarios se les ha solicitado que informen sobre artículos que están actualmente en su posesión y sobre cualesquier artículos que hayan sido comprados recientemente que cumplan los criterios siguientes:

- -Cualquier artículo con un valor de adquisición, o asignado, de por lo menos \$1,000.00 y una vida útil estimada de tres (3) años.
- -Cualquier equipo de computación, sean computadoras de escritorio o portátiles, sin importar el costo.
- -Cualesquier cámaras digitales, sin importar el costo.
- -Cualquier equipo de comunicaciones y oficina, ya sea eléctrico o electrónico, tales como impresoras, copiadoras, sin importar el costo.

Actualizaciones de Financiación:

A partir del 1 de noviembre de 2017 el Programa de Financiamiento de Consejos Comunitarios ya no aceptará el Formulario de Solicitud de Financiamiento (FRF) como una solicitud de pago. Toda acción de la junta y las autorizaciones de pago deberán hacerse en un Certificado de Acción de Junta (BAC). El BAC fue aprobado por la oficina del Secretario Municipal el pasado 1 de julio de 2017; es el formulario oficial para las solicitudes y autorizaciones de programas de financiamiento de los Consejos Comunitarios. En el espíritu de la transparencia, y como una manera de ayudar consecuentemente al plan de los Consejos Comunitarios, estamos emitiendo de manera temprana las fechas límites de cierre del año fiscal. Todas las solicitudes de aprobación de eventos para el año fiscal 2017-18 deberán presentarse antes del 20 de mayo de 2018. Tenga presente que el 1 de junio de 2018 será el último día para presentar una solicitud de pago por cheque (operaciones, difusión, elección, NPG, CIP y reembolsos para miembros de la junta directiva). El 20 de junio de 2018 es el último día en el que el Consejo Comunitario tendrá acceso a créditos con su tarjeta para compras. Todas las compras con tarjeta de crédito deberán realizarse a más tardar el 20 de junio de 2018. A fin de garantizar el uso de los fondos del año fiscal en curso antes del cierre del año fiscal, el Consejo Comunitario deberá planificar una votación sobre asuntos financieros y/o solicitudes en sus reuniones de abril y mayo de 2018. Le sugerimos visitar nuestro sitio web clerk.lacity.org ya que estaremos publicando próximamente un vídeo de Capacitación para Directivos de Financiamiento de los Consejos Comunitarios. La finalización con éxito del vídeo y una puntuación mínima en el examen de evaluación satisfará los requisitos de capacitación para los directivos no financieros. Nuestro sitio web también ofrece fechas clave relacionadas con la próxima capacitación/formación de funcionarios financieros en el Programa de financiamiento y en el Sistema de financiamiento. Nos complace poder ayudarle con cualquier tema de financiamiento, y estamos listos para contestar cualquier pregunta que usted pueda tener. Actualizaciones de Campo:

Este mes nos complace compartir con nuestros Consejos Comunitarios, el tema de cómo crear un mural público a través del Programa de murales en toda la ciudad, de la municipalidad. Visite el sitio web del Departamento de Asuntos Culturales http://culturela.org/murals para obtener la solicitud de inscripción de mural y para consultar una sección sólida de preguntas frecuentes que puede responder muchas de las dudas en su Consejo Comunitario.

Para los Consejos Comunitarios, hay un par de puntos clave que deben tenerse en cuenta con los murales. Cada investigación y preparación es clave para un proyecto de mural con éxito.

- 1. Comuníquese con el Departamento de Empoderamiento Comunitario, <u>Semee.Park@lacity.org</u> para obtener asesoramiento si desea trabajar en un proyecto que involucre un mural o proporcionar dinero para un mural.
- 2. El dinero solo se puede gastar en proyectos de murales cuando el mural está inscrito en el Departamento de Asuntos Culturales, incluidos aquellos murales ubicados en propiedades públicas o privadas. Además, los murales ahora se permiten únicamente en propiedades residenciales en los Distritos de Consejo 1, 9, 14, y 15.
- 3. Si el mural está ubicado en una propiedad privada, le sugerimos visitar el sitio web del Departamento de Asuntos Culturales http://culturela.org/murals para obtener la solicitud de inscripción de mural y para consultar una sólida sección de preguntas frecuentes que puede responder cualquiera de las dudas en su Consejo Comunitario.

Los murales ubicados en propiedades municipales deben pasar por un proceso diferente, y deben ser revisados y aprobados por el Comité de Arte Público y la Comisión de Asuntos Culturales. Para obtener más información consulte la aprobación de arte pública del DCA

- 4. El propietario del inmueble deberá firmar la solicitud que certifica su autorización, (se requiere el sello de un notario) y aceptar la responsabilidad de su mantenimiento. Se presenta un pacto de 2 años ante la oficina del Registrador del Condado a fin de garantizar que el mural permanecerá visible durante un mínimo de 2 años. Se aplica un cargo de inscripción de \$60.00 para llevar a cabo la inscripción del mural.
- 5. Se requiere una reunión de participación comunitaria para cada nueva propuesta del mural y esta es una excelente oportunidad para ampliar el alcance de su Consejo Comunitario. Comuníquese con su intercesor del Consejo Comunitario para obtener su colaboración

Si tiene preguntas y/o necesita más información, visite http://culturela.org/murals/ y comuníquese con: Semee.Park@lacity.org

Enfoque en la difusión: Los Consejos Comunitarios de Los Feliz, Silver Lake, Echo Park, y Atwater Village han unido esfuerzos con otros consejos en Hollywood para formar la Coalición Comunitaria de Ayuda para Personas Sin Hogar - SELAH (Silver Lake, Echo Park, Los Feliz, Atwater Village, Hollywood) y han realizado un excelente trabajo utilizando estrategias de difusión y participación para atender el problema de las personas sin hogar en sus comunidades. Facebook Page

SELAH ha producido dos folletos, <u>uno para propietarios de negocios/residentes</u> que desean saber cómo ayudar a alguien que esté pasando problemas por no tener un hogar y <u>uno para personas</u> que desean saber dónde están disponibles los recursos en nuestra región (comidas gratis, despensas de alimentos, baños públicos, etc.)

Los enlaces del Neighborhood Council Homelessness hablarán sobre estrategias de difusión y oportunidades para conectar a las personas con los servicios y apoyos, para personas sin hogar, en la reunión de Homelessness Alliance el 6 de noviembre de 2017, a las 6:00 pm en el Auditorio Ron Deaton, situado en 100 W. 1st Street, Los Angeles, CA 90012. El estacionamiento está ubicado en el City Hall East y la entrada está ubicada sobre Los Angeles Street entre 1st y Temple. Para reservar su cupo, visite este LINK

Actualizaciones de Política:

El martes 24 de octubre de 2017, el Concejo Municipal aprobó un cambio de ordenanza para la definición de parte interesada del Consejo Comunitario, la cual permitirá a los Comisionados de la Junta Comunitaria a definir en mayor detalle lo que constituye una parte con intereses en la comunidad. Específicamente, se puede influir en los términos "sustancial" y "en curso" cuando se trata de la conexión que tiene una parte con intereses en la comunidad dentro de los límites del Consejo Comunitario. La Comisión probablemente incluirá en agenda este asunto en los próximos meses para comentarios del Consejo Comunitario, así que dedique tiempo para sopesar este importante asunto. La Junta de Comisionados Comunitarios ha creado el grupo de trabajo del Consejo Comunitario para atender y proporcionar recomendaciones a la Comisión sobre Equidad de financiamiento de los Consejos Comunitarios. El equipo de trabajo consistirá en veinticuatro miembros, dos miembros de cada uno de los doce distritos electorales a ser seleccionados por los Comisionados. Haga clic aquí para nominar o para autonominarse. El proceso de solicitud durará hasta mediados de diciembre. La selección del grupo de trabajo de veinticuatro miembros se completará a finales de diciembre. Habrá cuatro reuniones, las fechas y horas se determinarán posteriormente, para comenzar en enero y finalizar en febrero. Estas reuniones cumplirán los requisitos de reuniones de la Ley Brown y serán atendidas por el Departamento.

존경하는 Downtown LA 위원회대표여러분 ,

곧 연휴를 맞이하 여, 저희는 몇 가지 프로젝트 에 집중하고 있습니다 . 저희의 IT 팀은 인사과와 협조하여 자치의회의원들이 직업 윤리 규정과 자금 등에 대한 교육을 시청 직원들의 온라인 훈련 포탈에서 교육 받는 것을 의무화하는 방향으로 준비하고 있습니다 . 자치의회 의원들이 이런 주문형 교육에 대해 접근하는 것 뿐만 아니라 다른 교육들도 받을 수 있도록 하며 자치의회 교육 체계를 계속 세워 나가도록 노력하고 있습니다 . EmpowerLA 직원들이 엘에이 도시 내에서 자치의회 기초 워크숍을 진행하고 있습니다 . 만약 귀하의 자치의회 의원들이 저희와 협력하여 발표하는 것을 원한다면 저희에게 알려 주십시오 . 저희는 자치의회의 활동을 지역사회에 전하기를 바라기 때문입니다 . 마지막으로 저희가 여름에 언급하였던 것처럼 일반 시민들이 자치의회 파일에 대해 또는 다른 시의 안건들에 대해 의견을 전하고자 방문하는 시민들을 위한 자치의회 시청 안내 서비스에 대해 작업하고 있습니다 . 만약 어떤 서비스 를 포함 해야 한다는 아이디어가 있으면 로렌조 브리세노에게 Lorenzo.Briceno@lacity.org로 연락하십시오 .

Civic U는 시민성과 지역사회 참여를 강조하고 , 자치의회 리더들에게 시민들이 시 정부를 이해하고 시청의 정책에 영향을 끼쳐야 한다는 것을 이해하기 위한 도구를 제공합니다 . Civic U를 통해 작년에는 100명 이상의 엔젤리노들이 Civic U 1.0을 졸업하였습니다 .

Civic U 2.0은 자신이 택한 그룹 프로젝트에 대해 실용적인 교육을 제공하고 Civic U 1.0과 Civic U 2.0의 상세 내용 교육에서 제공된 정보를 체계화할 것입니다 .

올 해에 저희는 2015년도 또는 2017년도에 $Civic\ U\ 1.0$ 에 참석했던 사람들에게 우선권을 주어 자치의회 의원 각자가 각각 남성과 여성 한 명씩을 선정하여 참여하도록 할 수 있도록 하였습니다 . 그러나 $Civic\ U\ 1.0$ 에 참여하지 않았거나 자리가 있는 경우 귀하도 신청할 수 있습니다 .

자리가 제한되어 있으니 최대한 신속히 등록하십시오 .

"시 정부를 어떻게 움직이는 가를 이해하는 참여의식이 높은 시민들이 없다면 더 나은 로스앤젤레스 시를 세울 수 없습니다 "라도 시장 갈세티는 말합니다."바로 이런 이유로 Civic U가 시민들의 이해력을 강조하는 것입니다.단지 투표소의 투표용지만이 아니고 선출된 공직자들이 귀하의 이익을 대변하는 지를 확실히 하기 위한 것입니다."

강사들은 Pat Brown Institute의 소장이자,로스앤젤레스 정치와 정부에 관하여 3권의 책을 저술한 라파엘 소넨샤인박사의 감독을 받을 것입니다.교수,초대 강사,여러 그룹 진행자들은 Pat Brown Institute, 캘리포니아 LA 주립대학교수,시청의 시장 사무국 및 다른 시청 사무국,비영리 경영 센터 등에서 선택되며 Pat Brown Institute에서 교육받게 됩니다.

정책업데이트사항.

2017년 10월 24일 시의회는 자치의회의 이해관계자에 대한 개념을 변경하는 조례를 통과하였습니다. 이를 통해 자치 위원회 이사회가 지역사회의 이해 관계자들을 좀 더 포괄적으로 정의하도록 할 수 있습니다. 구체적으로 지역사회 이해 관계자들이 자치의회의 경계선 안에 가지고 있는 것과 관련하여 "상당한" 이라는 말과 "계속적인"이라는 말에 대해 그 중요성을 측정할 수 있습니다. 위원회는 자치의회의 의견을 위해 향후 몇 달 동안 본 문제를 안건화할 것이므로 중요한 문제를 검토하는 것에 시간을 내주십시오. 자치 위원회 이사회는 자치의회의 자금 형평성에 대해 이사회에 추천사항을 제공하고 이를 다루기 위해 자치의회 실무진들을 만들었습니다. 실무진들은 24명의 위원들로 되어 있으며, 12개의 선거 지역마다 2명의 위원들을 이사회가 선정하도록 되어 있습니다. 자신이나 다른 사람을 후보로 추천하려면 여기를 클릭하십시오. 지원 과정은 12월 중순까지 입니다. 추천이나 24명의 실무진 선정과정은 12월 말에 끝납니다. 4 차례의 회의가 있을 것이며 날짜와 시간은 추후 결정되며 1월에 시작해서 2월에 끝납니다. 이 회의는 브라운 법안의 모임 조건들을 준수할 것이며 부서에서 직원들을 보낼 것입니다.

尊敬的 Downtown LA 協會領導 .

隨著我們進入假日季,我們也將忙於數個項目。我們的 IT 團隊將與人力部門協作,開始將託管的社區理事會培訓例如道德和資助移動至市政府員工線上培訓門戶。社區理事會委員會成員將不僅可以按需求接受這些培訓,而且也可以接受我們將繼續構建的其他社區理事會培訓。EmpowerLA 工作人員正在本市各地開展社區理事會 101 研討會。如果您的社區理事會希望與我們合作進行演示,請告知我們,我們非常樂於與各位合作,以為社區發揮社區理事會的絕佳作用。最後,正如我們夏天時候提到的那樣,我們將合作開展社區理事會市政廳禮賓服務,這一服務的物件是對理事會文檔或其他本市事務提出意見的人。如果您對我們應該包含的服務有任何其他想法,請聯繫 Lorenzo Briceno (Lorenzo Briceno@lacity.org)。

全市運動:

Civic U 強調公民和社區參與,並為社區理事會領導提供了他們所需的工具去瞭解市政廳的城市治理和影響政策。去年, Civic U 有 100 多位洛杉磯人從 Civic U 1.0 畢業。

Civic U. 2.0 提供了以自選團隊專案為中心的實踐性培訓,這一培訓以 Civic U. 1.0 和 2.0 中進一步演示的資訊為基礎。

今年,我們邀請各個社區理事會選取一位男性和一位女性,曾在 2015 或 2017 年參加過 Civic U 1.0 的人員可被優先選中。但是,您如果您未曾參加過 Civic U 1.0 而且仍有空缺,您也可以註冊。

席位有限,因此請儘快註冊!

"只有讓瞭解如何領導城市治理的人充分參與,我們才能構建更好的洛杉磯。"Garcetti 市長說:"這正是 Civic U 強調公民素養的原因:這不僅關乎你在投票箱前進行投票,這也關乎確保你選擇的官員代表你的利益。"

講師們將接受 Pat Brown Institute (PBI) 執行總監 Raphael Sonenshein 博士的指導,他同時也是三本關於洛杉磯政治和治理的書的作者。教學工作人員、演講嘉賓和團隊主持人將從 Pat Brown Institute (PBI)、Cal State LA 工作人員、市長辦公室、其他市政府辦公室、非盈利管理中心抽取,並接受 Pat Brown Institute 的培訓。

您可通過此連結完成註冊:https://www.surveymonkey.com/r/Civic2

註冊最後期限為 2017 年 12 月 15 日週五。

行政更新:

非常感謝完成了其庫存列表的社區理事會。我們這個月將繼續與尚未完成其列表的社區理事會開展工作,以便我們能夠敲定 所有資訊。這些列表非常重要,因為這些庫存是使用公共資金購買的,我們需要時刻掌握最新資訊以確保責任制。為了此庫 存之目的,所有社區理事會必須就其當前持有的物品或其最近購買的滿足下列標準的任何物品進行回饋報告:

- -採購或轉讓價值至少為 \$1,000.00 而且預計使用壽命為三 (3) 年的任何物品。
- -任何電腦硬體,包括臺式或筆記本電腦,無論費用高低。
- -任何數碼攝像機,無論費用高低。
- -任何電氣或電子辦公和通信設備,例如印表機和影印機,無論費用高低。

撥款更新:

從 **2017** 年 **11** 月 **1** 日開始,NC 資金計畫不再接受資金申請表 (FRF) 作為付費申請。所有委員會行動和付費授權必須採用 <u>委員會行動證明書 (BAC)</u> 的形式。BAC 由市書記長在 **2017** 年 **7** 月 **1** 日採納,它是 NC 資金計畫申請和授權的官方表格。 秉承著透明辦公的精神,並作為幫助社區理事會進行相應規劃的方式,我們將提早發佈財政年終止最後期限。**2017-18** 財政

頁次 **|2** 2017年11月1日週三

年的所有活動批准申請必須在 2018 年 5 月 20 日之前提交。請注意,2018 年 6 月 1 日是提交支票付款申請的最後一天(運營、外聯、選舉、NPG、CIP 和委員會成員報銷)。2018 年 6 月 20 日是社區理事會可在其購物卡上進行借記的最後一天。所有信用卡購物必須在 2018 年 6 月 20 日當天或之前進行。為了確保在財政年結束之前使用當前財政年資金,社區理事會應規劃在其 2018 年 4 月和 5 月會議期間就任何財務事務和/或申請進行投票。請訪問我們的網站 clerk.lacity.org,我們很快就會公佈 NC 資金委員會成員培訓視頻。成功完成視頻觀看並在測驗中得到合格分數將滿足非財務委員會成員的培訓要求。我們的網站也提供了資金計畫和資金系統中財務官員即將接受的培訓/教育相關的關鍵日期。我們很樂於就任何資金事務為您提供協助,並已經做好準備回答您的任何問題。您可以撥打電話 (213) 978-1058 或發送電子郵件到Clerk.NCFunding@lacity.org 聯繫我們。

現場更新:

對於社區理事會來說,關於壁畫有很多需要注意的要點。早期研究和準備工作是成功的壁畫專案的關鍵。

- 1. 如果您希望參與涉及壁畫的專案或為壁畫提供資金的專案,請聯繫社區賦權部門 Semee.Park@lacity.org 獲取指導。
- 2. 當壁畫在文化事務部註冊後,資金僅可用於壁畫專案,包括位於公共和私人物業的壁畫。此外,壁畫目前僅在理事會街區 1、9、14 和 15 內的住宅物業中獲得許可。
- 3. 如果壁畫位於私人物業內,請訪問文化事務部網站 http://culturela.org/murals 獲取壁畫註冊申請,並訪問活躍的常見問題版塊,這一板塊將為您的社區理事會回答很多問題。

位於市政府物業內的壁畫必須完成另一流程,由公共藝術委員會和文化事務委員會進行審查並給予批准。如需更多資訊,請參閱 DCA 公共藝術批准

- 4. 物業業主必須簽署申請,證明許可權(需要公證)和接受維護責任。2年公約將提交至郡縣記錄辦公室,確保壁畫留存至少2年。壁畫註冊執行須繳納60美元的註冊費。
- 5. 每份新壁畫提案需要社區參與會議,這是擴展您的社區理事會之外聯的絕佳機會。聯繫您的社區理事會宣導者進行協作

如有問題和/或獲取更多資訊,請訪問 http://culturela.org/murals/ 並聯繫 Semee.Park@lacity.org

外展更新:

外聯焦點:Los Feliz、Silver Lake、 Echo Park 和 Atwater Village 社區理事會已經與好萊塢的多個理事會合作組成了 SELAH(Silver Lake、Echo Park、Los Feliz、Atwater Village、Hollywood)社區無家可歸人員聯盟,他們利用外聯和參與策略完成了極其出色的工作,在其社區中解決無家可歸人員的問題。Facebook Page

SELAH 製作了兩本手冊,其中一本針對的是希望瞭解如何幫助無家可歸人員的企業業主任居民,另一本則針對希望瞭解我們的區域資源(免費餐食、食品儲藏室、公共衛生間等等)可提供之地點的人。

社區理事會無家可歸人員聯盟將在 2017 年 11 月 6 日下午 6:00 舉行的無家可歸人員聯盟會議上討論為無家可歸人員聯繫服務和支援的外聯策略和機會,該會議將在 Ron Deaton 禮堂舉行,地址為 100 W. 1st Street, Los Angeles, CA 90012。停車場位於東市政廳,入口位於 Los Angeles 街 1 號和廟宇之間。如需 RSVP,請訪問此LINK

政策更新:

頁次 **|3** 2017年11月1日週三

2017 年 10 月 24 日週二,市議會批准了社區理事會利益相關者定義的條例變動,該變動令社區委員會委員可以進一步定義社區利益相關者。具體來說,他們可以在涉及利益相關者在社區理事會範圍內擁有之聯繫時參與使用詞彙"實質的"以及"持續的"。委員會可能在未來數月的社區理事會意見輸入中執行這一事務,因此請利用這段時間參與這一重要事務。社區委員會委員創建了社區理事會工作組用於解決並向委員會提供關於社區理事會資金股權的建議。工作組將包括二十四個成員,由委員從 12 個選舉區域各選舉兩名成員。點擊此處進行提名或自我提名。申請流程將持續至 12 月中旬。工作組 24 個成員的選舉將在 12 月底完成。將舉行四次會議,日期和時間待定,這四次會議將從 1 月開始,2 月結束。這些會議將遵守布朗法會議要求,並由部門安排人員配備。

下面是登記為您的鄰里議會提交社區影響報告書的人的名單。 請給 Lorenzo發送電子郵件 <u>lorenzo.briceno@lacity.org</u>更新此名單

您瞭解嗎?

公共工程委員會希望修改其委員會規則,尤其是公共評論相關的部分。總體而言,第 5、13 和 14 條經提案要求修訂。在其 9 月舉行的第 20 次委員會會議上,委員會要求應從社區理事會 (NC) 獲取公共意見從而瞭解他們關於事務的想法。委員會議程依然為社區理事會提供了社區影響聲明的額外時間以便發言。這些更改將適用於希望在一般公共評論期限內或特別針對我們議程中的某一項發表評論的個人。評論可發送給洛杉磯市公共工程委員會執行官 Fernando Campos 博士,位址為 200 N Spring Street, Rm 361 (MS 465) Los Angeles, CA 90012,或通過電子郵件發送至 Fernando.Campos@lacity.org。

Reason for Challenge

Electioneering by candidates

Please state the facts for your challenge. (max 500 words)

Voting YES for the Skid Row NC- Formation Committee establishes us as a candidate in the Skid Row NC Subdivision election. Therefore, voting NO also automatically establishes DLANC as a candidate. It's that simple- Will Skid Row stay with DLANC or will Skid Row stay with itself- those are the two choices in this subdivision election, again clearly making DLANC a candidate.

Subsequently, it is illegal for candidates to "take a side" in any outreach materials, which DLANC did through a "front organization" called Unite DTLA. Irrefutable evidence, both paperwork and video, unequivocally proves that Unite DTLA connects directly to a DLANC

URL, thus connecting DLANC to everything Unite DTLA has done regarding this subdivision election.

As a candidate, DLANC should thereby be immediately disqualified, along with their voters, seeing that their illegal election propaganda was sent consistently at least four times a day possibly until three days prior to our subdivision election.

As the Chair of the Skid Row Neighborhood Council- Formation Committee, I offer the following pieces of evidence;

- 1) Evidence of the e-mail sent by Unite DTLA, which also connects to DLANC directly to Unite DTLA's illegal use of DLANC's mailing address.
- 2) Evidence of Unite DTLA outreach materials directly connected to a URL which encompasses DLANC and also infers to a "managed list" which thereby implies that said outreach materials where shared with others.
- 3) Evidence of online conversations including myself and a current DLANC Board member who publicly validates his knowledge of interactions connecting Unite DTLA and DLANC and further offers confirmation timestamps of the periodic distribution of said illegal outreach material.
- 4) Video evidence of the direct connection between DLANC and their "front organization" called Unite DTLA through outreach material distributed by Unite DTLA which connects directly to a URL that connects to DLANC, thus rendering DLANC directly involved with the distribution of position-taking outreach materials which is clearly stated as an illegal act by neighborhood council regulations.

Please state your desired remedy. (max 100 words)

DLANC, in it's efforts to sway the Skid Row Neighborhood Council- Formation Committee's subdivision election, should be found guilty with a swift punishment of disqualifications as a candidate, disqualification of their entire database (and/or number equivalency), publicly reprimanded and also punished with funding penalties in order for DONE to set an example for all other NC's citywide of what will not be tolerated in any of it's NC elections.

To DONE (EmpowerLA) and LA City Attorney's office,

As Chair of the Skid Row NC-FC, I am forwarding to you below one of several discussions which have taken place both during community meetings in Skid Row and online. It is in regards to TWO separate groups who apparently have begun creating non-profit org's with "Skid Row Neighborhood Council" in them.

One is called "Skid Row Neighborhood Council, Inc" and the other is "New Skid Row Neighborhood Council". Apparently, they both have a primary focus of "fundraising". It is unclear as to what their specific organizational structure is other than what is stated below.

To be clear, our Skid Row NC-FC is NOT connected to either of these efforts in any way, shape, fashion or form (apart from the obvious link of all being connected to "Skid Row").

The SRNC-FC is contacting DONE and the City Attorney's office for the following reasons;

- 1) To make the City of Los Angeles aware of what is transpiring, and
- 2) To request clarification from the City Attorney's office (and/or DONE) as to whether these groups can have "Skid Row Neighborhood Council" in their organization's names, and
- 3) To officially inform DONE that Deacon Alexander is no longer one of our SRNC-FC Community Liaisons, and further, advise DONE that Mr. Alexander is not to be contacted regarding our SRNC-FC efforts moving forward other than an official response to his convening of his breakaway group called the "New Skid Row Neighborhood Council", and
- 4) To advise our SRNC-FC of how best to move forward with our efforts as it relates to these other dissident faction groups.

We anticipate a timely and prompt response in hopes of gaining clarity ourselves and also for the sake of informing the SRNC-FC, the Skid Row community at-large and our volunteer supporters who may all be duped into thinking that these new efforts are in some way connected to our SRNC-FC, which they are not.

Also as Chair, I would be more than happy to meet to discuss these matters in person.

Regards,

General Jeff

Tom Grode Deacon has been thinking along similar lines of a SRNC org. I told him about your post and he said it sounds wonderful. He wanted to add that he's envisioning paid annual dues with a small amount for members and a larger amount for officers.

Katherine McNenny Tom Grode we are focused on a City Certified Skid Row Neighborhood Council. Others are encouraged to start other groups separate from our Neighborhood Council- in fact there already exists a Skid Row "Community Council" but that is not what we are doing here. All our groups can and should work together though. Like · Reply · 14 hrs		
Tom Grode Skid Row Community Council? I haven't heard of that. You might be thinking of the Skid Row Community Coalition. Like · Reply · 13 hrs		
Katherine McNenny Right- Community Coalition. All are encouraged to support that effort as well.		
Katherine - this is Deacon. Your hostile comments are not necessary plus they're incoherent and not responsive to the will of the community. The community has spoken clearly and it wants a SRNC - PERIOD. The fact of the matter is for at least the next couple of years we will not be affiliated with the City of Los Angeles and that is all there is to that. In the short term, we need to raise money now and lots of it. My suggestion is a person wants to run for office, they will pay fifty dollars. To be on Executive Board it is \$25 and to be a Member is \$15. Those are annual fees. We will be working on the bylaws the next two days to address some of the above questions. Priority number one is the name, then boundaries, then mission. We will put on facebook the outcome of this draft proposal for Bylaws for this brand new organization.

Dear Downtown LA Council leaders,

Thank you to all the Neighborhood Council board members who completed the demographics survey in September! We are in the process of compiling the results and will release them later on this month. We are happy to welcome our FUSE Corp Fellow, Aparna Mukherjee, today. Aparna will spend the next year with us to assist in the creation of an Office of Civic Engagement, which will work with City departments to use effective civic engagement models to connect with Neighborhood Councils and other community stakeholders. Aparna is relocating from New York City and is a product strategist and operations leader with experience helming digital and mobile projects for some of the world's biggest media outlets. At The New York Times, she ran the paper's education ventures group. Aparna's other innovation-focused roles include launching social media for McKinsey & Co., serving as director of operations for startup accelerator Grand Central Tech, and launching Morgan Stanley's alumni network. As a reporter, she has written for the Wall Street Journal, Associated Press, Bloomberg News, and The New Yorker. Aparna earned a BS from Bryn Mawr College, where she was a Luce Scholar, and a master's in journalism and an MBA from Columbia University, where she lectures on business strategy to MBAs. We're excited to that Aparna is joining the EmpowerLA team!

Citywide Campaign:

City Council has continued the recommendations of the <u>Health</u>, <u>Education and Neighborhood Councils Committee</u> regarding Neighborhood Council election timing and online voting to October 6, 2018. If your Neighborhood Council is interested in conducting a selection instead of an election, please make sure to complete and vote on the <u>Neighborhood Council Selection Procedures Worksheet</u>. The due date is November 1, 2017.

Administrative Update:

The recent string of fraud emails are being investigated by the City and have involved several enforcement agencies. Fortunately, no funds have been paid to any fraudulent vendors from any of the Neighborhood Councils to date, but we will need to keep monitoring for now. The Department is continuing to collect opinions on our current web page, what you like, what you don't like, and whether you can find the choices you're looking for while navigating the site. Please take a moment to complete our survey so we can make our website a more effective and useful resource for you.

Funding Updates:

Many thanks to all the NC Treasurers and card holders that have attended our NC Funding and System Trainings. As of now, we have trained a total of 95 NCs, needing only 2 more NCs for 100% compliance! We have issued a total of 86 Credit Cards and have conducted over 15 trainings on Funding and the online System. We continue to hear good feedback on the system as well as your opinions on needed tweaks. We have gotten some questions about training on NC Funding that is geared for regular board members. It is our goal to have a new training tool available on our website within the month of October. We have taken our current training that we do for Treasurers and card holders, and condensed it into a 30 minute narrated powerpoint presentation, which covers key points and critical information for board members to know. The presentation will culminate with an online quiz to ensure that you have a good foundation on the rules and guidelines for expenditures of public funds. We will be holding 3 Funding and System training sessions in October; two located in downtown and one out in the field. We will announce the date and location for the field training shortly. Special Note: Please remember that when submitting payment requests and uploading documents, we need you to redact any sensitive, identifiable information such as social security numbers. The system will not request that information and if we see it on your documents, we will most likely reject the request and let you know that sensitive information has been identified and needs to be redacted. If you have any questions please visit our website at: clerk.lacity.org or contact us at (213) 978-1058 or via e-mail at: Clerk.NCFunding@lacity.org.

Field Updates:

As the weather starts to cool, it's the perfect time to start planning ahead for community improvement projects (CIP) in your neighborhood. Here are 5 helpful tips for your Neighborhood Council. 1. Refer to your Strategic Plan to help identify the project and/or location for your CIP. 2. Research and apply for all the necessary permits, particularly for work being conducted in the public right-of-way. Mayor Eric Garcetti's Great Street DYI Manual is a "Great" resource for Neighborhood Councils, with a step-by-step guide to over 50 projects, and how to pull the necessary City permits. 3. Contact your Neighborhood Council Advocate to see how EmpowerLA can assist and help troubleshoot. 4. Flush out the details, finalize the budget and vet the CIP through your NC Committee/Board process. Don't forget to submit all the necessary paperwork to the City Clerk's Funding Team. 5. Outreach, outreach, outreach! Refer back to September's Monthly Profile for targeted outreach/mailer strategies. Hope this is helpful! For more information, visit http://lagreatstreets.org. For questions, contact Semee Park at semee.park@lacity.org

Outreach Updates:

As part of our general outreach to raise the visibility of Neighborhood Councils in your communities, we are continuing our Neighborhood Council 101 workshops within each of the Neighborhood Council boundaries. We like to combine the workshops with additiona information about City services from MyLA311, Purposeful Aging, Clean Streets, Housing, etc. If your Neighborhood Council has an idea for a workshop, please let your Neighborhood Empowerment Advocate know so can collaborate together on it. Thank you!

Comentarios de Apertura

Estimados Downtown LA Líderes del Concejo,

Muchas gracias a todos los miembros de la junta directiva del Consejo Comunitario que completaron la encuesta demográfica en septiembre. Estamos en el proceso de compilar los resultados y los daremos a conocer posteriormente este mes. Nos complace dar la bienvenida a nuestra colega Aparna Mukherjee, de FUSE Corp Fellow, este día. Aparna pasará el próximo año con nosotros para ayudarnos en la creación de una Oficina de Compromiso Cívico la cual trabajará con los departamentos de la Municipalidad para hacer uso de modelos eficaces de compromiso cívico para conectarse con los Consejos Comunitarios y otras partes interesadas de la comunidad. Aparna llega desde la Ciudad de Nueva York y es una estratega de productos y líder de operaciones con experiencia en la dirección de proyectos digitales y móviles para algunos de los medios de comunicación masiva más importantes del mundo. En The New York Times, ella dirigió el grupo de proyectos de educación del periódico. Otras de las funciones de Aparna, enfocadas en la innovación, incluyen el lanzamiento de medios sociales para McKinsey & Co., fungir como directora de operaciones para el promotor de empresas incipientes de Grand Central Tech y lanzar la red de exalumnos de Morgan Stanley. Como reportera, ella escribió para el Wall Street Journal, para Associated Press, para Bloomberg News y para The New Yorker. Aparna obtuvo su licenciatura en el Bryn Mawr College, donde se destacó como Becaria Luce (Luce Foundation Scholars Program), obtuvo una maestría en periodismo y una maestría en administración de negocios (MBA) de Columbia University, donde ella brinda conferencias sobre estrategia empresarial para candidatos a MBA. Estamos muy emocionados porque Aparma se ha incorporado al equipo de EmpowerLA.

Campaña a Través de la Ciudad:

El Concejo Municipal ha continuado <u>las recomendaciones</u> del Comité de Consejos de Salud, Educación y Comunitarios con respecto al calendario de la elección del Consejo Comunitario y la votación por Internet hasta el 6 de octubre de 2018. Si su Consejo Comunitario tiene interés en realizar una selección en vez de una elección, asegúrese de completar y votar en la <u>Hoja de Trabajo de Procedimientos de Selección del Consejo Comunitario</u>. La fecha límite es el 1 de noviembre de 2017.

Actualización Administrativa:

La municipalidad está investigando la reciente serie de fraudes de correos electrónicos y ha obtenido la participación de diversos organismos encargados del cumplimiento de la ley. Afortunadamente, no se ha pagado ningún fondo a ningún proveedor fraudulento de ninguno de los Consejos Comunitarios a la fecha, pero necesitamos mantener la vigilancia por ahora. El Departamento sigue recopilando opiniones sobre nuestra página web actual, lo que les gusta, lo que no les gusta, y si usted puede encontrar las opciones que busca mientras navega por el sitio. Dedique unos momentos para completar nuestra encuesta a fin de que podamos lograr que nuestro sitio web sea un recurso más eficaz y útil para usted.

Actualizaciones de Financiación:

Muchas gracias a todos los Tesoreros de los Consejos Comunitarios y titulares de tarjeta que han asistido a nuestras Capacitaciones de financiamiento y sistemas de los Consejos Comunitarios. A la fecha, hemos capacitado un total de 95 Consejos Comunitarios, y se necesitan solamente 2 Consejos Comunitarios más para alcanzar el cumplimiento del 100%. Hemos emitido un total de 86 tarjetas de crédito y hemos realizado más de 15 capacitaciones sobre financiamiento y sistemas en línea. Seguimos escuchando buenos comentarios sobre el sistema, así como sus opiniones sobre algunos pequeños ajustes necesarios. Hemos recibido algunas preguntas acerca de la capacitación en financiamiento de los Consejos Comunitarios que está dirigida a los miembros regulares de la junta. Nuestro objetivo es contar con una nueva herramienta de capacitación disponible en nuestro sitio web en el mes de octubre. Hemos tomado nuestra capacitación actual que utilizamos para Tesoreros y titulares de tarjetas, y la hemos condensado en una presentación de Powerpoint narrada de 30 minutos, que cubre aspectos principales e información crítica para el conocimiento de los miembros de la junta. La presentación culminará con un cuestionario en línea para asegurarnos de que usted tiene una buena base de conocimientos sobre las normas y directrices aplicables a los desembolsos de los fondos públicos. En octubre, realizaremos tres (3) sesiones de capacitación sobre financiamiento y sistemas; dos se impartirán en el centro de la ciudad, y una en el campo. Muy pronto anunciaremos la fecha y el sitio para la capacitación de campo. Aviso especial: No se olvide que al presentar las solicitudes de pago y cargar los documentos, necesitamos que se suprima cualquier información identificable, como los números de seguro social. El sistema no solicitará esa información y si la vemos en sus documentos, lo más probable es que rechacemos la solicitud y le comunicaremos que se ha identificado información sensible y que esta debe ser eliminada. Si tiene alguna pregunta no dude en visitar nuestro sitio web en: clerk.lacity.org o comunicarse con nosotros en el (213) 978-1058 o por correo electrónico en: Clerk.NCFunding@lacity.org.

Actualizaciones de Campo:

A medida que el clima cambia y la temperatura comienza a bajar, es el momento perfecto para comenzar a planificar por adelantado los proyectos de mejoras comunitarias (CIP) en su comunidad. He aquí 5 consejos útiles para su Consejo Comunitario. 1. Consulte su Plan Estratégico para identificar el proyecto y/o ubicación para su CIP. 2. Investigue y solicite todos los permisos necesarios, particularmente para los trabajos que se realizan en las áreas públicas de derecho de vía. La publicación Great Street DYI Manual del alcalde Eric Garcetti es un "Excelente" recurso para los Consejos Comunitarios que incluye una guía paso a paso para más de 50 proyectos, y cómo obtener los permisos municipales necesarios. 3. Comuníquese con su Intercesor ante el Consejo Comunitario para ver como EmpowerLA puede asistirle y ayudarle a solucionar problemas. 4. Depure los detalles, finalice el presupuesto y vete el proyecto de mejoras comunitarias (CIP) a través del proceso de comité/junta del Consejo Comunitario. No se olvide de presentar toda la documentación necesaria al Equipo de Financiamiento del Secretario Municipal. 5. ¡Divulgación, divulgación, divulgación! Consulte en el Perfil mensual de septiembre los temas relacionados con las estrategias de volantes y divulgaciones específicas. Sabemos que esto será de mucha utilidad. Para obtener más información, visite http://lagreatstreets.org. Si tiene preguntas, comuníquese con Semee Park en semee.park@lacity.org

Actualizaciones de Alcance:

Como parte de nuestro programa general de divulgación para aumentar la visibilidad de los Consejos Comunitarios en sus comunidades, seguimos brindando nuestros talleres *Neighborhood Council 101* en cada una de las circunscripciones de los Consejos Comunitarios. Deseamos combinar los talleres con información adicional acerca de los servicios municipales de MyLA311, Envejecimiento propositivo, Calles limpias, Vivienda, etc. si su Consejo Comunitario tiene alguna idea para desarrollar un taller, comuníqueselo a su Intercesor de Empoderamiento Comunitario para poder colaborar en eso. ¡Muchas gracias!

Para completar estos entrenamientos, haga clic here [aquí].

NOTA: El entrenamiento de la ética en persona y en línea debe ser un mínimo de 2 horas. Si completa el curso de entrenamiento de ética en línea, asegúrese de tomar 2 horas para completar el entrenamiento, ya que no aceptaremos ningún certificado que muestre menos de 2 horas.

尊敬的 Downtown LA 協會 領導

感謝所有在九月完成了人口統計調查的社區理事會委員會成員!我們正在整理調查結果,本月稍後將公佈這些結果。今天,我們很高興地歡迎我們的 FUSE Corp 同伴 Aparna Mukherjee。在未來的一年裡,Aparna 將與我們一起協助創建公民參與辦公室,此辦公室將與市政府各部門合作利用有效的公民參與模型與社區理事會及其他社區利益相關者建立聯繫。Aparna 從紐約市搬來此地,她是產品策略師和運營領導者,擁有在一些全世界最大的媒體機構指揮數字化和移動項目的豐富經驗。她曾在《紐約時報》領導旗下的教育風險團隊。Aparna 的其他以創新為中心的職位包括啟動 McKinsey & Co. 的社交媒體、擔任創業公司加速器 Grand Central Tech 的運營總監,並啟動了 Morgan Stanley 的校友網絡。作為記者,她曾為 Wall Street Journal、Associated Press、Bloomberg News 和 The New Yorker 撰稿。Aparna 從布林茅爾學院獲得了學士學位,她在那裡成為了魯斯學者,之後她從哥倫比亞大學獲得了新聞學碩士學位和 MBA 學位,她在那裡為 MBA 學員們講授商業策略。我們很高興有 Aparna 加入 EmpowerLA 團隊!。

全市運動:

市議會繼續健康教育和社區理事會委員會關於社區理事會選舉時間和在線投票直至 2018 年 10 月 6 日的推薦。如果您的社區理事會有興趣以選拔代替選舉,請確保填寫社區理事會選舉程式工作表並進行投票。截止日期為 2017 年 11 月 1 日。

行政更新:

市政府正在對最近一系列的欺詐電子郵件進行調查,相關調查也涉及了一些執法機構。幸運的是,至今為止沒有任何社區理事會向任何欺詐性供貨商支付任何資金,但我們現在需要繼續監控。本部門將繼續收集關於我們當前網頁的意見,關於各位的喜惡以及在瀏覽網站時是否能找到在尋找之選擇。請花一點時間填寫我們的調查,這樣我們可以讓我們的網站成為對您而言更有效和有用的資源。

撥款更新:

非常感謝所有參加我們的 NC 資金和系統培訓的所有 NC 財務主管和持卡人。至今為止,我們已經完成了共計 95 次 NC 培訓,只需再完成 2 次培訓即可達到 100% 合規! 我們已經發行了共計 86 張信用卡,並就資金和在線系統進行了 15 次以上的培訓。我們繼續接收關於系統的良好反饋以及各位關於所需調整的意見。我們已經知曉了關於 NC 資金培訓的一些問題,這些問題是針對常規董事會成員的。我們的目標是在 10 月內提供關於我們網站的新培訓工具。我們已經採納了為財務主管和持卡人進行的當前培訓,並將其精簡為 30 分鐘的演示文稿演示(有旁白),其中涵蓋了董事會成員須知的關鍵要點和重要資訊。演示將利用在線小測試作為結尾,從而確保您對公共資金支出的規則和指南建立良好基礎。我們將在 10 月舉行 3 次資金和系統培訓研討會,其中兩次位於市中心,還有一次在野外。我們會很快宣佈野外培訓的日期和地點。特別注意事項:請記住,在提交付款請求和上傳文檔時,我們需要您對任何敏感的可識別身份的資訊進行編輯,例如社會安全號碼。系統不需要該資訊,如果我們在您的檔上看到了此類資訊,我們很可能拒絕請求,並讓您知道敏感資訊已被識別,需要編輯。如果您有任何問題,請訪問我們的網站:clerk.lacity.org 或通過電話聯繫我們 (213) 978-1058 或寫電子郵件到:

Dear Downtown LA Council leaders.

Thanks in large part to the wonderful work of Neighborhood Councils, City Council proclaimed September to be Civic Engagement Month! They also honored the winners of the 2016 EmpowerLA Awards in City Council Chambers. Congratulations to all of you for making a difference at City Hall! We've prepared an awesome display about Neighborhood Councils in the bridge between City Hall and City Hall East, which will be up for the entire month. BIG thanks to the Department of Cultural Affairs and General Services Department for their assistance and to our Bridge Display Planning Committee for their creativity: Arin Abedian, Ann-Marie Holman, Suzanne Lewis, Armando Ruiz, Stephen Box, Sevak Paramazian, Jose Galdamez and Kathleen Quinn.. Please make sure that you check it out when you come for the Congress of Neighborhoods on Saturday, September 9th. If you haven't already registered, click here now to do so. This is the biggest event Neighborhood Council event of the year, and along with many City electeds and department representatives, the Congress of Neighborhoods has also confirmed keynote speaker, Supervisor Mark Ridley Thomas. Many thanks to the Congress of Neighborhoods Planning Committee, chaired by the awesome Cindy Cleghorn, for their amazing efforts, and to our staff for their support, especially Neighborhood Empowerment Advocates, Jasmine Duckworth and Mary Kim! This month, we are also welcoming our two new members of the Board of Neighborhood Commissioners, North Valley Commissioner, Shooshig Susan Avakian, and the Harbor Commissioner, Raymond Regalado. We're looking forward to working with them. Check out the Admin section below on updates for Neighborhood Council demographics and elections.

Citywide Campaign:

The CAO has released for the Neighborhood Councils' review the 2017-18 <u>Appropriation Limit Report</u> for the Gann Initiative, which limits the amount of revenue which can be appropriated in any fiscal year. The Council File associated with this report is for the budget <u>CF 17-0600</u> and, per Section 7910 of the Government Code, is provided to the public for review at least 15 days before adopting the appropriations limit.

Administrative Update:

The Health, Education and Neighborhood Councils Committee adopted a motion to move the 2018 elections to 2019 while providing instructions to the City Clerk and EmpowerLA on election outreach and online voting/registration build out the next year. HENC Chair Councilmember David Ryu wanted to ensure that those Neighborhood Council that still desired to hold an election in 2018 would have another option of selection instead, which is a nonsecret vote either through caucus or signed/numbered ballots. If your Neighborhood Council wants to hold a selection in 2018 in lieu of an election, then please complete the Selection Process Stipulation Worksheet and return it to elections@empowerla.org by November 1, 2017 so that we can prepare for a selection for your Neighborhood Council next year. We're highlighting the Neighborhood Council diversity gathering information on the gender, age range and ethnicities of board members this month. Please take a moment to help us by taking this short survey, which will be open through September 30th. We will only be using the information as a whole, i.e. there are 43% women in the Neighborhood Council system, and individual information will be confidential. Our staff will have the survey available during this month's Neighborhood Council meetings. The survey is voluntary. For members who don't take the survey, we'll provide visual estimates of the information with a file note that we did so.

Funding Updates:

The Office of the City Clerk, Neighborhood Council Funding Program would like to congratulate the Neighborhood Councils for the many ways in which they empower their communities. Thanks to the online funding system, we know that system-wide, outreach and general operations expenditures are priority for NCs accounting for 75.8% of spent and committed funds. We also know that you value your partnerships with non-profit organizations and public schools because Neighborhood Purposes Grants (NPGs) account for 18.7% of your financial activity.

You can find all this information and more by visiting the <u>Neighborhood Council Funding System dashboard</u>, which is accessible to anyone thereby making the financial operations of any neighborhood council transparent to the public. There is also an ability to look up information by individual NC on account balances and transactions in real time, which you can do on your desk top or via your mobile device.

NCs seem to also meet the challenge of completing their Monthly Expenditure Reports (MERs) with great ease in the new system. For those who have not seen how the system works yet, the Office of the City Clerk will be holding a session at Congress on Saturday 9/9/17 so please join us.

For any questions, comments or concerns, please visit our website at: clerk.lacity.org or contact us by telephone at (213) 978-1058 or via e-mail at: Clerk.NCFunding@lacity.org.

Field Updates:

September rings back to school for many and the Leadership Academy is committed to supporting our Neighborhood Councils and cadre of life-long learners.

For those who missed July's Census Workshops, you can view and download the <u>Census Bureau's Presentation here</u>. The Presentation provides a step-by-step guide on how to access Census Data for your Neighborhood Council.

To find out which census tracts makes up your Neighborhood Council boundaries, you can utilize the Bureau of Engineering's NavigateLA website. Here's a <u>step-by-step quide</u> on how to access the information.

Combing through Census Data can be insightful and may reveal some interesting characteristics about your community. For example, you can find out what are the modes of transportation your residents take to go to work and their commute time, which may help shape your Neighborhood Council's transportation policy. You can find out which areas in your neighborhood have a higher concentration of limited English speakers and formulate an outreach campaign in a different language.

Finally, here's a step-by-step guide on How to Utilize Zimas for Mailers. Many thanks to our partners at the Department of City Planning (DCP) for the wealth of information presented at last month's Planning 101s held Citywide. DCP's Zimas is a powerful tool to help analyze the zoning and land-use in your neighborhood. It can also be utilized to download addresses into an Excel document to then be mail-merged. Coupled with the insight you now have with Census Data, you can push out a targeted mailer campaign.

If there are questions or need assistance, reach out to Semee Park, Director of Neighborhood Council Operations at semee.park@lacity.org or by calling (818) 374-9898.

Outreach Updates:

The Department has submitted an Election report to the City Council's Health, Education, and Neighborhood Councils Committee with details on proposed Citywide Outreach Campaigns that would be conducted by the department. If you have any ideas or feedback on citywide and regional outreach campaigns, please email Stephen.Box@LACity.org or call 213-978-1116. To review the report, Click here. EmpowerLA's second podcast is out and features an interview with Board of Neighborhood Commissioners President, Joy Atkinson. Thanks for Brett Shears and Arin for making it happen! Click here to listen!

Did You Know?

Raphael Sonenshein, Executive Director of the Pat Brown Insitute, Cal State Los Angeles, and Neighborhood Council Civic University professor, credits the Neighborhood Council system for "saving Los Angeles" in the 1990's when various parts of the City wanted to secede because they felt City Hall was not representing their communities. Neighborhood Councils were proposed as a way to bring local voices to City Hall and were voted into the City Charter by Angelenos in 1999.

Comentarios de Apertura

Estimados Downtown LA Líderes del Concejo,

Gracias en gran medida a la magnífica labor de los Consejos Comunitarios, el Concejo Municipal proclamó a septiembre como el ¡Mes de la Participación Cívica! También rindió honores a los ganadores del premio 2016 EmpowerLA Awards en la Cámara del Concejo Municipal. ¡Felicitaciones a todos ustedes por hacer una diferencia en el Ayuntamiento! Hemos preparado un despliegue impresionante acerca de los Consejos Comunitarios en el puente entre el Ayuntamiento y el ala Este del Ayuntamiento, que estará en exhibición todo el mes. Nuestro agradecimiento ENORME al Departamento de Asuntos Culturales y al Departamento de Servicios Generales por su ayuda y a nuestro Comité de Planificación para la Exhibición en el Puente por su creatividad: Arin Abedian, Ann-Marie Holman, Suzanne Lewis, Armando Ruiz, Stephen Box, Sevak Paramazian, Jose Galdamez and Kathleen Quinn.. Asegúrese de verla cuando venga a la reunión del Congreso de Comunidades el sábado 9 de septiembre. Si aún no se ha inscrito, haga clic aquí para hacerlo ahora. Este es el más grande evento del Consejo Comunitario del año, y junto con muchos funcionarios municipales de elección pública y representantes de departamentos, el Congreso de Comunidades también ha confirmado la participación como orador principal, el Supervisor Mark Ridley Thomas. Muchas gracias al Comité de Planificación del Consejo de Comunidades, dirigido por la genial Cindy Cleghorn, por sus enormes esfuerzos; y a todo nuestro personal por su apoyo, especialmente a los intercesores de Empoderamiento Comunitario: Jasmine Duckworth y Mary Kim. Este mes, también damos la bienvenida a dos nuevos miembros de la Junta de Comisionados Comunitarios, la Comisionada de North Valley, Shooshig Susan Avakian, y el Comisionado de Harbor, Raymond Regalado. Esperamos con anticipación comenzar a trabajar con ellos. Dé un vistazo a nuestra sección de Administración, a continuación, para ver actualizaciones sobre demografía y elecciones del Consejo Comunitario.

Campaña a Través de la Ciudad:

El Director Administrativo (CAO) ha publicado para revisión de los Consejos Comunitarios el informe Appropriation Limit Report (Informe Sobre el Límite de Asignaciones) para 2017-18, para la iniciativa Gann, la cual limita la cantidad de ingresos que puede ser asignada en cualquier año fiscal. El Archivo de Consejo relacionado con este informe es para el presupuesto CF 17-0600 y, según la Sección 7910 del Código de Gobierno, se proporciona al público para su revisión al menos 15 días antes de adoptar el límite de asignaciones.

Actualización Administrativa:

El Comité de Consejos de Salud, Educación y Comunitarios aprobó una moción para posponer las elecciones de 2018 hasta 2019, a la vez de brindar instrucciones al Secretario Municipal y a EmpowerLA sobre la divulgación de las elecciones y el registro/votación en línea a desarrollar el próximo año. David Ryu, Director Miembro del Consejo HENC, quiso asegurarse de que solo aquellos Consejos Comunitarios que aún desean realizar una elección en 2018 puedan, en vez de ella, tener otra opción de selección, la cual consista en un voto no secreto a través una reunión electoral (caucus) o mediante papeletas firmadas y numeradas. Si su Consejo Comunitario desea realizar una selección en 2018 en vez de una elección, entonces complete por favor la Hoja de Trabajo de Estipulación del Proceso de Selección y devuélvala a elections@empowerla.org antes del 1 de noviembre de 2017 para que podamos preparar una selección para su Consejo Comunitario el próximo año. Este mes, estamos reseñando la diversidad en el Consejo Comunitario, recopilando información sobre género, rango de edad y etnias de los miembros de la junta directiva. Dedique unos momentos para ayudarnos, contestando esta breve encuesta, que estará abierta hasta el 30 de septiembre. Únicamente utilizaremos la información como un todo, por ejemplo: hay un 43% de mujeres en el sistema de Consejos Comunitarios; y la información individual será confidencial. Nuestro personal pondrá a disposición la encuesta durante las reuniones del Consejo Comunitario de este mes. La participación en la encuesta es voluntaria. Para aquellos miembros que no participen en la encuesta, les proporcionaremos estimados visuales de la información con una nota de archivo que indique que así lo hicimos.

Actualizaciones de Financiación:

La Oficina del Secretario Municipal, el <u>Programa de Financiamiento de Consejos Comunitarios</u> desea felicitar a los Consejos Comunitarios por las muchas maneras con las que ellos empoderan a sus comunidades. Muchas gracias al sistema de financiamiento en línea, sabemos que, en todo el sistema, los gastos en divulgación y en operaciones generales, son prioridad para los Consejos Comunitarios y representan el 75.8% de los fondos invertidos y comprometidos. Además, sabemos que usted valora su asociación con organizaciones sin fines de lucro y escuelas públicas, porque los Subsidios para Fines Comunitarios (NPG por sus siglas en inglés) representan el 18.7% de su actividad financiera.

Usted puede encontrar toda esta información y más, visitando el <u>panel del Sistema de Financiamiento del Consejo Comunitario</u>, el cual es accesible a todas las personas, para lograr así que las operaciones financieras de cualquier consejo comunitario sean trasparentes para el público. Existe también la posibilidad de buscar información por Consejo Comunitario individual, sobre saldos de cuentas y transacciones en tiempo real, lo cual usted puede hacer desde su computadora de escritorio o a través de su dispositivo móvil.

Los Consejos Comunitarios también cumplir el reto de completar sus Informes de Gastos Mensuales (MER) con gran facilidad en el nuevo sistema. Para aquellos que aún no han visto cómo funciona el sistema, la Oficina del Secretario Municipal realizará una sesión en el Congreso el sábado 9 de septiembre de 2017, y cordialmente le invitamos a participar.

Si tiene preguntas, comentarios o dudas, visite nuestro sitio web en: clerk.lacity.org o comuníquese con nosotros por teléfono al (213) 978-1058 o por correo electrónico en: <u>Clerk.NCFunding@lacity.org</u>

Actualizaciones de Campo:

Con septiembre llega el retorno a la escuela para muchos y la Academia de Liderazgo está comprometida en apoyar a nuestros Consejos Comunitarios y a los grupos de aprendizaje permanente.

Para aquellos que se perdieron los Seminarios del Censo en julio, ahora pueden ver y descargar la <u>Presentación de la Dirección de Censos aquí</u>. La presentación ofrece una guía paso a paso sobre cómo acceder a los Datos del Censo para su Consejo Comunitario.

Para conocer qué áreas censales conforman los límites de su Consejo Comunitario, puede utilizar el sitio web NavigateLA de la Oficina de Ingeniería. He aquí una <u>guía paso a paso</u> sobre cómo acceder a la información.

La revisión de los Datos del Censo puede ser reveladora y puede indicarle algunas características interesantes acerca de su comunidad. Por ejemplo, puede conocer cuáles son las modalidades de transporte que los residentes utilizan para ir al trabajo y el tiempo que se tardan en ir y venir, lo cual puede ayudarle a conformar la política de transporte de su Consejo Comunitario. Usted puede conocer qué áreas en su comunidad tienen una mayor concentración de personas con dominio limitado del inglés y formular una campaña de divulgación en un idioma diferente.

Finalmente, he aquí una guía paso a paso sobre cómo utilizar Zimas para correos. Muchas gracias a nuestros asociados en el Departamento de Planificación Municipal (DCP) por la riqueza de información presentada en el evento Planning 101s del mes pasado, realizado en toda la ciudad. Zimas de DCP es una herramienta poderosa para ayudarle a analizar la zonificación y uso de la tierra en su comunidad. Puede utilizarse también para descargar direcciones en un documento de Excel para posteriormente combinarlas con listas de correos. Junto con la información extraída de los Datos del Censo, usted puede llevar a cabo una campaña de correo dirigido.

Si tiene alguna pregunta o necesita ayuda, comuníquese con Semee Park, Directora de Operaciones del Consejo Comunitario en semee.park@lacity.org o llame al (818) 374-9898

Actualizaciones de Alcance:

El Departamento ha presentado un informe de Elección al Comité de Salud, Educación y Consejos Comunitarios del Concejo Municipal con detalles sobre las campañas de divulgación en toda la ciudad propuestas que pueden ser realizadas por el departamento. Si tiene alguna idea o comentarios sobre campañas de divulgación en toda la ciudad y regionales, envíe un correo electrónico a Stephen.Box@LACity.org o llame al 213-978-1116. Para revisar el informe, haga clic aquí. El segundo podcast de EmpowerLA ya está al aire y presenta una entrevista con la Presidenta de la Junta de Comisionados Comunitarios, Joy Atkinson. ¡Gracias a Brett Shears y Arin por ayudar a que esto se volviera realidad! ¡Haga clic aquí para escuchar!

Actualizaciones de Política:

Archivos del Concejo nuevos y actualizados se pueden encontrar aquí (<u>found here</u>) y se actualizan cada semana en nuestro boletín del viernes.

¿Sabía qué..?

Raphael Sonenshein, Director Ejecutivo del Pat Brown Institute, Cal State Los Angeles, y profesor del Neighborhood Council Civic University, acredita al sistema de Consejos Comunitarios por "salvar a Los Ángeles" en la década de los 90, cuando varios sectores de la ciudad querían separarse porque consideraban que el Ayuntamiento no representaba a sus comunidades. Se propuso la creación de Consejos Comunitarios como una manera de llevar las voces locales hasta el Ayuntamiento y fueron aprobadas como Estatuto Municipal por los angelinos en 1999.

존경하는 Downtown LA 위원회대표여러분.

자치의회가 특히 열심히 활동한 결과로 시의회는 9월을 "시민 참여의 달"로 지정하였습니다. 시의회는 또한 시의회 챔버 중에2016년도 임파워 LA 상을 수상한 이들을 축하했습니다. 시청에 변화를 일으키고 계신 모든 분들에게 축하의 말을 전합니다. 시청 본건물과 시청 동쪽 건물 사이의 다리에 9월 한 달 동안 자치의회에 대해 전시할 훌륭한 내용들을 준비하였습니다. 문화 담당 부서와 일반 서비스 부서가 도움을 주었고 "다리 전시 계획 위원회"가 창의성을 발휘했기에 이에 감사의 말을 전합니다. 이분들은 아린 아베디안(Arin Abedian), 앤-마리 홀맨(Ann-Marie Holman), 수잔 루이스(Suzanne Lewis), 아르만도 루이즈 (Armando Ruiz), 스티븐 박스 (Stephen Box), (Sevak Paramazian), (Jose Galdamez) 과 캐슬린 퀸 (Kathleen Quinn). 등입니다. 9월 9일 토요일 "자치의회 콩그레스"가 열릴 때. 잊지 말고 둘러보기 바랍니다. 만약 등록을 아직 하지 않았다면 있습니다 . 본 행사는 자치의회의 일 년 행사 중 가장 큰 것으로써 저희 시의 많은 선출직과 각 부서장들이 대거 참여하며 자치의회 콩그레스 측에서는 이미 기조 연설자로 수퍼바이저직을 맡고계신 마크 리들리 토마스(Mark Ridley Thomas)로 결정하였습니다. 신디 클레곤(Cindy Cleghorn)이 회장으로 맡고 있는 자치의회 콩그레스 기획 위원회의 노고에 감사의 말을 전하고 협력하고 있는 저희 직원들에게 감사의 말을 전합니다. 특히 자치의회 임파워먼트 에드버킷인 자스민 덕워스(Jasmine Duckworth) 그리고 매리 김(Mary Kim)에게 감사의 말을 전합니다. 이번 달에는 저희가 두 명의 새로운 자치 위원회 이사를 환영하고자 하며 이들은 북부 밸리 위원회 위원이신 슈식 수잔 아바키안(Shooshig Susan Avakian) 그리고 하버 위원회 위원이신 레이몬드 리갈라도(Raymond Regalado) 입니다 . 함께 일하게 되어 매우 기대가 됩니다. 자치의회의 인구통계 및 선거에 관한 새로운 소식은 아래의 행정 소식을 참조해 주십시오.

시전체의캠페인.

CAO는 자치의회의 검토를 위해 "Gann 주민 발의안"을 위한 2017-18년도 <u>할당 제한 보고서</u>를 발표하였는데 이는 때 회계 년도 이내에 할당할 수 있는 세입의 액수를 제한하는 것입니다. 본 보고서와 관련된 자치의회 파일은 예산안 <u>CF 17-0600</u>을 위한 것이며 정부법 7910항에 따라 해당 할당 제한을 적용하기에 앞서 최소15일 동안 대중의 검토를 위해 제공해야 하는 조건을 위한 것입니다.

행정상의업데이트사항.

시 서기와 임파워 LA에 선거에 대한 지원활동 지시를 제시하고 온라인 투표/유권자 등록을 내년에 구축하도록함과 동시에 건강, 교육 및 자치의회 위원회는 2018년도 선거를 2019년도로 옮기는 신청을 적용하기로 하였습니다. HENC의 회장단 의원인 데이빗 류(David Ryu)는 아직도 2018년도에 선거를 실시하기를 원하는 자치의회 의원들에게 선택권을 부여하기 원하기 때문에 코커스 또는 서명/숫자 투표용지를 통해 공개 투표에 대한 바람을 발표했습니다. 만약 귀하의 자치의회가 선거 대신에 2018년도에 선정 과정을 가지고자 한다면 2017년 11월 1일까지 "선정 과정 동의 평가지 "를 작성하여 elections@empowerla.org로 보내주시기 바랍니다. 이를통해 저희가 내년의 자치의회 선정 과정을 준비할 수 있습니다. 저희는 이번 달에 자치의회의 다양성을 강조하기위해 자치의원들의 성별, 연령 범위, 인종에 관한 정보를 모으고 있습니다. 9월 30일 마감하는 간단한 설문조사에 참여하여이를 도와주시기 바랍니다. 저희는 설문 조사 정보를 "43%의 자치의회 의원들은 여성이다"와 같이통계적 시점에서 사용할 것이며 개인 정보는 비밀유지 됩니다. 저희 직원들은 이번 달 자치의회 회의 중에 본설문조사를할 수 있도록 준비할 것입니다. 본설문 조사는 자발적인 것입니다. 설문조사에 참여하지 않는 위원들을위해 저희가 정보에 대한 시각적 자료를 저희가 그렇게 했다라는 파일 노트와 함께 제시할 것입니다

재정지출업데이트사항:

시 서기 사무실의 자치의회자금 프로그램 은 자치의회 의원들이 자신이 속한 커뮤니티에 권한을 부여하기 위해 다양한 방법이 있다는 것으로 인해 진심으로 자랑스럽게 생각합니다. 온라인 편딩 시스템을 통해 저희는 시스템 전체, 지원활동 및 일반 운영 지출이 자치의회 회계의 최우선 사항이고 이는 자금의 75.8%를 지출하거나 지출을 결정하였다는 것을 알고 습니다. 귀하의 재정 활동 중에 "자치의회 목적 보조금(NPGs)"이 18.7%에 이르기 때문에 저희는 자치의회 의원들이 비영리 단체들 및 공립 학교들과 함께 파트너쉽을 하는 일에 가치를 부여한다는 것도 알고 있습니다

본 정보와 그 이외의 다른 모든 정보는 <u>자치의회 펀팅 시스템 대쉬보드</u> 를 방문하면 볼 수 있으며, 이 내용은 자치의회의 재정 운영을 대중들에게 투명하게 운영하기 위해 모든 사람들이 볼 수 있도록 하였습니다. 개인 자치의회 의원이 자신의 컴퓨터나 모빌 장비를 통해 회계에 대한 잔액 및 거래 정보를 실시간으로 찾아 볼 수 있습니다.

자치의회 의원들이 매월 지출 보고서 (MERs)를 작성하는 도전사항을 새로운 시스템을 통해 쉽게 달성한 것으로 보입니다. 아직 시스템을 어떻게 사용하는가를 모르는 분이 있다면 시 서기 사무실에서 주최하고 2017년 9월 9일 자치의회 콩그레스에서 실시하는 교육에 참여하십시오.

질문, 의견, 염려 사항 등이 있다면 저희 웹사이트 clerk.lacity.org에 방문하거나 전화 (213) 978-1058 또는 이메일 Clerk.NCFunding@lacity.org로 연락하십시오.

필드업데이트사항.

9월은 많은 사람들이 학교로 다시 돌아가고 리더쉽 아카데미에서는 저희 자치의회 및 평생교육 참여자들의 핵심 간부들을 지원하기로 약속 하였습니다.

7월에 있었던 인구조사 워크숍에 참석하지 못한 분은 <u>인구 조사부서의 발표를 여기</u>를 클릭하면 다운로드하여 볼수 있습니다. 본 발표내용은 귀 자치의회의 인구 조사 데이터를 어떻게 사용하는가에 관해 단계별로 나와 있습니다

어느 인구조사 구역들이 귀 자치의회의 경계에 속하는지를 찾아보려면 "인구조사 부서의 엔지니어링 네비게이트LA" 웹사이트에서 볼 수 있습니다. 다음을 클릭하면 해당 정보를 어떻게 찾는지에 대해 <u>단계별로</u> 상세한 안내 가 나와 있습니다.

인구조사 데이터를 자세히 살펴보면 귀 커뮤니티에 대해 통찰을 얻을 수 있으며 흥미로운 특징들을 발견할 수 있습니다. 예를 들어 수민들이 어떤 교통 수단으로 통근 및 통학을 하는지를 알 수 있는데 이는 귀 자치의회의 교통 정책을 결정하는 것에 도움을 줄 수 있습니다. 지역 주민들 중에 영어 구사 제한이 좀 더 집중된 지역을 알아내서 지원 캠페인을 계획할 때 다른 언어로 해야 하는지의 결정에 도움을 줄 수 있습니다

마지막으로 다음의 링크는 <u>우편을 보내기 위해 지마(Zimas) 사용하는 방법</u>에 대해 나와 있습니다. 도시 계획부 (DCP)에 속한 저희의 파트너들과 협조하여 지난 달 시 전체에서 실시한 "기획 기초 과정"에서 제시된 풍성한 정보에 대해 감사의 말을 전합니다. 도시 계획부의 지마(Zimas)는 귀하의 지역에 있어서 지대 설정(zoning) 및 토지 사용을 분석하는 것에 도움을 주는 훌륭한 도구입니다. 지마는 엑셀 서류에 주소들을 다운로드하여 메일(우편)과 병합하여 사용할 수도 있습니다. 인구 조사 데이터를 통해 귀하가 받은 통찰과 함께 특정 대상을 위한 우편 캠페인을 진행할 수 있습니다.

팻 브라운(Pat Brwon Institute)의 상임이사이자 캘리포니아 스테이트 로스앤젤레스 대학과 자치의회 시민 대학의 교수로 있는 라파엘 소넨샤인(Raphael Sonenshein) 교수는 1990년대에 로스앤젤레스 도시 내의 다양한 커뮤니티들이 시청이 그들을 제대로 대표하지 못하였다고 느꼈기 때문에 시청으로부터 분리하여 독립하고자 했었을 당시 "자치의회 시스템이 로스앤젤레스를 구했다"라고 그 공로를 돌렸습니다. 자치의회 시스템은 지역의 목소리를 시청에 들려주기 위한 한 방법으로 제안되었고 1999년 앤젤리노들에 의해 도시 정책에 포함되는 것으로 투표를 통해 결정되었습니다.

尊敬的 Downtown LA 協會 領導

市議會宣佈 9 月將成為公民參與月,這在很大程度上要歸功於社區理事會的出色工作!他們還榮獲了市議會兩院的"2016 年 EmpowerLA 獎項"。祝賀各位,大家都在市政廳發揮了作用!我們準備了關於連接市政廳和東部市政廳的社區理事會的優質展覽,這次展覽將持續一整個月。非常感謝文化事務部和總務部的援助以及我們的橋樑展示規劃委員會提供的創意:Arin Abedian、Ann-Marie Holman、Suzanne Lewis、Armando Ruiz、Stephen Box、Sevak Paramazian、Jose Galadmez、Kathleen Queen。請確保您在 9 月 9 日週六來參加社區大會時檢查這一點。如果您尚未進行註冊,讀點擊此處完成註冊。這是今年社區理事會的最大規模活動,很多市政當選官員和部門代表都會參加。社區大會還確認邀請了主講人 Mark Ridley Thomas 主管。非常感謝由優秀的 Cindy Cleghorn 領導的規劃委員會社區大會完成的出色工作,以及我們的工作人員提供的支援,尤其是社區賦權倡議者 (Neighborhood Empowerment Advocates) Jasmine Duckworth 和 Mary Kim!這個月,我們還將迎來社區專員委員會的兩位新成員,山谷北部地方 (North Valley)專員 Shooshig Susan Avakian 和港口地區 (Harbor)專員 Raymond Regalado。我們期待著與他們的合作。請查看下方行政管理部分,瞭解社區理事會人口統計資料和選舉的最新情況。

全市運動:

CAO 發佈了社區理事會對 Gann 倡議 2017-18 年<u>撥款限制報告</u>的審查結果,這份報告限制了在任何財政年可撥款的收入金額。依據政府法案第 7910 節規定,這份報告相關的理事會文檔針對的是預算 <u>CF 17-0600</u>,而且應在採納撥款限額前至少 15 天提供給公眾接受審查。

行政更新:

健康、教育和社區理事會委員會採納了一項動議,將 2018 年選舉改動至 2019,同時為市政書記員和 EmpowerLA 就下一年的選舉宣傳和線上投票/註冊構造提供指導。HENC 主席理事會成員 David Ryu 希望確保依然需要在 2018 年舉行選舉的這些社區理事會可以選擇另一種人員選取方式,即通過會議或簽名/編號選票進行的公開投票。如果您的社區理事會希望在 2018 年舉行人員選取代替選舉,就請填寫人員選取過程規定工作表 並在 2017 年 11 月 1 日之前交還至 elections@empowerla.org,這樣我們就可以在明年為您的社區理事會準備人員選取。我們強調社區理事會在本月收集關於委員會成員性別、年齡範圍和種族之資訊時的多樣性。請抽空幫助我們,參加這一節短調查,該調查將開放至 9 月 30 日。我們僅將此等資訊作為整體使用,即社區理事會系統中有 43% 的女性,個人資訊將保密。我們的工作人員將在這個月的社區理事會會議期間提供這一調查。調查自願參加。對於未參加調查的成員,我們會提供關於資訊的視覺化估計,以及我們已經採取之措施的文檔注釋。

撥款更新:

市書記員辦公室、社區理事會資助計畫希望就社區理事會為其社區賦權的多種方式向社區理事會表示祝賀。由於線上資助系統,我們瞭解到全系統的推廣和一般運營開支是 NC 的優先考慮事項,在花費和承諾資金中占到了 75.8%。我們還知道,各位非常重視與非盈利組織及公立學校的合作,因為社區用途撥款 (NPG) 在各位的財政活動中占到了 18.7%。

您可以通過訪問社區理事會資助系統儀錶板找到所有這些資訊和更多內容,任何人都可以訪問該儀錶板繼而向公眾公開任何社區理事會的財務運營狀況。通過使用該儀錶板還可以按單獨的NC查找關於帳戶餘額和即時交易的資訊,您可以在您的桌上型電腦上或通過移動設備完成這一操作。

NC 似乎還面臨著完成其每月開支報告 (MER) 的挑戰,使用新系統完成這一工作則非常簡單。對於尚未瞭解此系統如何運作的人來說,市書記員辦公室將于 2017 年 9 月 9 日週六在大會上舉行研討會,請加入我們吧。

如有任何問題、評論或疑問,請訪問我們的網站:clerk.lacity.org 或撥打電話 (213) 978-1058 聯繫我們或發送電子郵件到: Clerk.NCFunding@lacity.org.

現場更新:

9 月是很多學生重返學校的時間,領導學院 (Leadership Academy) 致力於為我們的社區委員會以及終身學習者幹部提供支援。

對於錯過了**7**月的人口普查研討會 (Census Workshop) 的人來說,您可以在此查看並下載人口普查局的演示文稿。這一演示就如何獲取您的社區理事會的人口普查資料提供了分步驟指導。

如需瞭解人口普查地域如何組成您的社區理事會邊界,您可以利用工程局的 NavigateLA 網站。這裡有關於如何獲取相關資訊的分步驟指導。

合併的人口普查資料可以有非常深遠的意義,還可能揭示關於您的社區的一些非常有意思的特點。例如,您可能發現您的居 民上班所使用的交通方式是什麼以及他們的通勤時間,這可能幫助制定您的社區理事會交通政策。您可能發現您的社區中哪 些區域內英語口語能力有限人員的密度更高,並採用另一種語言來開展宣傳活動。

最後,關於如何讓郵寄者利用 Zimas 這裡有一個分步驟指導。非常感謝我們在城市規劃部門 (DCP) 的合作夥伴在上個月全市舉行的規劃 101s 活動中提供的豐富資訊。DCP 的 Zimas 是一款非常強大的工具,可以幫助分析您的社區中的劃分區域和土地使用。它還可以用於將多個位址下載到 Excel 檔中,然後合併郵寄。結合您現在利用人口普查資料產生的見解以及這一工具,您可以推出有目標的郵寄者宣傳活動。

如果有任何問題或需要協助,請聯繫社區理事會運營總監 Semee Park <u>semee.park@lacity.org</u> 或撥打電話 <u>(818) 374-9898</u>。

外展更新:

本部門已經提交了選舉報告至市議會的健康、教育和社區理事會委員會,其中包括了關於本部門將舉行的擬議全市推廣活動的詳細資訊。如果您有關於全市和地區推廣活動的任何想法或回饋,請發送電子郵件到 Stephen.Box@LACity.org 或撥打 213-978-1116。如需審查報告,請點擊此處。EmpowerLA的第二集播客已經推出,其中有對社區專員委員會主席 Joy Atkinson的專題訪問。感謝 Brett Shears 和 Arin 為此付出的努力! 請點擊此處收聽節目!。.

政策更新:

新的和更新後的議會文件可以 在這裡找到 ,並且每週在我們週五的通訊中更新。

下面是登記為您的鄰里議會提交社區影響報告書的人的名單。 請給 Lorenzo發送電子郵件 <u>lorenzo.briceno@lacity.org</u>,更新此名單

您瞭解嗎?

加州洛杉磯 Pat Brown Insitute 的執行董事兼社區理事會城市大學教授 Raphael Sonenshei 在 1990 年代為"拯救洛杉磯"稱讚了社區理事會制度,當時該市的眾多組成部分都希望脫離聯邦,因為他們認為市政廳不再代表他們的社區意見。有人提議建立社區理事會作為讓市政廳聽取本地人意見的一種方式,1999 年這一制度經洛杉磯人投票編入了城市憲章

Dear Downtown LA Council leaders.

Thank you so much for all of your hard in Fiscal Year 2016-2017!! Neighborhood Councils met their goal of filing 300 Community Impact Statements with a final total of **320.** Kudos to **Hollywood Hills West** Neighborhood Council with the highest number of CISs filed - **33**! The next fiscal year brings a lot of new things, such as the new Neighborhood Council Funding Portal, which looks amazing. We're also working on some really cool civic engagement projects both low and high tech to connect more Angeleneos while introducing them to the Neighborhood Council system. We also want to share the impact of Neighborhood Councils with the City so after you've turned in your <u>Strategic Budget Package on our new portal</u>, don't forget to do your Self-Assessment for last year based on your Neighborhood Council's FY 2016-2017's Strategic Budget Package, which will be due by September 1, 2017. We'll also be working on Neighborhood Council demographics both on the board and in the community so we can see the diversity of involvement in the system after 15 years. We've paired this demographic piece with workshops on how to work with census information to analyze stakeholders in your community. Check out the dates below!

Citywide Campaign:

The Department of City Planning will be holding workshops in the Southwest San Fernando Valley throughout the summer to engage the community and allow public participation in shaping the land use recommendations for the community. These workshops are a vital component in the process of developing the long range vision for the the management of growth and improvement of quality of life. To RSVP please go to swvalleyplans.org/participation or email swvalleyplans@gmail.com. Walk-Ins are welcomed. For more information regarding the workshops, please contact Adam Villani, City Planner at (818) 374-5067 or Adam.Villani@lacity.org.

Administrative Update:

Thank you to those Neighborhood Councils that have provided us with an updated inventory list. A lot of board members have been surprised by the amount of inventory they have and of the types of items they have, too. So before your Neighborhood Council makes any further inventory purchases, please update your list so you know what you have and need. Once the lists are complete, they will go into a database overseen by the Office of the City Clerk. To complete your inventory list, please contact Kori Parraga at Kori.Parraga@lacity.org.

Funding Updates:

Thank you to those Neighborhood Councils that have submitted a budget for the fiscal year 17-18. As you know, the Office of the City Clerk may not authorize funds to be expended without a current budget. The good news for NCs is that as soon as your board takes action to approve the budget and the Treasurer has registered through the NC Funding System, he/she may enter the budget information via the new system and update the budget online. The Treasurer would have to upload proof that the vote took place, and the NC can begin spending their current allocation. Kudos to all the Treasurers and Card Holders that have attended the live training sessions on the NC Funding System! As of today, we have offered 13 live training sessions with more on the way. We are also issuing the bank cards at the live sessions and are having participants sign all relevant paper work there. A special thank you to our NC Funding System Work Group for their time, continued assistance, input and commitment to ensuring that we have a successful roll out of the new online system. We will also make arrangements to conduct some more NC Funding System training sessions out in the field as well as additional NC Funding program training sessions where we discuss policies, procedures and the dos and don'ts about spending public funds. Please refer to our website for dates, locations and updates. We are still working on closing the books for the current fiscal year, thank you for adhering to all the deadlines, we truly appreciate your flexibility and understanding. As much as we worked diligently to ensure we caught every check and purchase, some NCs have spent beyond their annual allocation and have over-drafted or will overdraft in their accounts. You will be getting notification if that is relevant to you, and you will begin the new fiscal year with less funds that anticipated. Lastly, please expect communication from your respective Funding Program Representative as they will contact you to provide you the June

2017 bank statement that is needed for your accounting and monthly expenditure reports (MERs). As always, we are available to support your work and answer any questions at (213) 978-1058 or via e-mail at Clerk.NCFunding@lacity.org.

Field Updates:

For July, we're teaming up with the Census Bureau to conduct three workshops in the City:

Valley/West: Saturday, July 15th 9am - 12 pm at Marvin Braude

Center Harbor/South: Saturday, July 22nd 9 am - 12 pm at Exposition Park Library Central/East LA: Thursday, July 27th 6pm - 9 pm at Shatto Recreation Center

Come learn how to access and utilize Census data for your Neighborhood Council for effective outreach strategies based on Census demographic information and analysis of stakeholders based on Census economic data. Attendees of all skill-set and knowledge welcomed. Locations will have Wi-Fi access so bring your computer and/or tablet for "hands on" training.

Outreach Updates:

We are continuing to conduct Neighborhood Council 101 outreach workshops in the community usually pairing them with education about another City service, such as MyLA311. We're also providing Know Your Rights education to immigrant populations along with an introduction to the Neighborhood Council system, which we provide in English, Spanish, Korean and Mandarin Chinese. If you have an area in your Neighborhood Council that you'd like assistance in connecting with, please contact us at NCSupport@lacity.org so we can work with your board to introduce them to the Neighborhood Council system.

Comentarios de Apertura

Estimados Downtown LA Líderes del Concejo,

¡Muchas gracias por todo su arduo esfuerzo durante el año fiscal 2016-2017! Los Consejos Comunitarios alcanzaron sus metas de presentar 300 Declaraciones de impacto comunitario (CIS) con un total final de 320. Felicitaciones al Consejo Comunitario de Hollywood Hills West con el número más alto de CIS presentados - ¡33! El próximo año fiscal trae una diversidad de cosas nuevas, como el nuevo Portal de Financiamiento del Consejo Comunitario, que luce impresionante. También estamos trabajando en algunos proyectos de participación cívica realmente geniales, de baja y alta tecnología para conectar más Angelinos a la vez que se les presenta el sistema del Consejo Comunitario. También queremos compartir el impacto de los Consejos Comunitarios con la Municipalidad para que después de que usted haya presentado su Paquete de presupuesto estratégico en nuestro nuevo portal, no olvide hacer su autoevaluación para el año pasado con base en el Paquete de presupuesto estratégico de su Consejo Comunitario para el año fiscal 2016-2017, que tiene fecha límite el 1 de septiembre de 2017. También estaremos trabajando en los aspectos demográficos del Consejo Comunitario, tanto en la Junta como en la comunidad, de manera que podamos ver la diversidad de la participación en el sistema después de 15 años. Hemos emparejado esta pieza demográfica con talleres sobre cómo trabajar con la información del censo a fin de analizar a las partes interesadas en su comunidad. ¡Vea las fechas a continuación!

Campaña a Través de la Ciudad:

El Departamento de Planificación Municipal, organizará talleres en el suroeste del Valle de San Fernando a lo largo de todo el verano para obtener la participación de la comunidad y permitir la participación del público en la elaboración de las recomendaciones de uso de la tierra para la comunidad. Estos talleres son un componente vital en el proceso de desarrollo de la visión de largo alcance para la gestión del crecimiento y el mejoramiento de la calidad de vida. Para confirmar su participación (RSVP) visite swvalleyplans.org/participation o envíe correo electrónico a <a href="mailto:swvalleyplans.org/participation"

Actualización Administrativa:

Muchas gracias a los Consejos Comunitarios que nos han brindado un listado de inventario actualizado. Muchos miembros de la junta se han sorprendido por la cantidad de inventario del que disponen y de los tipos de artículos disponibles, también. Así que antes de que su Consejo Comunitario haga nuevas compras de inventario, por favor actualice su lista para saber lo que tiene y lo que necesita. Una vez que las listas estén completas, se asignarán a una base de datos supervisada por la Oficina del Secretario Municipal. Para completar su lista de inventario, comuníquese con Kori Parraga en Kori.Parraga@lacity.org.

Actualizaciones de Financiación:

Muchas gracias a aquellos Consejos Comunitarios que han presentado un presupuesto para el año fiscal 17-18. Como ustedes saben, la Oficina del Secretario Municipal no podrá autorizar el gasto de fondos sin un presupuesto vigente. Las buenas noticias para los Consejos (NC) es que tan pronto como la Junta tome acción para aprobar el presupuesto y el Tesorero se haya registrado a través del Sistema de Financiamiento de Consejos Comunitarios, el Tesorero podrá introducir la información del presupuesto a través del nuevo sistema y actualizar el presupuesto en línea. El Tesorero tendrá que cargar el comprobante de que la votación se llevó a cabo, y el Consejo Comunitario puede comenzar a gastar su asignación presente. ¡Felicitaciones a todos los tesoreros y los titulares de tarjetas que han asistido a las sesiones de capacitación en vivo en el Sistema de Financiamiento de Consejos Comunitarios! A la fecha, hemos ofrecido 13 sesiones de capacitación en vivo y hay más programadas para un futuro cercano. También estamos emitiendo tarjetas bancarias en las sesiones en vivo y se les solicita a los participantes que firmen allí todos los documentos pertinentes. Un agradecimiento especial a nuestro Grupo de Trabajo del Sistema de Financiamiento de Consejos Comunitarios por su tiempo, ayuda continua, comentarios y dedicación para garantizar que logremos una exitosa implementación del nuevo sistema en línea. También podemos hacer arreglos para llevar a cabo en el campo algunas sesiones adicionales de capacitación del Sistema de Financiamiento de Consejos Comunitarios, así como también sesiones adicionales de capacitación para el Programa de Financiamiento de Consejos Comunitarios donde analizaremos políticas, procedimientos y lo que se debe y no se debe hacer sobre el gasto de los fondos públicos. Le sugerimos consultar en nuestro sitio web las fechas, ubicaciones y actualizaciones. Aún estamos trabajando en el cierre de los libros para el año fiscal en curso, muchas gracias por el cumplimiento de todos los plazos, realmente apreciamos su flexibilidad y comprensión. A pesar de haber trabajado diligentemente para asegurar que verificamos cada cheque y cada compra, algunos Comités han gastado más de lo que era su asignación anual y han sobregirado o sobregirarán sus cuentas. Si lo anterior se aplica a su caso, recibirá notificación y comenzará el nuevo año fiscal con menos fondos que lo previsto. Finalmente, sírvase esperar comunicación de sus respectivos representantes del programa de financiamiento cuando ellos se pongan en contacto con usted para brindarle el estado de cuenta bancario de junio de 2017 que se necesita para su contabilidad y para los informes del gasto mensual (MER, por sus siglas en inglés). Como siempre, estamos disponibles para apoyarlo en su trabajo y contestar cualquier pregunta a través del (213) 978-1058 o por correo electrónico a Clerk.NCFunding@lacity.org.

존경하는 Downtown LA 위원회대표여러분.

2016-2017 회개 년도에 열심히 해주셔서 감사합니다. 자치의회는 최종적으로 총 320개로써 300개의 환경영향 평가서 제출 목표를 달성 하였습니다. Hollywood Hills West 자치의회는 최고로 많은 수의 환경영향 평가서를 제출하였으므로 이에 찬사를 보냅니다 -33개! 다음 회개 년도에는 자치의회 자금 포탈사이트와 같은 새로운 것들이 많이 있을 것입니다. 해당 포탈사이트는 보기에도 좋습니다. 저희는 상당히 훌륭한 시민 참여 프로젝트도 진행하고 있는데 자치 의회 시스템을 시민들에게 소개하면서 자치의회에 더 많은 엔젤리노들을 연결시킬 수 있도록 하는 것으로써 기술적으로 기초적이면서도 최첨단 의 수준 입니다. 자치의회를 도시와도 공유하기를 원하기 때문에 새로운 포탈사이트의 전략 예산 패캐지 를 제출한 후 2016-2017 회개 년도 전략 예산 패키지에 관한 작년도 자체 평가를 작성하여 2017년 9월 1일까지 제출하는 것을 잊지 마시기 바랍니다. 저희는 이사회와 지역사회 모두에서 자치의회 인구통계 자료 작업을 하고 있으며 이는 15년 후에 시스템에서 참여의 다양성을 알아보기 위한 것입니다. 하기 마감일을 확인하십시오!

도시 기획부에서는 이번 여름 동안 , 지역사회 참여와 지역사회를 위한 토지사용 추천 사항을 정하는 것에 대중의 참여가 가능하도록 샌퍼난 도 밸리 남서부 지역에서 워크숍을 진행합니다. 본 워크숍은 삶의 질을 높이는 운영관리 에 있어서 장기 비전을 개발하는 과정에서 매우 중요한 부분입니다. 참여하는 분은 swvalleyplans.org/participation 또는 이메일 swvalleyplans@gmail.com으로 연락하여 참석을 알려주십시오. 예약 없이 오시는 분들도 환영합니다. 워크숍 에 관해 더 많은 정보는 도시 기획 담당자, 아담 빌라니 에게 (818) 374-5067 또는 Adam.Villani@lacity.org로 연락하십시오.

행정상의업데이트사항.

재고 리스트를 업데이트하여 보낸 자치의회 멤버 여러분께 감사합니다. 많은 이사회 멤버들이 자치 의회가 소지하고 있는 재고의 양과 종류에 대해 놀랐 습니다. 귀 자치의회가 더 이상의 재고 구입을 하기 전에 재고 리스트를 업데이트하여 소지하고 있는 것과 필요한 것이 무엇인지 인지하기 바랍니다. 리스트가 일단 완성되면 도시 서기 사무실이 감독하는 데이터 베이스에 들어갈 것입니다. 재고 리스트를 완성하려면 코리 패라가에게 Kori.Parraga@lacity.org로 연락하십시오.

재정지출업데이트사항.

17-18 회개 년도 예산을 제출한 자치의회에 감사합니다. 아시는 바와 같이 도시 서기 사무실은 현재 예산 없이 자금 을 지출 하지 못하도록 되어 있습니다. 좋은 소식은 귀 자치의회의 이사회가 승인하는 절차를 취하고 회계가 자치의회 자금 시스템을 통해 등록하는 즉시 , 새로운 시 스템을 통해 예산 내용을 입력하여 예산을 온라인으로 업데이트 할 수 있습니다. 회계는 투표를 실시했다는 증 거를 업로드 하여야 하며 자치의회는 현재의 할당액을 사용할 수 있습니다. 자치의회 자금 시스템에 관한 실시간 교육에 참여한 회계 담당자들 및 카드 소유자들에게 찬사를 보냅니다! 오늘 일자로 13개의 실시간 교육을 실시하였고 더 많은 교육이 남아 있습니다. 실시간 교육 중에 은행 카드를 발급하고 있으며 참가자들이 필요한 서류에 서명하는 것을 교육 중에 진행하고 있습니다. 새로운 온라인 시스템을 성공적으로 실행하기 위하여 자치의회 자금 시스템 작업 그룹이 시간과 지속적 지원을 아끼지 않는 것에 특별히 감사합니다. 저희는 공공 자금 사용에 관해 정책. 절차 그리고 해야 하는 일과 해서는 안 되는 일을 토론하는 추가 적인 자치의회 자금 프로그램 훈련과 더불어 더 많은 자치의회 자금 시스템 교육을 현장에서 실시하도록 조치하려고 합니다. 해당 교육의 날짜. 장소 및 소식은 저희 웹사이트를 참조하십시오. 저희는 아직도 본 회개 년도 장부 마감을 위해 노력하고 있습니다. 마감일을 엄수하여 주셔서 감사하며 여러분의 융통성 과 이해에 감사합니다. 모든 수표와 지출을 정리하기 위해 열심히 작업하고 있는 가운데 어떤 자치 계좌에서 연간 할당액 이상을 지출하여 초과 지출을 하 였거 나 초과 지출 이 예상되는 경우가 있습 니다. 이런 경우에는 통지를 받을 것이며 → 예상보다 더 적은 액수로 새로운 회개 년도를 시작해야 합니다. 마지막으로 각각의

尊敬的 Downtown LA 協會 領導

非常感謝您在2016-2017財務年度的辛苦工作!! 社區委員會總共提交了 **320** 份社區影響力報告(CIS),完成了既定的300份的目標。值得稱讚的是 Hollywood Hills West 社區委員會,提交的CIS份數最多 – **33** !下一財務年度會迎來很多新的變化,例如新的社區委員會資金門戶,這點非常令人期待。我們還正在開展一些非常酷的公民參與專案,包括低科技和高科技,以連接更多的洛杉磯人,同時讓更多的人瞭解社區委員會系統。我們也想和市政廳分享社區委員會的影響力,所以在我們的新門戶網站提交"戰略預算方案"後,不要忘了根據去年的社區委員會2016-2017財務年度

的"戰略預算方案"對去年的情況進行自我評估,截止日期為2017年9月1日。我們還將在會上和 社區內進行社區委員會的人口統計,從而在15年後可以看到參與系統人群的多樣性。我們已經將人口統計資料與使用人口 普查資訊來分析社區的利益相關者的研討會相配對。查看下文日期!。

全市運動:

城市規劃部將在夏季在西南聖費爾南多山谷舉辦研討會,吸引社區參與,讓公眾參與制定社區用地建議。此類研討會是發展增長管理和提高生活品質長遠願景過程中的重要組成部分。如需回復,請瀏覽swvalleyplans.org/participation或發送電子郵件至swvalleyplans@gmail.com。歡迎親臨我們辦公室。有關研討會的更多資訊,請電話((818)374-5067)或郵件(Adam.Villani@lacity.org)聯繫城市規劃師Adam Villani。

行政更新:

感謝那些向我們提供最新存貨清單的社區委員會。許多董事會成員也對他們所擁有的庫存量和物品類型感到驚訝。所以在社區委員會有新的採買之前,請更新您的清單,以便知道您有什麼以及需要什麼。一旦清單完成,將進入由市秘書長辦公室監督的資料庫。要完成您的庫存清單,請聯繫Kori Parraga,郵件Kori,Parraga@lacity.org。

撥款更新:

感謝那些已經提交17-18財政年度預算的社區委員會。如你所知,市秘書長辦公室可能不會授權支出預算以外的資金。好消息是,一旦您的董事會採取行動批准預算,財長通過社區委員會資金系統完成註冊,他/她可以通過新系統輸入預算資訊,並線上更新預算。財長必須上傳投票表決的證據,之後社區委員會可以開始支出現有撥款。恭喜所有參加了社區委員會資金系統現場培訓課程的財長和持卡人!截至今天,我們已經提供了13場現場培訓課程,接下來會舉辦更多場。我們也在課程現場上發放銀行卡,並讓參加者現場簽署所有相關的文件。特別感謝我們的社區委員會資金系統工作組能抽出時間,給予持續的幫助、投入和奉獻,以確保我們能夠成功推出新的線上系統。我們也會做出安排,在實際應用中舉辦更多的社區委員會資金系統培訓課程來討論公共資金支出的政策、程式以及利弊。請參閱我們的網站上的日期、地點和更新。我們仍在努力結算本財務年度的帳目,感謝您恪守所有期限,由衷謝謝您的配合和理解。儘管我們盡力確保追蹤每一筆費用和購買,但一些社區委員會已經超出了他們的年度分配額,且已經透支或將透支。如果與您相關,您將收到通知,且新的財政年度資金會減少。最後,請留意,您的資金計畫代表會和您溝通,將為您提供記帳所需的2017年6月份的銀行報表以及月度支出報告(MERs)。一如往常,我們可以透過(213)978-1058或透過電子郵件Clerk.NCFunding@lacity.org為您的工作提供支援並回答任何問題

現場更新:

7月份,我們將和人口普查局攜手舉辦三場研討會:

頁次 | 2

2017年7月5日, 週一

Valley/West: 7月15日週六上午9點—下午12點,地點 Marvin Braude Center Harbor/South: 7月22日週六上午9點—下午12點,地點 Exposition Park Library Central/East LA:7月27日週四下午6點-下午9點,地點Shatto Recreation Center

歡迎參加研討會,瞭解如何瀏覽和利用社區委員會人口普查資料,根據普查的人口資訊制定有效的外展戰略以及根據普查的 經濟資料分析利益相關者。歡迎所有技能和知識背景的人員參會。會議場地提供無線網路,您可以攜帶電腦和/或平板進行 "實操"培訓。

外展更新:

我們目前在社區持續開展社區委員會101個外展服務研討會,通常將其與另一個城市服務(如MyLA311)的教育配對。同時,我們還向移民提供"瞭解你的權利"的教育,並介紹了我們的社區委員會系統,提供英文、西班牙文、韓文和普通話等語種。如果您對社區委員會某一方面需要協助,請透過NCSupport@lacity.org與我們聯繫,以便我們可以與您的董事會合作將其介紹給社區委員會系統。.

政策更新:

新的和更新後的議會文件可以 在這裡找到 ,並且每週在我們週五的通訊中更新。

強制性培訓過期或 錯過的董事會 成員

為了對鄰里議會撥款項目投票 ,鄰里議會的董事會成員必須具備有效的職業操守培訓和撥款培訓。鄰里義務章程可能也要求在對非撥款項目投票時具備這項培訓。要在董事會任職,鄰里議會董事會成員必須閱讀並且簽署了一份《行為守則》或者觀看過視頻。要完成這些培訓,請點擊**這裡**。

注意:親自參加和在網上參加職業操守培訓必須至少 2小時。如果您完成在線職業操守培訓,請確保您花 2小時完成培訓 ,因為我們不會接受任何不到 2小時的證書。

Dear Downtown LA Council leaders.

Congratulations to our 97th Neighborhood Council - Hermon Neighborhood Council in the East area of Los Angeles! The Board of Neighborhood Commissioners approved the Hermon Neighborhood Council's bylaws last week, which was the last step of the subdivision process. We're looking forward to working with the new board. Hard to believe, but the end of the fiscal year is upon us once again. We're really grateful to Mayor Eric Garcetti and the City Council for investing more resources into the Neighborhood Council next fiscal year. We'll now have resources to provide all Neighborhood Council board members access to the online e-learning platform that City employees have so you'll have on demand access to trainings that will also do real time tracking. The timing of elections next year is still up in the air. We'll be working with the City Clerk on a report back to City Council, which will take into consideration that of the 20 Neighborhood Councils that have weighed in on election timing, 13 are requesting elections to be pushed to 2019. Don't forget to take action on your Strategic Budget Package this month so you get them in on time by July 1st!

Citywide Campaign:

Greg Good, Mayor Eric Garcetti's Chief of Legislative and External Affairs, and Ben Winters from the Mayor's Office of Economic Opportunity, will be visiting the Neighborhood Council regional alliances in June to speak on Council File 17-0274, which would establish an Affordable Housing Linkage Fee for development projects to be placed in a Housing Impact Trust Fund.

Administrative Update:

We've added back Languages 4 You as another translation vendor. One of the reports back from the budget hearings that we need to do is to determine how much translation and interpretation funding each Neighborhood Council needs. We'll be following up with your Neighborhood Council in the next few months to get your feedback on this issue. We'll also be contacting your Neighborhood Council to finalize inventory as we prepare to transfer the lists to the City Clerk for ongoing monitoring.

Funding Updates:

We are rapidly approaching the end of the budget fiscal year 2016-17 and would like to do a final reminder to folks on our key deadlines, please refer to the section on "Dates & Deadlines" in your NC Profile. Please adhere to these deadlines; this timeline is necessary as we must close the books and move to a new funding system. June 8, 2017 is also the last day to send us your screen shots from the bank accounts in order for the Funding Program to be able to reconcile any check payments that have not yet cleared. Please refer to the link (Screen Shots) for proper procedures on how to provide the Funding Program with the screen shots. As an additional reminder, board approved emergency expenses after the bank card cut off deadline of June 11, 2017 will be dealt with on a case by case basis and may need to be charged to your 2017/18 budget. There will be no additional NC Funding training in the month of June as we will be focused on providing training to the NCs on multiple dates, times and locations throughout the City on the new NC Funding system. Please be reminded that our website now contains three (3) new trackers with information related to Contracts; Leases; and MERs. As always, should you have any questions, please do not hesitate to contact us at: (213) 978-1058 or via e-mail at Clerk.NCFunding@lacity.org or visit our website at: clerk.lacity.org

Field Updates:

Our new Neighborhood Council Advocates are out and about throughout the City and are excited to be meeting you! To view which Neighborhood Council Advocates are assigned to which Neighborhood Councils, you can visit http://empowerla.org/councils/ Also, see attached list. In addition to attending all Neighborhood Council meetings, June is an exciting time for us here at EmpowerLA as we will be out in your community conducting "NC 101 Trainings" to share with Angelenos about the Neighborhood Council system and the amazing impact Neighborhood Councils have in their

communities. Our NC 101 Trainings will not only help to reach out to underserved communities, but will also bolster greater participation in Neighborhood Councils. If there is a demographic, population, or group in your neighborhood that you think would benefit from such a workshop, please reach out to your Neighborhood Council Advocate to help do this important outreach for the betterment of the community.

Outreach Updates:

Our Field staff have started going out into the neighborhoods to educate the community about the Neighborhood Council system. This is part of our citywide outreach plan to engage more people in Los Angeles. We'll also be doing a demographics analysis of Neighborhood Council board members and the communities they represent as part of this effort so that we can work with Neighborhood Councils to engage underrepresented areas of the City.

Policy Updates:

New and updated Council Files can be found here and are updated every week in our Friday newsletter.

Did You Know?

If you have more than a majority of a quorum of your board on or attending a Neighborhood Council committee, then you need to notice that meeting as a joint committee and board meeting in order for all the board members to speak at the meeting. The agenda must state that out of an abundance of caution, this committee meeting is noticed as a joint board meeting, but will be making recommendations for the Neighborhood Council board to take action at a later meeting. For more information on how to do this, please contact our Neighborhood Council Support Helpline at MCSupport@lacity.org

Comentarios de Apertura

Estimados Downtown LA Líderes del Concejo,

¡Felicitaciones a nuestro 97° Consejo Vecinal - Consejo Vecinal de Hermon en el área Este de Los Ángeles! El Consejo de Comisionados Vecinales aprobó los estatutos del Consejo Vecinal de Hermon la semana pasada, que fue el último paso del proceso de subdivisión. Esperamos con interés trabajar con el nuevo consejo. Es difícil de creer, pero el fin del ejercicio fiscal ya está aquí nuevamente. Estamos muy agradecidos con el Alcalde Eric Garcetti y el Consejo de la Ciudad por invertir más recursos en el Consejo Vecinal (CV) para el próximo ejercicio fiscal. Ahora tendremos recursos para brindar a todos los miembros directivos del Consejo Vecinal acceso a la plataforma de aprendizaje en línea que los empleados de la Ciudad tienen, de modo que usted tendrá acceso por demanda a cursos de capacitación que también darán seguimiento en tiempo real. El momento de las elecciones del próximo año aún está en el aire. Trabajaremos con el Secretario de la Ciudad en un informe para el Consejo de la Ciudad, que tomará en consideración que de los 20 Consejos Vecinales que hemos ponderado en cuanto al momento de las elecciones, 13 están solicitando que las elecciones se difieran a 2019. No olvide tomar acción sobre su <u>Paquete Presupuestal Estratégico</u> este mes para que los tengan a tiempo para el 1 de julio.

Campaña a Través de la Ciudad:

Greg Good, Jefe de Relaciones Legislativas y Exteriores del Alcalde Eric Garcetti, y Ben Winters, de la Oficina de Oportunidad Económica del Alcalde, visitarán las alianzas regionales de Consejos Vecinales en junio para hablar del Expediente del Consejo 17-0274, que establecería que una Tarifa Asequible de Enlace de Vivienda para proyectos de desarrollo se coloque en un Fondo de Fideicomiso de Impacto de Vivienda.

Actualización Administrativa:

Hemos agregado a Languages 4 You como otro proveedor de traducción. Uno de los informes a partir de las audiencias presupuestales que necesitamos preparar es determinar qué tanto financiamiento para traducción e interpretación necesita cada Consejo Vecinal. Estaremos dando seguimiento a su Consejo Vecinal en los próximos meses para obtener su retroalimentación sobre este punto. También estaremos contactando a su Consejo Vecinal para finalizar el inventario a medida que nos preparamos para transferir las listas al Secretario de la Ciudad para monitoreo continuo.

Actualizaciones de Financiación:

Rápidamente nos acercamos al fin del ejercicio fiscal presupuestal 2016-17 y nos gustaría hacer un recordatorio final sobre nuestras fechas límite clave, por favor consulte la sección sobre "Fechas y Fechas Límite" (Dates and Deadlines por su nombre en inglés) en su Perfil de CV. Por favor cumpla con estas fechas límite; esta línea de tiempo es necesaria, ya que debemos cerrar los libros y cambiar a un nuevo sistema de financiamiento. El 8 de junio de 2017 es también el último día para enviarnos sus tomas de pantalla de las cuentas bancarias a fin de que el Programa de Financiamiento pueda conciliar cualesquier pagos con cheque que aún no se hayan liberado. Consulte en el enlace (Tomas de Pantalla) los procedimientos adecuados sobre cómo proporcionar las tomas de pantalla al Programa de Financiamiento. Como recordatorio adicional, los gastos de emergencia aprobados por el consejo después de la fecha límite de corte de tarjeta bancaria del 11 de junio de 2017 se tratarán caso por caso y puede ser necesario cargarlos a su presupuesto 2017/18. No habrá capacitación adicional sobre Financiamiento de CV en junio, ya que estaremos brindando capacitación a los CV en múltiples fechas y ubicaciones a lo largo de la Ciudad sobre el nuevo sistema de Financiamiento de CV. Recuerde que nuestro sitio web ahora contiene tres (3) nuevos rastreadores con información relacionada a Contratos, Arrendamientos y MERs. Como siempre en caso de que tenga preguntas, no dude en contactarnos al: (213) 978-1058 o vía correcto electrónico en Clerk.NCFunding@lacity.org o visite nuestro sitio web en: clerk.lacity.org

Actualizaciones de Campo:

Nuestros nuevos Promotores de Consejo Vecinal están en el campo en toda la Ciudad y están emocionados de reunirse con usted. Para ver cuáles <u>Promotores de Consejo Vecinal están asignados</u> a qué Consejos Vecinales, puede visitar http://empowerla.org/councils/ También vea la lista adjunta. Además de asistir a todas las reuniones de Consejos Vecinales, junio es un mes emocionante para nosotros aquí en EmpowerLA ya que estaremos en su comunidad realizando "Capacitaciones CV 101" para compartir con los Angelinos información sobre el sistema de Consejos Vecinales y el sorprendente impacto que los Consejos Vecinales tienen en sus comunidades. Nuestras Capacitaciones CV 101 no solo ayudarán a alcanzar a las comunidades que no reciben suficientes servicios, sino que también fomentarán una mayor participación en los Consejos Vecinales. Si en su vecindario hay un grupo demográfico, población o grupo que usted piense que se beneficiaría de este taller, contacte a su Promotor de Consejo Vecinal para ayudar a realizar este importante acercamiento para el mejoramiento de la comunidad.

Actualizaciones de Alcance:

Nuestro personal de Campo ha empezado a salir a los vecindarios para educar a la comunidad sobre el sistema de Consejos Vecinales. Esto es parte de nuestro plan de acercamiento en toda la ciudad para involucrar a más personas en Los Ángeles. También haremos un análisis demográfico de los miembros directivos de los Consejos Vecinales y las comunidades que representan como parte de este esfuerzo para que podamos trabajar con los Consejos Vecinales para involucrar áreas de la Ciudad que no tienen suficiente representación.

Actualizaciones de Política:

Archivos del Concejo nuevos y actualizados se pueden encontrar aquí (<u>found here</u>) y se actualizan cada semana en nuestro boletín del viernes.

A continuación se muestra la lista de las personas que están registradas para presentar Declaraciones de Impacto de la Comunidad para su Consejo Vecinal. Por favor envíe un correo electrónico a Lorenzo a lorenzo.briceno@lacity.org para actualizar esta lista

¿Sabía qué..?

Si tiene más que una mayoría del quórum en su consejo o que asiste a un comité de Consejo Vecinal, necesita anotar esa reunión como un comité conjunto y reunión del consejo para que todos los miembros directivos hablen en la reunión. La agenda debe asentar que por una abundancia de precaución, esta reunión del comité se anota como una reunión conjunta del consejo, pero hará recomendaciones para que la mesa directiva del Consejo Vecinal tome acción en una reunión posterior. Para mayor información sobre cómo hacer esto, contacte a nuestra Línea de Ayuda de Soporte de Consejos Vecinales en MCSupport@lacity.org.

NC의기존공급업체

존경하는 Downtown LA 위원회대표여러분.

97번째 자치 의회인 동부 로스앤젤레스의 허먼 자치 의회를 축하 하는 바입 니다. 자치 위원회 이사회는 지난주 허먼 자치 의회의 정관을 승인하였는데 , 이는 자치 절차의 마지막 과정입니다. 저희는 새로운 이사회와 일하는 것을 기대하고 있습니다. 믿기 어렵지만 본 회계 년도도 이제 끝나갑니다. 저희는 에릭 갈세티 시장 및 시의회가 다음 회계 년도 부터 자치 의회에 더 많은 자원을 투자하도록 결정한 것에 대해 매우 감사합니다. 이로써 자치 의회의 이사회 구성원들이 시 직원들에게 허락된 온라인으로 학습하는 플랫폼에 대한 접근 성을 제공하도록 하는 자원을 확보하였으며, 요구가 있을 때 실시간 추적이 되는 훈련에 대한 접근 성을 갖게 될 것입니다. 내년 선거의 날짜는 아직 정해지지 않았습니다. 저희는 시 서기와 협력하여 시의회에 다시 보고하는 일을 할 것이며 시의회는20명의 자치 의회 의원들이 선거 날짜를 논의하고 있고 , 13명의 의원들은 선거를 2019년으로 미루자고 논의하는 것을 고려할 것입니다. 귀하의 전략 예산 패키지 에 대해 이번 달에 조치를 취하여 7월 1일까지 받을 수 있도록 하는 것을 잊지 마십시오.

시전체의캠페인.

에릭 갈세티 시장의 입법 및 대외 문제 국장인 그렉 구드와 경제 기회 사무실의 벤 윈터스는 6월에 자치 의회의 지역 연합들을 방문하여 의회 파일 17-0274 에 대해 논의하려고 하는데 이는 "주택 영향 신탁 기금"에 포함시키기 위 한 개발 프로젝트를 위한 "저렴한 주택 연결 수수료"를 수립하기 위한 것입니다.

행정상의업데이트사항.

또 다른 통역번역 업체로써 "Languages 4 You "를 추가하였습니다. 저희가 해야 하는 예산 심리에서 나온 보고중의 하나는 각각의 자치 의회가 얼마만큼의 번역 및 통역 자금의 필요한지를 결정하는 것입니다. 저희는 향후 몇 달동안 이 문제에 대한 귀하의 의견들을 수렴하여 귀하의 자치 의회와 함께 후속적인 조치를 취하려고 합니다. 저희는 계속되는 모니터링을 위해 시 서기에게 해당 리스트를 넘기는 준비를 함에 따라, 귀하의 자치 의회와 연락하여 또한 목록을 최종화 하려고 합니다.

재정지출업데이트사항:

2016-17 회계 년도의 끝을 향해 달려가고 있으므로 저희의 핵심 마감일에 대해 마지막으로 상기하고자 하며 귀하는 귀하의 NC 프로파일의 "날짜 및 마감일" 부분을 확인하기 바랍니다. 본 회계 년도를 마감하고 새로운 회계 체계로 넘어가기 위해 필요한 기한들 입니다. 2017년 6월 8일은 자금 프로그램의 구좌에서 결제 되지 않은 수표 지불금의 결산을 맞추기 위하여 귀하의 은행 구좌의 스크린 사진을 저희에게 보내주는 마 지막 날 입니다. 자금 프로그램의 스크린 사진을 어떻게 제공할 수 있는지에 대한 적합한 과정은 링크 (Screen Shots)을 참조하십시오. 추가로 2017년 6월 11일 은행 카드 사용 마감 날짜 이후에 이사회에서 승인된 비상 지출은 각 건마다 처리될 것이며 귀하의 2017/18 예산으로 청구될 수 있다는 것을 알립니다. 새로운 자치 의회 자금 체계에서 시 전체에 걸쳐 여러 날짜에, 여러 차례, 여러 장소에서 자치 의회에 교육을 실시하는 것에 집중하기 위하여 6월 달에는 추가적인 자치 의회 자금 교육은 없을 것입니다. 저희 웹사이트는 계약, 임대차 계약 및 MER에 관련하여 세가지(3)의 새로운 추적 기능을 가지고 있습니다. 항상 그렇듯이 만약 질문이 있다면 망설이지 말고 (213) 978-1058로 전화하거나 Clerk.NCFunding@lacity.org로 이메일 하거나 저희 웹사이트 Clerk.lacity.org를 방문하십시오.

필드업데이트사항:

저희의 새로운 자치 의회 에드버킷들은 시 전체에서 활동하고 있으며 저희 시에서는 여러 에드버킷들을 환영합니다! 어느 자치 의회에 어느 자치 의회 에드버킷 들이 할당되었는지를 보시려면 http://empowerla.org/councils/를 방문하십시오. 또한 첨부된 리스트를 보십시오. 모든 자치 의회 회의에

참석하는 것에 추가하여 6월 달은EmpowerLA로 인해 의미 있는 시기입니다. 자치 의회 체계와 자치 의회가 각자의 지역사회에 얼마나 좋은 영향을 미쳤는가를 앤젤리노들에게 알리기 위해 저희가 "자치 의회 101 교육"을 귀하의 커뮤니티에서 실시하고 있기 때문입니다. 저희의 "자치 의회 101 교육"은 소외된 커뮤니티를 도우려는 것뿐만 아니라 자치 의회에 더 큰 참여 강화에 도움이 될 것입니다. 만약 이런 워크 숍을 통하여 혜택을 받을 것이라고 여겨지는 주위의 사람들이나 인구 집단, 그룹 등이 있다면 자치 의회 에드버킷에 연락하여 저희 커뮤니티의 발전을 위해 중요한 지원활동이 이루어 지도록 하십시오.

봉사활동업데이트사항.

저희 현장 직원들은 자치 의회 체계에 대해 커뮤니티를 교육하기 위해 우리 이웃에 나가 활동을 시작했습니다. 이는 로스앤젤레스 시에서 더 많은 사람들과 접촉을 하기 위한 시 전체 지원활동 계획의 일환입니다. 저희는 이런 노력의 일환으로 자치 의회 이사회 이사들과 그들이 대표하는 커뮤니티에 대한 인구학적 분석을 실시하려고 합니다. 이를 통해 저희가 자치 의회들과 함께 도시 내에서 대표되어 지지 못한 지역들과 협업할 수 있도록 하기 위한 것입니다.

重要的日期

鄰里議會的現有服務供應商

尊敬的 Downtown LA 協會領導

熱烈祝賀我們的第97個鄰里委員會——位於洛杉磯東區的赫蒙鄰里委員會(Hermon Neighborhood Council)正式成立!上周,鄰里委員會理事會批准了赫蒙鄰里委員會的章程,這是委員會分設部門成立過程的最後一步。我們十分期待與新的理事會成員共事。然而令人難以置信的是,我們的財政年度再一次結束了。市長埃裡克·加西蒂(Eric Garcetti)和市議會向鄰里委員會的下一個財年投入了更多的資源,我們對此深表感謝。因此,我們現在有資源可以提供給所有鄰里委員會理事會成員,使其可以訪問市級職員所能訪問的線上電子學習平臺。與此同時,您可以隨時瀏覽平臺並將進行即時跟蹤的培訓。另外,明年的選舉時間仍然懸而未決。我們將與市議員一起向市議會報告,並將考慮到在20個鄰里委員會就選舉時間所發表的看法中,其中13個鄰里委員會要求將選舉推到2019年。最後,請不要忘記在本月對您的戰略預算基採取行動,以便您在7月1日之前能夠準時獲取。

全市運動:

來自埃裡克·加西蒂市長辦公室的立法和對外事務主管葛列格·顧德(Greg Good),以及市長經濟機遇辦公室的本·溫特斯(Ben Winters)將於6月份訪問鄰里委員會區域聯盟,並就<mark>委員會檔</mark>17-0274</u>發表意見,該檔將為開發項目建立經濟適用房聯動費,並將其置於住房影響信託基金中。

行政更新:

我們已經重新添加了Languages 4 You公司做為另一個翻譯供應商。從預算聽證會的其中一份報告中可以明確,我們需確定每個鄰里委員會關於翻譯和口譯資金的需求量。在接下來的幾個月裡,我們會對您的鄰里委員會進行跟進,以獲得關於這一問題的回饋。另外,在準備將財產清冊轉交市議員進行持續監控期間,我們也會持續聯繫您的鄰里委員會以便完成清點。

撥款更新:

2016-2017財政年度即將結束,我們想要提醒大家注意關鍵項目的截止時間。請參考您的鄰里委員會檔案中"日期和截止日期"這一部分,並請您遵守這些截止期限。這個時間表是十分必要的,因為我們必須結算帳目並進入新的資金系統。2017年6月8日是向我們發送銀行帳戶螢幕截圖的最後一天,以便籌資計畫(Funding Program)能夠調整尚未清算的任何支票付款。關於如何向籌資計畫提供螢幕截圖的正確程式,請參閱連結(螢幕截圖)。另外需要提醒的是,2017年6月11日銀行卡截止日期之後,由理事會批准的緊急費用將根據具體情況進行處理,且可能需要算入您的2017-2018年度預算中。6月份將不會進行額外的鄰里委員會籌資培訓,因為我們將專注於在整個城市的多個日期、時間和地點為新的鄰里委員會資金系統提供培訓。請注意,我們的網站現在包含三個與合約、租賃和市場匯率有關資訊的追蹤器。一如以往,如果您有任何問題,請隨時聯繫我們。電話:(213) 978-1058;電子郵件:Clerk、NCFunding@lacity.org或瀏覽我們的網站:clerk、lacity.org

現場更新:

我們新的鄰里委員會宣導者遍佈在整個城市,並很期待與您的會面!要查看鄰里委員會宣導者分配給哪個鄰里委員會的情況,您可以瀏覽http://empowerla.org/councils/網站,並請參閱附件。除了參加所有鄰里委員會的會議外,六月份在鄰里委員會Empowerla我們將度過令人激動的時刻,因為我們將在您的社區進行"鄰里委員會 101培訓(NC 101 Trainings)",與洛杉磯人分享有關鄰里委員會制度及其在各自社區產生的巨大影響。我們的鄰里委員會 101培訓不僅有助於接觸到服務不夠周到的社區,而且還將鼓勵更多人參與鄰里委員會。如果您認為您所在的社區有個人或群體會受益於這樣一個研習會,為了該社區的改善請您聯繫您的鄰里委員會宣導者以幫助實施這一重要的外聯活動。

外展更新:

我們的實地工作人員已經開始走進社區,讓各社區瞭解鄰里委員會制度。這是我們全市範圍內宣傳計畫的一部分,以便吸引 更多在洛杉磯的人員參與。我們還將對鄰里委員會理事會成員及其所代表的社區進行人口統計分析,以做為這項工作的一部 分。這樣以便我們與鄰里委員會合作並吸引城市裡那些代表名額不足的地區。.

政策更新:

新的和更新後的議會文件可以 在這裡找到 ,並且每週在我們週五的通訊中更新。

下面是登記為您的鄰里議會提交社區影響報告書的人的名單。 請給 Lorenzo發送電子郵件 <u>lorenzo.briceno@lacity.org</u>,更新此名單

您瞭解嗎?

如果您的理事會超過法定人數或出席鄰里委員會的人數超出限制,那麼您需要注意做為聯合委員會和理事會會議,要確保所有理事會成員都能在會議上發言。出於謹慎,議程中必須指出:這次委員會會議雖然是做為聯席委員會會議,但將會為鄰里委員會理事會提出建議,以便在稍後的會議上採取行動。有關如何做到這一點的更多資訊,請聯繫我們的鄰里委員會支持和幫助熱線:NCSupport@lacity.org

Dear Downtown LA Council leaders,

We're a quick 2 months from the end of the fiscal year! Please be mindful of the Neighborhood Council Funding Program deadlines in early June. Currently, there is \$2.4 million of unspent Neighborhood Council funding, which is two-thirds of the yearly allocation. If your Neighborhood Council needs to spend down funds, please consider contributing to the Congress of Neighborhoods and Neighborhood Council Budget Advocates' work next year since they both serve the entire Neighborhood Council system. Click here for the Board Resolution Form. Next fiscal year, the Mayor's proposed budget provides \$42,000 annual funds per Neighborhood Council. Please have your Neighborhood Council complete the Fiscal Year 2017-2018 Strategic Budget Package and submit by July 1, 2017.

Citywide Campaign:

The Mayor's proposed budget for Fiscal Year 2017-2018 has been released so please have your Neighborhood Council weigh in on it with a Community Impact Statement for <u>Council File 17-0600</u> for the City Council to review. Per the City Charter, Neighborhood Councils are to weigh in on the City budget so your Neighborhood Council can discuss any of the City department's asks, including <u>EmpowerLA's budget request</u>, or the Neighborhood Council Budget Advocates <u>white paper</u> in your CIS.

Administrative Update:

We anticipate the certification of the <u>97th Neighborhood Council</u> by the Board of Neighborhood Commissioners this month - Hermon Neighborhood Council. There is still a pending election challenge for the forming Skid Row Neighborhood Council before the election results are certified.

Funding Updates:

The NC Funding Program is gearing up to close the budget fiscal year in June 2017. Because of the preparation and logistics involved with year-end closing and moving to a new funding system, we are asking the NCs to observe key dates in June. **PLEASE BE REMINDED**: If you have expenses to cover after June 1, 2017, ex. 4th of July event expenses, they must be approved at your May 2017 board meeting AND the Funding Request Form must be received by June 1, 2017. All event submissions must be received 30-days in advance of the event. Board approved emergency expenses after the Bank Card cut-off deadline of June 11, 2017 will be dealt with on a case by case basis and may need to be charged to your 2017/18 budget.

Staff will be assisting with close-out paperwork for NPGs, Events, Community Improvement Projects, etc. We will be holding two NC Funding Trainings in May, one at City Hall and one in South Los Angeles. If a Neighborhood Council is missing 3+ MERs, this Office will assign a contracted vendor to work with the NC at the NC's expense to bring the MERs up to compliance. Finally, we have completed our Citywide round table discussions regarding the new funding system. We will be coordinating a focus group of NC Treasurers to vet some of the specific issues and concerns from the discussions. Should you have any questions or concerns, please contact us at (213) 978-1058 or via e-mail at Clerk.NCFunding@lacity.org

Harbor/South: Thursday, May 25th 7 - 9 pm

If you can't make it, it's ok! You can always take an online ethics course available at www.empowerla.org/self-serve We're still recruiting for Neighborhood Council Civic Youth so please direct anyone ages 16-24 years old, who is interested in leadership and advocacy, to <u>apply on our website</u> by May 24th.

Outreach Updates:

EmpowerLA's Outreach Team is pleased to offer the final template of the Neighborhood Guide, click here to read more about getting your own guide, which you can get printed and distributed by your local printer or mailing house. The guide introduces your Neighborhood Council to your stakeholders, both residential and business, so they know who your council is, what you do, and how to connect with City of LA services. To get free artwork for your own Neighborhood Guide, just fill out this form with your council's information, and you'll receive a guide that is ready for your local printer or mail house. The Neighborhood Guide mailer program was piloted by the Mayor's Innovation Team, together with the Historic Highland Park Neighborhood Council, which was the first council to distribute this mailer.

¡Estamos a 2 cortos meses para concluir el año fiscal! Por favor tenga en cuenta las fechas límites que ocurren al inicio de Junio del Programa de Fondos para Consejos Vecinales. Actualmente, existen \$ 2.4 millones de fondos por gastar por los Consejos Vecinales, lo cual consisten en dos terceras partes de la distribución anual. Si su Consejo Vecinal necesita ideas para utilizar estos fondos, por favor considere contribuir hacia el Congreso de Concejos Vecinales y hacia el trabajo desempeñado por los Representantes que Abogan por el Presupuesto de los Concejos Vecinales (*Neighborhood Council Budget Advocates*) del próximo año, ya que ambos obran a favor del sistema de Concejos Vecinales. Ingrese a este enlace para obtener el Formulario de Resolución de la Junta. El Presupuesto que el alcalde propone, cuenta con \$ 42,000 enfondos anuales por Concejo Vecinal para el próximo año fiscal. Por favor asegure que su Consejo Vecinal complete el Paquete Presupuestal Estratégico para el año fiscal 2017-2018 y que sea presentado antes del 1 de julio del 2017.

Campaña a Través de la Ciudad:

Se ha publicado el Presupuesto que el Alcalde propuso para el Año Fiscal 2017-2018, por eso pedimos que su Consejo Vecinal comparta sus opiniones acerca de este mismo por medio de un Informe de Impacto a la Comunidad ("CIS" por sus siglas en inglés) para el Expediente de Ayuntamiento titulado Council File 17-0600 para que sean considerados por los miembros del Concejo Municipal. Conforme a la Constitución Municipal, los Consejos Vecinales deben intervenir sobre el Presupuesto Municipal para permitir que su Consejo Vecinal pueda considerar e incluir, en su CIS, cualquier petición solicitada por algún Departamento Municipal, incluyendo la Solicitud de Presupuesto de EmpowerLA (EmpowerLA's budget request) o el documento titulado "White Paper" emitido por los Representantes de Presupuesto de los Consejos Vecinales.

Actualización Administrativa:

Este mes anticipamos la certificación del nonagésimo séptimo (97°) Consejo Vecinal de Hermón por la Junta de Comisionados de los Concejos Vecinales. Aún existe un desafío pendiente sobre las elecciones que formará el Concejo Vecinal de Skid Row que deberá ser resuelto antes de certificar los resultados de las elecciones.

Actualizaciones de Financiación:

El Programa de Financiamiento de Consejos Vecinales se está preparando para cerrar el año fiscal en junio de 2017. Debido a los preparativos y logística que corresponden con los trámites de cierre de fin de año y a la vez pasar a un nuevo sistema de financiamiento, les pedimos a los Consejos Vecinales que tomen en cuenta las fechas claves de junio. **POR FAVOR RECUERDE**: Si tendrán que cubrir gastos a partir del 1 de junio de 2017, por ejemplo, los gastos de un evento del día 4 de julio, estos deberán ser aprobados en su reunión de la Junta Directiva de mayo de 2017 Y ADEMÁS, el Formulario de Solicitud de Financiamiento (*Funding Request Form*) debe ser recibido antes del 1 de junio de 2017. Todas las solicitudes para eventos deberán ser recibidas 30 días antes del evento. Los gastos de emergencia aprobados por su Junta después de la fecha límite del 11 de junio de 2017 de la Tarjeta Bancaria, serán considerados caso por caso y posiblemente serán restados de su presupuesto 2017/18.

Habrá personal disponible para ayudar con el papeleo para finalizar las Subvenciones de Propósitos Vecinales ("NPG" por sus siglas en inglés), Eventos, Proyectos de Mejoras Comunitarias, etcétera. Ofreceremos dos Capacitaciones sobre el Financiamiento de Consejos Vecinales en el mes de mayo, uno en el Ayuntamiento y otro en Sur Los Ángeles. Si a algún Concejo Vecinal le hace falta 3+ Informes de Gastos Mensuales ("MRE" por sus siglas en inglés,) esta Oficina le asignará, al Consejo Vecinal, un contratista independiente para que trabaje con el Consejo Vecinal para que los MERs estén en cumplimiento de las normas. Finalmente, hemos concluido nuestros diálogos de mesas redondas a nivel de la Ciudad "Citywide" respecto al nuevo sistema de financiamiento. Estaremos coordinando un grupo temático de Tesoreros de Consejos Vecinales para explorar algunas cuestiones e inquietudes específicas que se presentaron durante los diálogos. Si tiene alguna pregunta o inquietud, favor de comunicarse con nosotros al (213) 978-1058 o por correo electrónico a Clerk.NCFunding@lacity.org

Actualizaciones de Alcance:

El Equipo de Alcance de EmpowerLA se complace en ofrecer la plantilla final de la Guía Vecinal, haga clic aquí para obtener más información sobre cómo obtener su propia guía, la cual puede imprimir y ser distribuida por su impresora local u oficina de distribución de correo más cercana. La guía provee información sobre su Consejo Vecinal a los miembros de la comunidad, tanto residenciales como empresariales, para que conozcan a su Consejo Vecinal, qué hace, y cómo conectarse con los servicios de la Ciudad de Los Ángeles. Para obtener ilustraciones gratuitas para su propia Guía Vecinal, simplemente llene este formulario con la información de su Consejo Vecinal, y recibirá una guía que estará lista para su impresora local o su oficina de distribución de correo. El programa de envío por correo de la Guía Vecinal fue emprendido por el Equipo de Innovación del Alcalde, junto con el Consejo Vecinal Histórico de Highland Park, que fue el primer consejo en distribuir este boletín.

존경하는 Downtown LA 위원회대표여러분.

이제 2개월 후면 회계년도가 종료됩니다. 지역협의회 (Neighborhood Council) 펀딩 프로그램의 기한이 6월 초까지라는 것을 다시 말씀드립니다. 현재 지역협의회 자금은 240만 달러가 남았으며 이 금액은 연간 할당액의 2/3에 해당합니다. 귀하가 소속된 지역협의회가 자금에서 지출금을 따로 써야 한다면 지역 의회 (Congress of Neighborhoods) 와 지역협의회 예산 옹호자 (Neighborhood Council Budget Advocates) 에 기여하는 것을 고려해 주십시오. 이 두 곳은 전체 지역협의회 시스템을 위해 일하고 있습니다. 이사회 결의 양식 (Board Resolution Form)은 여기를 클릭해 주십시오. 시장은 다음 회계년도를 위한 예산으로서 지역협의회당 연간 자금으로 \$42,000를 제안했습니다. 귀하가 소속된 지역협의회가 2017-2018 회계년도 전략적 예산 패키지 를 작성하여 2017년 7월 1일까지 제출하도록 해 주십시오.

시전체의캠페인:

시장이 제안한 2017-2018 회계년도 예산이 공개되었으므로 시 위원회의 평가를 위해 해당 지역협의회가 <u>협의회파일 17-0600</u>에 대한 지역사회 영향 진술서 (Community Impact Statement) 와 예산을 비교/검토하도록 해주십시오.시 발행 허가증에 따라 지역협의회는 시 예산을 비교/검토하여 <u>EmpowerLA의 예산 요청</u> 또는 해당 CIS의 지역협의회 예산 옹호자 <u>백서</u>를 비롯한 시 부서의 요청사항에 대해 해당 지역협의회가 논의할 수 있도록 해야 합니다

행정상의업데이트사항.

저희는 이번 달에 지역 이사회 커미셔너(허몬 지역협의회)들이 <u>97차 지역협의회</u> 증명서를 발급할 것으로 예상합니다. 선거 결과를 증명하기 전에 스키드로우 지역협의회를 형성하기 위한 미결 선거 문제가 아직 있습니다.

재정지출업데이트사항.

지역협의회 펀딩 프로그램은 2017년 6월에 예산 회계연도를 마무리하기 위해 노력하고 있습니다. 연말 마감 및 새로운 자금 시스템으로 전환하는 것과 관련된 준비와 물류 문제 때문에 NC에게 6월의 중요한 날짜를 신중하게 검토하도록 요청하고 있습니다. 다음 사항을 기억해 주십시오. 7월 4일 이벤트 비용을 제외하고 2017년 6월 1일 이후에 결산할 지출이 있다면 2017년 5월 이사회에서 승인을 받아야 하며, 자금조달 요청서 (Funding Request Form)를 2017년 6월 1일까지 제출해야 합니다. 모든 이벤트 제출물은 이벤트 날짜로부터 30일 전에 미리 제출해야 합니다. 이사회에서 은행 카드 마감 기한인 2017년 6월 11일 이후에 승인한 비상 지출은 사례별로 처리되며 귀하의 2017/2018년 예산으로 이월되어야 할 수 있습니다.

NPG, 이벤트, 지역사회 개선 프로젝트 (Community Improvement Projects) 등을 위한 마감 서류작성을 직원들이 도와드릴 것입니다. 5월에 2회의 NC 자금조달 교육을 개최하는데 한 번은 시청에서, 한 번은 사우스로스앤젤레스에서 개최합니다. 지역협의회가 3회 이상 MER을 놓칠 경우, 담당실이 계약을 맺은 하청업체를 지정하여 NC와 NC 지출에 대해 협력하여 MER 준수를 도와드릴 것입니다. 마지막으로 새로운 자금조달시스템에 관한 시 차원의 토론회를 마쳤습니다. 전문 NC 회계 담당자 그룹을 형성하여 토론에서 밝혀진 특정문제점이나 건의 사항에 대해 조사할 계획입니다. 궁금하신 사항이나 문제가 있으시다면 (213) 978-1058번으로전화하시거나 Clerk.NCFunding@lacity.org로 이메일을 보내 주십시오.

필드업데이트사항.

시 변호사 사무실과 협력하여 5월에 실용 윤리 교육 (Live Ethics Training)을 3회 실시할 예정입니다 · 모든 이사회 구성원들은 캘리포니아주 법률에 따라 2년마다 윤리 교육을 실시해야 합니다 · 통역/번역이 필요하신 경우 워크샵

날짜로부터 3개월 이상 이전에 NCSupport@lacity.org로 연락하여 일정을 정할 수 있도록 해주십시오 . 자세한 내용은 곧 보내드릴 것이며 직접 만나뵙기를 기대합니다 .

尊敬的 Downtown LA 協會領導,

我們離財年結束只有 2個月了!請注意六月初的社區理事會資助截止日期。目前,社區理事會還有240萬撥款沒有使用,這筆款項是全年撥款地方三分之二。如果您的社區理事會需要花費資金,請考慮貢獻給社區和社區理事會預算案倡導者大會下一年度的工作,因為他們均為整個社區理事會系統服務。點擊這裡,獲取《董事會決議表》。下一個財政年度,市長提出的預算案為每個社區理事會提供42,000美元的年度資金。請您的社區理事會在2017年7月1日之前填妥《2017-2018財政年度戰略預算套餐》並且提交。

全市運動:

市長提出的2017-2018財政年度預算案已經發表 ,所以請您的社區理事對其進行權衡,並且提供一份社區影響報告書<u>理</u><u>事會文件 17-0600</u> 供市議員審查 。根據市府憲章,社區理事會應該對市府預算案進行權衡,以便您的社區理事會可以在您的《社區影響報告書》(CIS)中討論市府部門的任何要求,包括EmpowerLA的預算要求,或者社區理事會預算案倡導者白皮書。

行政更新:

我們預計 $\underline{\hat{\pi}}$ 97 社區理事會在這個月會被社區委員認證— Hermon社區理事會 · 在選舉結果獲得認證之前,成立貧民區社區理事會的選舉挑戰仍然未決 · 。

撥款更新:

社區理事會**資助計劃正在加緊進行**,**以便在 2017**年6月關閉預算財年。由於年底關閉和轉移到一個新的資助系統所涉及的準備和物流工作,我們要求社區理事會關注六月份的關鍵日期。**請留意**: If you如果您在 2017年6月1日之後要支付費用,不包括7月4日的活動費用,這些費用必須在2017年5月份的董事會會議中批准,並且在2017年6月1日之前收到《資助要求表》。所有的活動文件的提交必須在活動之前提前30天收到。在2017年6月11日銀行卡截止日期之後,理事會批准的緊急費用將按照具體情況處理,可能需要納入您的2017/18年的預算中。

工作人員將協助完成社區用途撥款 、獲得、社區改善項目等等文書工作 。我們將在五月份主辦兩場社區理事會 資助培訓,一場在市政廳 ,另一場在洛杉磯南部 。如果一個社區理事會錯過《月度開支報告》超過3次,本辦公室將指派一名合約供應商與該社區理事會合作,使其《月度開支報告》合規,費用由該社區理事會承擔。最後,我們完成了關於新的資助系統的全市圓桌討論。我們將協調一個社區理事會財務主管焦點小組來審議討論中出現的一些具體問題和疑慮。如果您有任何問題或疑慮,請與我們聯繫,電話: (213) 978-1058,電子郵箱 : Clerk.NCFunding@lacity.org

現場更新:

我們與市檢察官辦公室合作在五月份提供 3場現場職業操守培訓。加州法律規定所有董事會成員每兩年必須參加職業操守培訓。如果您需要筆譯/口譯服務 ,請在培訓班開始之前至少提前 3^{天聯繫}NCSupport@lacity.org ,以便我們能夠做出安排。敬請關注即將發出的詳情,我們期待著您的光臨!

山谷:T5月22日,週四,晚上7時至9時

洛杉磯中部/東部 :5月17日,週三,晚上7時至9時

海港/南部:5月25日,週四,晚上7時至9時

如果您不能參加,沒關係!您總是可以在www.empowerla.org/self-serve網站上上在線職業操守課程。我們還在招募社區理事會公民青年,所以請告訴年齡在16至24歲之間的有志於領導和倡導的人在 5月24日之前在我們的網站上申請。

外展更新:

2017年5月1日, 週一

EmpowerLA的外展團隊很高興能提供 《社區指南》的最終模塊,<u>請點擊這裡</u>,閱讀如何獲取您的指南的更多資訊,您可以用您所在地的打印機或郵寄室打印和分發該指南。該指南把您的社區理事會介紹給您的利益相關者,保健居民和商家,一般他們了解您的社區理事會、您所做的工作、以及如何與洛杉磯市府服務機構連接。要獲得您自己的社區指南的免費藝術品,只要填寫本表,填入您的律師的資訊 ,您就會收到準備好在您的當地打印機上或者郵件室打印的指南。該《社區指南》郵件計劃是一項試點,由市長的創新團隊與歷史悠久的高地公園社區洛杉磯共同推出,該理事會是分發該郵件的第一個理事會。

為了對鄰里議會撥款項目投票 ,鄰里議會的董事會成員必須具備有效的職業操守培訓和撥款培訓。鄰里義務章程可能也要求在對非撥款項目投票時具備這項培訓。要在董事會任職,鄰里議會董事會成員必須閱讀並且簽署了一份《行為守則》或者觀看過視頻。要完成這些培訓,請點擊**這裡**。

注意:親自參加和在網上參加職業操守培訓必須至少 2小時。如果您完成在線職業操守培訓,請確保您花 2小時完成培訓 ,因為我們不會接受任何不到 2小時的證書。

To DONE,

As Chair of the Skid Row Neighborhood Council- Formation Committee, I am contacting you regarding the "penalty phase" of our Election Challenge Review Panel held last week at Deaton Auditorium on May 3rd.

With our, not one, not two, but 3 challenges being upheld, it is quite obvious that the appropriate penalties for each of these successful challenges far exceed a simple Letter of Reprimand (of the 5 penalty options listed on your EmpowerLA website).

The next two options are Disqualification of Candidate (in this case DLANC) or Disqualification of Votes.

When analyzing these two penalty options, the following conclusions can be made;

- 1) A disqualification of DLANC suggests that Skid Row would automatically be granted it's neighborhood council since DLANC is who we are attempting to break away from, so without the presence of DLANC, there is no significant subdividing factor which could prevent the creation of the Skid Row Neighborhood Council,
- 2) A disqualification of votes cannot be based on disqualifying specific voters and therefore should focus on the need to factor an appropriate percentage of "No" voters to deduct. Because there are 3 separate successful challenges the penalties must be multiplied by 3.

For instance, computations of 847 registered voters from DLANC's 2016 NC elections and 1127 DLANC's General Mailing List are as follows;

```
5% of 847= 42.3 ... x3= 126.9 (127 votes) 5% of 1127= 56.2 ...x3= 168.6 (169 votes) 10% of 847= 84.7 ...x3= 254.1 (254 votes) 10% of 1127= 112.7 ...x3= 338.1 (338 votes)
```

...and so forth.

It is easy to determine that even at a 5% penalty (multiplied by 3 separate penalties, the deduction is still significant enough to overturn the results of our Subdivision election, thus giving Skid Row it's neighborhood council.

Also, it is our interpretation that the appropriate penalties regarding Disqualification of Votes/Voters will be significantly increased from what we've offered, thus an even greater deduction would be determined by DONE.

It must also be noted that because this was a matter involving complications connected to online voting, the complete removal of ALL online votes would leave a total of 183-19 in favor of the Skid Row NC.

Separately, NC funding loss penalties do not seem appropriate at this level of penalty because neither of our challenges that went before the Review Panel were in regards to funding issues (However, it should be noted that because evidence was presented proving DLANC promoted a non-neighborhood council and non-City-approved entity called "Unite DTLA" and it's use of DLANC's mailing address, DONE can, and should, investigate this matter further which should include the possibility of funding penalties).

As for referral to the City Attorney's office for criminal prosecution, we feel that this penalty option should be revisited once DONE's 60-day investigation (as recommended by the Review Panel) is completed.

What needs clarification is the fact that a new election is NOT an option!

In fact, not only does it state this on the EmpowerLA website, but DONE GM Gracye Liu publicly stated as such during the public deliberation period of the Election Challenge Review Panel. Because we had several members/supporters filming that night, we would be more than happy to provide DONE with a copy of Ms. Liu's statement, upon request.

Further, in the EmpowerLA Subdivision Manual it states;

Challenge Remedies

If a challenge is found to be valid, remedies will be narrowly interpreted to affect only the voters, candidates, or seats affected. Redoing the entire Neighborhood Council election is not a remedy unless the challenge affected every seat on the ballot. Remedies can include, but are not limited to, letters of correction/reprimand, disqualification of candidates or voters, Neighborhood Council funding penalties and referral to the City Attorney's Office for criminal prosecution.

The seconde sentence clearly states, "Redoing the entire NC election IS NOT a remedy"..."unless the challenge affected every seat on the ballot".

It is our interpretation that our challenges only affected the "No" votes, thus a new election IS NOT an option.

This, thereby, brings us back to the only applicable penalty option, which is either of the "Disqualification" options.

And based on the calculations we provided above, there is NO question that Skid Row will soon be granted it's own neighborhood council.

We eagerly await DONE's final determination!

Regards,

General Jeff

April 12, 2017 Council File 15-1364-S1

Honorable City Council c/o Office of the City Clerk Los Angeles City Hall 200 North Spring Street, Room 395 Los Angeles, CA 90012

Dear Honorable Members,

The Downtown Los Angeles Neighborhood Council ("DLANC") requests that the following Community Impact Statement be added to Council File 15-1364-S1 in support of the Council's effort to support, retain, and preserve small businesses—especially long-established and/or locally-owned businesses—in Downtown LA.

DLANC strongly supports the City's commitment to providing effective support services and incentives for small businesses, and greatly appreciates the opportunity to provide its input regarding Downtown LA. DLANC believes that small businesses are essential to the diverse character of its neighborhood. While Downtown LA has experienced unprecedented growth and development in recent years, that influx of wealth and people can put small businesses under incredible stress in often-unforeseen ways. DLANC has used this Council File as a chance to reach out to neighborhood small businesses for their first-hand perspective on support, retention, and preservation. As the Council moves forward with this file, DLANC looks forward to working together with the CLA, Economic and Workforce Development Department and the soon-to-be-formed Los Angeles Small Business Commission to realize the recommendations it has identified below. We hope that our collective insight and advice can provide real value to the resulting report and policy responses.

In response to this Council file, DLANC members have invested considerable time and energy talking with small businesses in Downtown LA and collecting their concerns. Many of the issues and recommendations below are interconnected, though some obviously have more significance than others. While the priority of order may change from business owner to business owner, DLANC has tried to organize the following issues in terms of importance to our stakeholders.

1. <u>Centralized Permitting Services</u>: We regularly heard from our neighborhood small businesses that the City must work toward providing a clear, centralized system of access to City and area services, especially streamlined permitting. Throughout Downtown LA, prospective small business owners are regularly held up for two to three years on permitting issues that could be resolved through centralized administration. Even if the

City does not set up one, single clearinghouse for small business permits, it must establish better lines of communications between the different permitting bodies.

- 2. <u>Safety</u>: Many storefronts in Downtown LA report regular instances of property theft, threats of bodily harm, and other crimes. Oftentimes, the crimes are relatively minor, which limits the responsiveness of the Los Angeles Police Department. And while the Downtown Business Improvements Districts offer crucial security support to member businesses, their services do not cover all businesses and all types of crime. In many circumstances, small business owners have no one to contact for reprieve. The City should establish an alternate system for responding to small business owners impacted by crime.
- 3. Parking: A number of small business owners in Downtown LA have expressed serious concerns about the parking situation. Not only is parking limited in Downtown LA by the sheer number of people and cars, the recent explosion of construction and development has further impeded on parking access for small businesses. While some parts of Downtown LA are readily-accessible by public transit, many parts of our neighborhood are not. The lack of parking can be fatal to small businesses. DLANC recommends the City consider utilizing City-owned properties for small business parking, as well as providing priority parking or setting off a percentage of parking spots for small businesses.
- 4. <u>Community Building</u>: To support our small businesses, the City (potentially through DLANC) could invest in social events and other community-building exercises to facilitate relationships and communication among small business owners. Ideally, these events would allow for exchanges of best practices, or even presentations by sister cities on effective small business support and retention programs. Oftentimes, starting a small business in Downtown LA can feel like a lonely exercise. It does not have to be that way.
- 5. <u>Interruption Funding</u>: As Downtown LA continues its rapid growth, the City should continue to be mindful of the consequences of construction and development on small businesses. DLANC appreciates the creation of the "Interruption Fund" for businesses in Little Tokyo affected by Metro construction, but those funds are not available to many Downtown LA small businesses. In particular, DLANC is extremely concerned about the effect the impending 110-N/6th Street closure will have on small businesses. The City should strongly consider expanding the reach of the Interruption Fund to support all small businesses significantly affected by public construction.
- 6. <u>Incentives and Designations</u>: DLANC also believes the City could implement a more effective system of incentives and special designations to support small businesses. Some Downtown LA small businesses are considering the viability of an "OGLA" designation for long-established and locally-owned small businesses, akin to cultural-historical designations. Further, DLANC recommends the City re-evaluate its definition of "small business" in its incentive programs to better emphasize "long-established" and/or "locally-owned" small businesses. DLANC also believes the City should provide incentives to small businesses to encourage "social responsibility," especially related to offering public green space and supporting our homeless stakeholders. This could even include incentives to property owners to fill vacant properties, as empty store fronts directly undermine the small business environment in Downtown.

This Community Impact Statement is based on the recommendation of the Government Liaison Committee on March 22, 2017, and action taken at the Board of Directors meeting on April 12, 2017, when the Downtown Los Angeles Neighborhood Council adopted the following motion and directed that a Community Impact Statement be filed reflecting its position.

Motion: "The Downtown Los Angeles Neighborhood Council ("DLANC") should submit a Community Impact Statement in support of Council File 15-1364-S1. DLANC should submit the letter posted with this Agenda in support of the Community Impact Statement."

Sincerely,

Patricia Berman
DLANC President

Hello Mario,

DLANC's agenda was submitted to NC Support on May 7, 2017 and the NC meeting was schedule for May 9, 2017.

The agenda was submitted less than the required 72hrs.

On Mon, May 8, 2017 at 4:30 PM, Mario Hernandez < <u>mario.hernandez@lacity.org</u>> wrote: Good Afternoon,

DLANC was previously notified the Department was not able to post your agenda for the upcoming May 9, 2017 meeting. This was a result of the agenda not being submitted to NCSupport@LACity.org within the required minimum posting requirements of 72 hours.

Technically, DLANC may have submitted the agenda on Saturday, May 6, 2017 to comply with the BONC posting requirement of 72 hours. However, the Department is not available on the weekends to post NC agendas, best practice is to submit no later than Friday at 3:00 pm.

Please post a Notice of Cancellation for the May 9th meeting and reschedule for a special meeting on another day.

Also I would like to discuss the agenda items with you.

If you have any questions, please contact me at the number listed below.

Hello,

Please note that if you are taking the Ethics training online, your completion certificate must show at least 2 hours of training, or it is not acceptable under state law. The Department is adopting a policy that any Board Member with a current Ethics certificate that does not

show 2 hours of training must retake the training and provide a new certificate. You will not be able to vote on funding items (or any items depending on the Neighborhood Council bylaws) until you do so. This policy is prospective so it will not negate any votes already taken by Board Members with an invalid Ethics certificate.

Hi Jeff,

We are getting some advertising at the train station. How do I proceed with this? And since it is a City agency, do we cut a check or is there a transfer of funds?

They are willing to start our campaign on 5/22. \$1500 has already been approved by the board and the extra \$200 for printing is being approved tonight.

Let me know. Thank you,

Hi Patti.

I have been in contact with Lance Oishi, cc'd on this e-mail, as Lance handles the contract already in place for the City.

Here is an excerpt that I found from an e-mail from Lance to another NC in November 2016:

"Generally speaking, information about our PSA amenities can be found on the Bureau of Street Services' web-site; since we're kind of buried under various web page headings, I'm attaching the same information that we have on our web site regarding the PSA elements hereon for your reference.

From your questions, it seems like there's some sort of misunderstanding about what our Programs are able to offer and how the programs themselves work.

1. Are there a certain quantity set aside for "outreach" that are at different price?

Reply: There is no set quantity set aside for City PSA's outside of 10% of our bench inventory on a <u>space available basis</u>. This means that no particular location or site is guaranteed and no distinct quantity of bench ad faces can/will be made available in any given part of the City. That being said, we do our best to accommodate highly localized efforts such as those being pursued by a Neighborhood Council and are usually successful in finding locations that work out well for everyone involved.

2. What is the review process?

Reply: The review process is two-fold....step one is to have the proposed PSA artwork reviewed and vetted by BSS staff to ensure they comply with Program and City parameters governing such efforts. i.e. PSA's can't/shouldn't contain any commercial content, or trademarks/logos/names that can be interpreted to represent for-profit enterprises so that's what we're really looking out for. Once we approve of the artwork, we turn the NC over to the Mayor's office who coordinates and prioritizes such efforts on behalf of the City family. i.e. if there are over-lapping and/or conflicting PSA efforts from various City departments, the Mayor's office determines priorities and where various efforts are inserted into the PSA queue. Most of the time, we're able to accommodate both localized and City-wide efforts concurrently, but occasionally there are times when demand exceeds availability so this is where the Mayor's office steps in to figure out things. Once that occurs, we turn folks over to our contractors who work with the requesting department to ensure the PSA's are displayed as desired.

3. Can any NC still get the availability on non-Outreach bench locations and pay the Martin Outdoor prices? Reply: As mentioned above, media panels on our benches and transit shelters are made available to the City on a space available basis. This means there are no benches singled out for the sole purpose of displaying PSA's versus paid advertising.

It should be noted that all of the information I'm referring to above strictly relates to the PSA component of our Programs that is available to the City via our contract provisions, which provides the display of City PSA's at no cost to the City (outside of the costs to print up the actual posters). Neighborhood Councils may also go the paid route and essentially rent out the media space on a bench or transit shelter similar to the way any commercial advertising client might. In such cases, they'll need to contact one of our two contractors directly and work with their sales team to select locations and negotiate the costs to display the desired printed materials. Also, if NC's are leasing out media panels similar to any other advertising client, they are no longer bound by the City's PSA requirements and may show/include commercial content, logos, or trademarks; we don't vet/approve the artwork for commercial advertisements.

Should you have any further questions or concerns, feel free to reach out to either Sergio Samayoa or myself at any time."

I have also included the attachments.

Please let us know which you one you want to do. If it is, through Lance..great. If directly with the company, I will the review their agreement and forward o City Attorney and Risk Management as well.

Thank you

Jeff

Jeff,

A train station is MTA/Metro property, not City. Not sure that the City owns/operates train stations. Or is DLANC's outreach plan here indeed with a City-run or City-contracted program like the one Lance Oishi is referring to?

In either case, the NC could get invoiced by the vendor and the NC can pay it directly through their online checking or bank card, once any contract issues are addressed.

City of Los Angeles Bus Bench Program Public Service Announcements (PSA's) General Information

One of the benefits provided by the City of Los Angeles's Bus Bench Program is its ability to display Public Service Announcements (PSA's) at no cost to the PSA's sponsor (other than the cost of printing the ads), provided that sponsor is either a City office or department, recognized City of Los Angeles community group, or other recognized community based non-profit organization. Through this benefit, up to 10% of the City's bus bench inventory is available for the display of PSA's on a space available basis.

The party making the request to utilize this Program benefit is required to provide the artwork and printed materials at their own cost. Technical specifications for printed materials are attached to this narrative. Printed PSA materials furnished to the City's Bus Bench Program contractor, Martin Outdoor Media, LLC (MOM), are displayed at no cost to the requesting party. PSA's are displayed on a first come first served basis, so it is recommended that printed PSA's are provided to MOM at least one (1) month before the desired display period, even more so for time sensitive materials. Printed PSA's for our Bus Bench Program can be displayed for various lengths of time and may be displaced by either a paid advertisement or another PSA waiting in the queue. Once PSA's are removed from bus benches, they are typically disposed of unless prior arrangements have been made to allow the requesting party to retrieve them.

To access this benefit of the City's Bus Bench Program, requesting parties are asked to submit a request to Lance Oishi or Jennifer Sapone of the Bureau of Street Services via e-mail or written correspondence. Requests should include a mock-up of the proposed PSA artwork to enable City staff to vet the posters for compliance with the City's outdoor sign ordinances. Coarse, distasteful, obscene or commercial content is inappropriate for PSA's displayed via this Program, so PSA artwork displaying such content will not be accepted. PSA requests should be submitted to this Bureau via one of the following address options:

E-Mail: <u>lance.oishi@lacity.org</u> or <u>jennifer.sapone@lacity.org</u>

Written correspondence: Nazario Sauceda, Director

Bureau of Street Services

1149 South Broadway, Suite 400

Los Angeles, CA 90015 Mail Stop 550 Attention: Lance Oishi or Jennifer Sapone

All PSAs may be displayed City-wide on as many as 600 benches, or on as little as two or three benches within a given community. When responding to a PSA request, City staff will work with the requesting party to determine the desired display area and therefore, the quantity of posters potentially required to cover the display opportunities within the display area. Every effort will be made to have PSA's displayed at locations desired by the requesting party, however as mentioned above, PSA displays are provided on a space available basis, so no specific site or quantity of sites within a given area can be guaranteed. PSA display spaces may change at any time without notice based upon programmatic concerns with paid advertisements being afforded the first priority for any given site.

For questions regarding the City's Bus Bench Program in general or its PSA benefit, please contact either Lance Oishi of this Bureau via e-mail at lance.oishi@lacity.org or phone at (213) 847-0903 or Jennifer Sapone of this Bureau via e-mail at jennifer.sapone@lacity.org or phone at (213) 847-0872.

City of Los Angeles Coordinated Street Furniture Program Public Amenity Kiosk – Public Service Announcements (PSA's) General Information

The City of Los Angeles's Coordinated Street Furniture Program is able to display Public Service Announcements primarily on our furniture elements known as Public Amenity Kiosks or PAK's at no cost to the PSA's sponsor provided that sponsor is either a City office or department, recognized City of Los Angeles community group, or other community based non-profit organization. Our PAK's typically consist of either a double faced media panel structure or a 3 faced media panel structure; all media panels are back-lit at night so that they're visible 24 hours a day. Regardless of whether the PAK has 2 display panels, 3 display panels or more, one of the media panels is solely available to the City for its use to display community posters, community/area directional maps, PSA's, etcetera. Attached to this information sheet are specification sheets for posters that might be displayed in the City's PAK's and other furniture elements, as well as a list of preferred printing vendors that the City's contractor, Out Front/JC Decaux, LLC, recommends because of their familiarity with Out Front/JC Decaux's programs and needs

189 PAKs have been installed to date Citywide; most of these are in commercial centers and/or on major thoroughfares. Most posters are displayed for 4 to 6 week periods and they're placed on a first come-first served basis. When there are no specific requests to display community or City sponsored posters on our PAK's, Out Front/JC Decaux will display various PSA's from other sources to ensure the display space is continuously occupied.

Those wishing to take advantage of this benefit to display PSA's on the Program's PAK's will need to provide Out Front/JC Decaux with their printed materials directly at least 2 months ahead of the desired/anticipated

display period to help CBS Decaux work the community or City sponsored posters into their display queue and ensure such posters are shown during the desired time frame. Out Front/JC Decaux only displays the posters free of charge; they will not/do not provide either printed materials or graphic art services free of charge. If a PSA sponsor has the financial resources and desire to have Out Front/JC Decaux print and display their posters, the PSA sponsor must provide the finished art-work for the posters to Out Front/JC Decaux and pay Out Front/JC Decaux for its printing/production fees. Posters are typically disposed/recycled at the close of their designated display periods.

Most of the City's PSA and community poster campaigns are done on a city-wide basis but it is also possible to request the community posters to be displayed in specific PAKs or areas of the City where the PAKs exist. Sometimes, this means that the community posters are placed in only 2 or 3 PAKs, but if that is what's desired, Out Front/JC Decaux is typically able to accommodate such requests with enough lead time. We'll need to know the location(s) desired by the community group and work forward from there. If there is a specific neighborhood or community area being targeted and a potential sponsor needs to know how many PAKs we might have within that area, groups should inquire with us and we'll provide information about PAK locations and quantities. It can also work in reverse. I.e. a community group is able to let us know which specific PAK's they're interested in and we work forward from there.

Out Front/JC Decaux will also put up community posters and PSA's on our transit shelters and other furniture elements at no cost if (1) they're either in-between ad-campaigns or do not have any paid advertising designated for the street furniture and (2) there is an adequate amount of excess printed material from the community or PSA sponsor available for display purposes. Out Front/JC Decaux does this to ensure their media panels are fully occupied at all times. Lastly, in some areas like Hollywood and downtown LA, we have semi-permanent community directional maps displayed in our PAKs. The community maps can be temporarily displaced by a community based poster but we generally try to keep the maps up as much as possible because of the benefit they provide to transit riders and others that may not be familiar with the area.

We ask that community groups or City Departments/offices coordinate their efforts to utilize this Program's PSA/community posters/maps through the Bureau of Street Services. All artwork for PSA/community posters/maps will be reviewed by City staff for conformance with current City sign ordinances and is subject to editing; distasteful, obscene, or commercial messages are not allowed. To initiate the process to access the PSA display spaces on our street furniture, please contact Lance Oishi of this Bureau via e-mail at lance.oishi@lacity.org or phone at (213) 847-0903 or Jennifer Sapone of this Bureau via e-mail at jennifer.sapone@lacity.org or phone at (213) 847-0872.

By Lisa Sarkin & Judy Price

At a recent hearing of a Neighborhood Council Election Challenge Review Panel, the Department of Neighborhood Empowerment (DONE), the Downtown Los Angeles Neighborhood Council (DLANC) and the Skid Row Formation Committee testified before the Panel regarding three challenges on the Skid Row Neighborhood Council subdivision election. A special shout-out to General Jeff and his committee for their hard work in organizing an under-represented group of stakeholders in Skid Row. DONE and the DLANC were allowed 10 minutes each to speak against the challenges and the Skid Row Formation Committee, who filed the challenges, was allowed 10 minutes.

What is wrong with this picture? Why is DONE allowed to even speak and put a finger on the scale? In spite of the unequal treatment, the Panel ruled for Skid Row on all three challenges, recommending the approval of a Skid Row Neighborhood Council **or** a new election. Subsequently, DONE, in a shocking but predictable ruling, tossed out the Panel's recommendations stating "there was no factual basis to determine that...[they] would have made a difference in the final election results." Say what?! So the Panel's conclusions mean nothing?

How is this possible you ask? A flawed City ordinance! Ordinance No.183487, approved on March 20, 2015, established a process for resolving grievances by independent Regional Grievance Panels. Although this ordinance is not specific to election challenges, it has been used by DONE for the 2016 Neighborhood Council elections and this subdivision's challenges. Unfortunately, the Ordinance language affords DONE the right to ignore the Panel's conclusions and recommendations. In other words, a clear message to neighborhood council volunteers for the Regional Panels...don't waste your time!

If the purpose of the ordinance was to give total control to DONE, why bother with the Regional Grievance Panels? Unless the ordinance is amended, this process is insulting to Neighborhood Councils and their ability to self-govern. Where are the checks and balances? And please don't say BONC, all Commissioners are Mayor appointees. And who does the General Manager of DONE report to? If you guessed the Mayor, you'd be right. So in essence, the Mayor wields as much, if not more, control over Neighborhood Councils as City Council. It's hard to believe that this is what the Charter intended.

If you are keeping score: (DONE 3 - NCs 0)

- · DONE decides which challenges to accept. (DONE 1 NCs 0)
- · DONE testifies at the Panel hearing. (DONE 1 NCs 0)
- DONE is the final arbiter and can overrule the recommendations of the Panel. (DONE 1 NCs 0)

More insult to injury...Council File No. 17-0600-S20, continues the on-line voting system fiasco. The 2017-18 Budget includes funding for Neighborhood Council online voting and instructs the City Clerk to report on the online voting system and how it compares to other cities, including a discussion of best practices. They will have to look outside of the State of California as online voting for government elections is illegal in California. ATTENTION NEIGHBORHOOD COUNCILS: the Los Angeles City Council does not consider you part of the government. ARE YOU INSULTED YET??!!

And the beat goes on...Council File No. 17-0600-S82, although it is identified as an adopted Budget recommendation, it has nothing to do with the Budget. It recommends the postponement of the Neighborhood Council elections from 2018 to 2019 and in odd numbered years thereafter. When stakeholders went to the polls in 2016 to elect their Neighborhood Council members it was, in most cases, for a two year term. To change the rules after the fact is unfair. Since the issue is with the City Clerk starting in 2020, Neighborhood Councils could still hold their elections in 2018 for a one-time only three year term. This achieves the desired result of Neighborhood Council elections in odd numbered years commencing in 2021.

Are they kidding?...Council File No.17-0600-S83, requests..."recommendations consistent with those requested by Motion (Krekorian-Huizar) Council File No. 15-1022-S2, including the budgetary impacts of the proposed Neighborhood Council online voting platform." This does not come close to fulfilling the requirements of the Motion. Until there is an accounting of the costs associated with the 2016 election, no additional funds should be allocated for online voting. Online voting is still suspended by the Los Angeles City Council for Neighborhood Council elections. Or is the outcome preordained from on high?

Department of Neighborhood Empowerment...is about empowerment, not suppression. It has become the Department of NO Empowerment.

Subject: SolaVation Talent Showcase - DTLA

To: Beverly Christiansen < beverly.christiansen@dlanc.com >

Thank you Beverly.

The delay in the review process was unnecessary. I was clear to Patti & some DLANC board members that these are the start-up cost for a very important programming needed for not only Skid Row but all of Los Angeles disenfranchised. As attached the Production Brief The times to approve the checks for past Skid Row's events is less than a week's time as I witnessed for the last 4 years. So the anticipated date of May 19th as funded start up cost for DLANC was realistic from the time the first application was placed back in April. This email can serve an explanation as to why "yesterday" was placed.

I will take this revised application to the exec committee, however I'm not sure a new day of "yesterday" will fly.

Thank you for providing additional info.

I provided specific comments/markups on the PDF I sent back to you and summarized them in the email. If you need me to resend the markup, let me know. If your event is in the past (you stated that your funds were required by May 19) please refer to the comments/markups for future applications.

Thank you and have a good evening.

Mello,

Your attachments did come through, however the application itself needs to contain the proper information in order to be processed by DLANC and The Department of Neighborhood Empowerment (DONE). I apologize if our group failed to communicate this to you in April after we reviewed the application at our executive meeting. Hopefully the markups that I sent clarify what is required. Please note that the neighborhood purpose grants take some time to be processed before we can make any payments. They must not only move through our meetings, but also must be approved by DONE.

If you have future events that you'd like to get support for, please be sure to reach out.

Hi Bev:

The first request was sent April 11.

The last email sent to you on May 16th as well as the other 18 DLANC board members. It contained the Invitation Letter, Production Brief of breakdown for materialsfor 3 shows and the sample application for the candidates performing. Just in case your email accidentally deleted attachments, I've resent them. I've also attached the Business Plan that was drafted since November 2016.

Pastor Timothy Park, of whom you've spoke highly of at the Livability meeting with Dan on May 18th is not only one of our Advisers but is on page 43 of the Proposal. Perhaps you and Pastor Park can discuss ways of honoring the homeless of Skid Row other than giving out sandwiches in Gladys park on Fridays. Would love to meet with you.

Hi Dan and DLANC board:

Following up on funding request since time is fast approaching.

Attached are the details the SolaVation Awards beginning June 23rd in DTLA honoring the disenfranchised, Main mission is to promote mental wellness through the arts.

Mello,

I apologize that it's taken a few days to get back to you.

We thank you for sending this application again. In case no one informed you, we did discuss this application at the last meeting but found that it is missing some information that we need.

Attached is your application with some comments regarding the information we need in order to be able to bring this forward for a vote. Generally what is missing is specific information, not just about your organization, but about the event itself.

I noticed that your application indicates the funds were needed on the 19th of May. If the event has passed, I hope it went successfully and certainly keep us posted if there are future events you would like us to consider partnering for. If the event has not yet occurred, you should update that date as well. At this stage of the game, it is likely July or August before we would be able to vote and release funds. Unfortunately May/June become a challenge because it is the end of our fiscal year.

Thank you.

3. Graphic Design + Certificate Presentation

The main part of SOLAVATION! is to showcase the candidates. On July 28, the sponsors will be introduced, candidate will register from 11am 2pm and talent showcase is from 3:30pm to 6:30pm. Amazing video snippets of the entrant is what we want to incorporate for Sept. semi-finals and November finals.

When the candidates are performing, the screens shall include moving designs, as well as live camera, as a real celebration for our women and youth candidates. Also consider your key supporters and sponsors. Taking advantage of the screens during the quieter time at mealtime (served from 2pm -3pm) is a great way to showcase sponsor logos and give thanks to all those involved without intruding on the guests' overall experience.

4. Lighting and Music = Atmosphere

We want lighting to transform a venue and will be used to make guests at the back of the room feel more included in the event by having lights all around.

Moving lights, uplighters which throw vivid colours onto walls and ceilings, and patterned effects all intensified with haze machines (enriches colour and beams of light) to change Neon Green – colour of Mental Health.

5. EVENT VIDEO

- 5 Cameras Needed (Not including Press):
- 1. Main Camera (stage)
- 2. 2 Roaming cameras
- 3. Interview Camera
- 4. Kid Cam

We want to capture great footage throughout the event, including any interviews with sponsors/guests/candidates and create a fabulous post event highlights video for O.N.E. to use promotional tools to secure those all-important sponsors.

Subject: Survey Response Needed! - Purposeful Aging L.A. - An Age Friendly Initiative For L.A.

To:

Good Afternoon,

Dear Mid City West Board Members,

Last year, the City and County of L.A. launched "Purposeful Aging L.A. - An Age Friendly Initiative For L.A.". This is initiative aims to committing to a future where the needs of older adults are more carefully considered in the building of infrastructure, the planning of programs, and making of policy, thanks to an Executive Directive signed by Mayor Eric Garcetti. For information on this initiative, please visit: https://www.lamayor.org/los-angeles-commits-%E2%80%98age-friendly%E2%80%99-future-better-serve-growing-older-adult-population. (*Note: Purposeful Aging*

L.A. is one of the most important efforts that has ever been done locally to help older adults in Los Angeles.)

The reason for this email is to inform you of this, but also ask you, and those you know, to take the Purpose Aging L.A. Survey. Any resident in Los Angeles County over the age of 18 can participate. This will greatly help the city and county with how to address the needs of older adults now, and in future generations. A lot of effort went into creating this survey. I am encouraging you to take this survey, and ask you to distribute to your fellow board members, your friends, family, co-workers, and everyone you know that lives in L.A. County over the age of 18. Please email blast this survey to your lists, and put on your websites. We really need to get the word out.

To begin the survey, click: https://www.surveymonkey.com/r/6Z6YG92. Participation is voluntary and confidential. The survey takes approximately 20 minutes to complete, and will remain open through June 30, 2017.

Facts:

- · More than half a million people age 60 and older live in L.A. today. Over the next 20 years, this number is expected to increase by 50% -- the most rapid increase in history. The changes to our population will require that we evaluate our age-friendliness and implement changes to address the needs of our residents.
- · One year ago, Mayor Garcetti issued Executive Directive 17, directing the Los Angeles Department of Aging (LADOA) and other departments to implement the Purposeful Aging Los Angeles (PALA) initiative — a groundbreaking partnership between the City and County of Los Angeles, AARP, the private sector, and universities. The aim is simple: to make our region the most age-friendly place in the world.
- · One of PALA's key goals is to develop a regional Age Friendly Action Plan that will be finalized in May 2018. A key strategy in developing the plan is asking residents age 18 and older to assess our region's agefriendliness — in everything from transportation to civic engagement.

We appreciate you, and thank you in advance for your input and ongoing commitment to public service! The survey is currently only available in English. The Mayor's office is working on translations to other languages.

Please let me know if you have any questions about this.

Thank you.

Subject: Budget Day 2017 is almost here....

To:

Good Afternoon,

Yes that's right! Budget Day 2017 is almost here!

Did you know the Neighborhood Council Budget Advocates (NCBA) advise the Mayor and City Council on the City's budget? Yes, it's true. And you can be part of this remarkable group who do some of the most important work that Neighborhood Councils do in the city! The annual Budget Day is coming up on Saturday, June 24, 2017.

and learn, and share your concerns and suggestions.

If you want to join in the fun, ask your Neighborhood Council to appoint you as a Budget Representative since only those board members /stakeholders so designated by their Neighborhood Councils can vote for, or be elected as a Budget Advocate.

Budget Advocates come from all walks of life and bring different training and skills, but the primary requirement is that you care about where the City is heading and are willing to make a commitment, take a stand and make a difference. Even if you don't want to run this year, you can learn more about the budget process, meet elected officials, network with others, and express your concerns and suggestions in Regional sessions held later in the morning!

Some of the guest speakers this year are Los Angeles City Council President, Herb Wesson, and L.A. Times Editorial Writer, Kerry Cavanaugh, who covers City Hall and local politics.

And, you are always welcome to attend Budget Advocates and participate in their committees that have specific significance or interest to you.

To register for this event, please visit: https://lacity.quickbase.com/db/bkx2exfcy

For more information on the Budget Advocates group, please visit their website: http://ncbala.com/

We look forward to seeing yon on June 24th!

Thank you.

 - i. CIS "In Support of" Council File No. 15-1088-S1 (Matching Funds Rate Increase)
 - 1. **CF Summary**:
 - a. File opened January 10, 2017, with referral to Rules, Elections, Intergovernmental Relations, and Neighborhoods Committee but item not set for agenda
 - b. The file would instruct the Ethics Commission to prepare an ordinance increasing the matching fund rates from the current 2:1 match in primary elections and 4:1 match in general elections to 6:1 in both primary and general elections for all candidates who qualify for matching funds. The Ethics Commission would be further instructed to study whether maximum per-contribution matches should be lowered. The City Administrative Officer is directed to report on the impacts these changes would have on the General Fund.
 - 2. Arguments for CF:
 - a. DLANC and GLC have heard about the CF from Sylvia Moore at Common Cause, who provided numerous materials demonstrating the propriety of increasing matching fund rates in local elections in LA.
 - b. The CF motion has been under consideration for several years (under a different CF number), and it is time for the City to at least schedule a vote on the CF.
 - c. Studies of the history of matching fund rates in LA, as well as empirical evidence from New York City, demonstrate the CF would likely encourage voter turnout by incentivizing candidate engagement with small, local donors. This could increase depth of candidate pool, which is generally an issue in local elections (contrary to Downtown's recent experience with the CD-34 congressional election).
 - d. While the CF, on its own, might not radically transform our campaign system, it is an important step to take. The *Citizens United* decision has severely hamstrung any legal efforts to minimize discrepancies in campaign spending. The proposals in this CF could make a meaningful difference and, at the very least, demonstrate the City's commitment to creatively empowering voters and new candidates.

- 3. Arguments against CF:
 - a. The CF could have a limited impact on the various local elections, especially given more significant issues like entrenched incumbents and private campaign donations.
 - b. The City's previous experience with changing matching fund rates does not guarantee any positive benefits. If successful, the CF could cost a significant amount of money, while diluting the candidate pool.
- 4. Motion: The Downtown Los Angeles Neighborhood Council ("DLANC") should submit a Community Impact Statement in support of Council File 15-1088-S1. The proposals to increase matching fund rates and decrease maximum per-contribution limits could have a meaningful effect on political diversity and voter engagement. At the very least, the City should schedule Council File 15-1088-S1 for immediate consideration by the proper Committees and City Council. DLANC should submit the letter posted with this Agenda in support of the Community Impact Statement.
- **d.** <u>Planning and Land Use Committee</u> (all letters are in the packet) CUB letters of support will be sent to the Los Angeles City Department of Planning, Office of Zoning Administration, unless otherwise noted in item.

 - **b.** Outreach
 - i. REPORT
 - c. Government Liaison
 - i. CIS "In Support of" Council File No. 15-1088-S1 (Matching Funds Rate Increase)
 - 1. **CF Summary**:
 - a. File opened January 10, 2017, with referral to Rules, Elections, Intergovernmental Relations, and Neighborhoods Committee but item not set for agenda
 - b. The file would instruct the Ethics Commission to prepare an ordinance increasing the matching fund rates from the current 2:1 match in primary elections and 4:1 match in general elections to 6:1 in both primary and general elections for all candidates who qualify for matching funds. The Ethics Commission would be further instructed to study whether maximum per-contribution matches should be lowered. The City Administrative Officer is directed to report on the impacts these changes would have on the General Fund.

2. Arguments for CF:

- a. DLANC and GLC have heard about the CF from Sylvia Moore at Common Cause, who provided numerous materials demonstrating the propriety of increasing matching fund rates in local elections in LA.
- b. The CF motion has been under consideration for several years (under a different CF number), and it is time for the City to at least schedule a vote on the CF.
- c. Studies of the history of matching fund rates in LA, as well as empirical evidence from New York City, demonstrate the CF would likely encourage voter turnout by incentivizing candidate engagement with small, local donors. This could increase depth of candidate pool, which is generally an issue in local elections (contrary to Downtown's recent experience with the CD-34 congressional election).
- d. While the CF, on its own, might not radically transform our campaign system, it is an important step to take. The *Citizens United* decision has severely hamstrung any legal efforts to minimize discrepancies in campaign spending. The proposals in this CF could make a meaningful difference and, at the very least, demonstrate the City's commitment to creatively empowering voters and new candidates.

3. Arguments against CF:

- a. The CF could have a limited impact on the various local elections, especially given more significant issues like entrenched incumbents and private campaign donations.
- b. The City's previous experience with changing matching fund rates does not guarantee any positive benefits. If successful, the CF could cost a significant amount of money, while diluting the candidate pool.
- 4. Motion: The Downtown Los Angeles Neighborhood Council ("DLANC") should submit a Community Impact Statement in support of Council File 15-1088-S1. The proposals to increase matching fund rates and decrease maximum per-contribution limits could have a meaningful effect on political diversity and voter engagement. At the very least, the City should schedule Council File 15-1088-S1 for immediate consideration by the proper Committees and City Council. DLANC should submit the letter posted with this Agenda in support of the Community Impact Statement.
- **d.** <u>Planning and Land Use Committee</u> (all letters are in the packet) CUB letters of support will be sent to the Los Angeles City Department of Planning, Office of Zoning Administration, unless otherwise noted in item.

Mario,

I don't seem to have access to the bank on line any more. I can't take screen shots or look at what may be outstanding.

Shouldn't I still have access?

Hi Mario,

I still don't have access to the bank account, so I can't fill out the form for outstanding checks. We may not have any. They may have been cashed, but without access to the account, I don't know. I won't be able to get a bank statement either at the of month, which will mean that Beverly is unable to fill In the MERS for June.

Not the completed salvage forms and the electronic certification form.

Salvage Form lists everything individually and Cert Form is for the crusher if it is electronic.

Please see attached examples.

Did you receive these two paperwork items from Margarita Lopez? She had forwarded me an email with the GSD mover form and the survey that she had sent to you. If not, I can resend the forms.

I had sent the salvage form for items to be thrown away (I think I misread it). What exactly goes on the salvage forms and the electronic certification form?

Thanks again, Danielle

There is only 2 items.

This form is ok but, need to complete the Moving Request Form ASAP so that we can schedule this.

Also, what other items need to be moved as I don't see that list.

Do the shredders works?

Any electronics that don't work, you need to let me know so that we can complete the E-waste form.

Thank you

I was not too sure what to do with the Salvage Certification form. I have attached the parts which I think are applicable to us.

Again, please let me know if you have any questions.

Msg from LA Animal Services:

LA Animal Services is preparing for our busiest time of year! We need your help to make space in our crowded shelters for the influx of terrified lost pets by fostering a pet for four days or more. If you won't be in town or can't foster at this time, please help us spread the word!

The loud sounds of July 4th fireworks frighten dogs and cats. If they get out of the house or yard, they run in fear. Then these frightened pets can't find their way home and end up at our City shelters.

Meanwhile, other great dogs and cats who have been with us for a while could be at risk if we run out of kennel space

and all of our shelters are filled to capacity.

We have hundreds of wonderful animals of all ages, breeds and sizes waiting to be your temporary companion. Fostering is a great way to see what it's like to have a four-legged addition to your family.

Visit us online at <u>LAAnimalServices.com/foster</u> to learn more or go to the City Animal Shelter nearest you and ask for a Foster application. We'll get you fostering a pet right away!

A flyer is attached for you to share, post and print with your family, friends, neighbors and members of your community.

Together, we can save more lives in the City of Angels! Thank you in advance for helping orphaned pets in our care.

Thank you.

GM's Message 06.30.17

I hope our newsletter finds you well. We had a great Neighborhood Council Budget Day at City Hall on Saturday, thanks to the hard work of our <u>Budget Advocates</u> and our EmpowerLA staff (shout out to Mike Fong and John Darnell especially!). There were presentations from Mayor Eric Garcetti's new Deputy

Chief of Staff, Matt Szabo, and Deputy Mayor for Budget & Innovation, Miguel Sangalang as well as from Controller Ron Galperin, City Council President Herb Wesson and City Council Budget & Finance Chair Paul Krekorian. I especially enjoyed when Budget Advocate, Brigette Kidd, shared her experience on what she learned being a Budget Advocate for the past year and how it was a worthwhile learning experience. Many thanks to our Budget Advocates from last year for their amazing work! We look forward to working with our new Budget Advocates for FY 2017-2018.

On Monday evening, we were in Councilmember Curren Price's offices to conduct our third Beyond Neighborhood Councils: How to Run for Higher Office, Get Appointed to a Commission or Find a Job in the City workshop. Much appreciation to our staffer Mike Fong for putting this event together, and to our own Joy Atkinson, who sits on the Board of Neighborhood Commissioners for joining LADWP Commissioner (and former Neighborhood Council board member) Aura Vasquez, and Cultural Affairs Commissioner, John Wirfs, to share their experience with the

participants. We'll be doing another round of Beyond Neighborhood Councils again next fiscal year.

Thanks to the wonderful work of our staffers, Brett Shears, Arin Abedian, Erica Cruz and Tom Soong, we've launched our first EmpowerLA podcast! We plan on doing monthly podcasts with City staff, Neighborhood Council members and stakeholders to chat about the history and impact of Neighborhood Councils in Los Angeles. More information below about our first podcast, which focuses on the start of Neighborhood Councils 17 years ago from the perspective of our longtime Neighborhood Empowerment Advocate, Tom Soong.

Don't forget the LADWP MOU Oversight Committee and the <u>LANCC</u> meet tomorrow. We're also looking forward to the inauguration of Mayor Garcetti tomorrow night at City Hall! Next week, our offices will be open on Monday, July 3rd, but closed on Tuesday, July 4th.

Have a relaxing weekend and a super 4th of July!

Best.

Hi Aurora,

Thank you again for the outreach opportunity at Levitt Pavilion's June 30th concert. We were able to reach many stakeholders who were not aware or understood the role of Neighborhood Councils. Stakeholders throughout the City stopped at our booth for information. Stakeholders from the South Robertson Neighborhood Council, Mid-City NC, DLANC, Hollywood NC, San Pedro, Greater Wilshire NC and others from the incorporated area of Beverly Hills. I have attached the sign-in sheet. (Hopefully most is legible.)

If there are any future dates available for tabling at the concerts, we would like the opportunity to participate.

If you have any further questions, or I can be of further assistance, please feel free to contact me at the number listed below.

Thank you.

Hi Aurora,

Hope all is well. Additional NCs to consider requesting a grant and that may serve a direct community benefit would the Downtown Los Angeles NC (DLANC), Historic Cultural NC (HCNC) and the Elysian Valley Riverside NC (EVRNC).

I would reach out each Board President and they can assist you further. Their contact info may be found here, http://empowerla.org/councils/ and follow the link to the NC info page.

Q 10b is requesting the date you would require the funds which could be anytime from the

submittal of the NPG to the completion or final date of the concert series. The final date would be reference in 10c.

I hope I have been able to answer your questions. If I can be of further assistance, please feel free to contact me at the number listed below. I will be out of the office for the rest of today and will return on Monday, July 10, 2017.

Thank you.

Lorenzo,

You left so quickly, I did not have a chance to thank you for attending last night.

Sorry about the heat. Usually, they remember to set up a bit of climate control. Still, it is such a beautiful venue.

Patti,

I had planned to to say bye, but my Uber arrived so I had to rush out.

You're most welcome; it was my pleasure sitting in for Mario. It was a smooth meeting. You definitely know how to run and facilitate a meeting - great job!

I have to agree that the Palace Theater is a beautiful venue. I'll comeback and visit sometime.

Best, Lorenzo

Hi Patti,

Your NC Lease Agreement is expired on June 30, 2017.

I am aware that a formal lease was never signed and executed for FY 2016-17. However, one will have to be completed for FY 2017-18 in order for the Owner of the facility to be paid.

I need to start working on your lease agreement renewal ASAP for FY 2017-18 so that it can be in place ASAP and there is as little interruption in paying the Owners.

Please have your NC do the following:

Place on Agenda and approve the Lease Agreement Renewal by the Board for FY 2017-18

Forward completed and approved Funding Request Form to NC Funding

Submit changes to Lease Agreement as soon as possible as I have attached the FY 2016-17 as a reference.

Please let me know if anything has changed from your current lease, which could include: names, e-mail addresses, rates, and so on.

If you are not currently involved in this process or have stepped down from the Board, please let me know ASAP to whom this should be sent to in your place.

Thank you for your volunteer efforts and service to your community

Lulu and/or Carrie....I need a copy of your most recent Insurance Policy ASAP as it will be part of the Lease Agreement.

Thank you

Ms. Liu and DONE,

As a follow-up to my request via phone call on Wednesday, July 19th to Mike Fong, as Chair of the

Skid Row Neighborhood Council- Formation Committee, I am also issuing the same request via email regarding the Stakeholder Registration Forms, of which DONE is to hold for 90 days after certifying the SRNC-FC election, which was finalized on May 19th. That means the 90-day window will close on August 19th. We are well in front of that deadline and, again, I request to pick up all of the above-mentioned forms, along with any and all other election-related items we are entitled to as based on the election laws which govern neighborhood council subdivision elections.

Please feel free to contact me at the above e-mail address with,

- 1) Confirmation of receipt of this correspondence and,
- 2) The actual appointment date I can pick-up the requested items from DONE's office in City Hall.

Thank you,

General Jeff 323.445.0723 (cell)

Mr Jacob Van Horn Board Member Downtown Los Angeles Neighborhood Council

Dear Mr. Van Horn,

As you may be aware, Grievance 91 and 92 were filed against the Downtown Los Angeles Neighborhood Council by two stakeholders alleging harassment and aggressive behavior by a Neighborhood Council Member.

Due to the nature of the Grievances, the Department of Neighborhood Empowerment determined Grievance 91 and 92 were not applicable to the Department's Grievance Policy which states, "the Grievance process shall not be applicable to an allegation of wrongdoing by an individual member of a Neighborhood Council board or committee."

Although the Grievances will not be processed through the Department's Grievance Process and forwarded to the Neighborhood Council for disposition, as directed by the Office of the City Attorney, you are notified the behavior and language is prohibited. Additionally, you may not represent yourself as a City Council Member.

If this behavior continues, you may be subject to removal from the Downtown Los Angeles Neighborhood Council.

If you have any questions, please feel free to contact me at (213) 473-7472 or via email at mario.hernandez@lacity.org.

Sincerely,

Mario Hernandez

Good Morning Patti,

Hope all is well. After reviewing the agenda for the upcoming meeting, it is determined agenda item 10b is not Brown Act compliant.

The agenda item requires more information, such as an "upto" dollar amount being considered, use of the proposed grant funds and best practice is to exclude the use of acronyms, i.e. NPG.

Agenda item should be listed as Neighborhood Purpose Grant.

Since this agenda has already been posted, to avoid any potential Brown Act violations or grievances, it is recommended this agenda item be postponed to your next Board meeting.

Additionally, please be advised, to avoid any potential serial communications of the DLANC Board, I did not utilize the CC fuction, but have BCC'd the Board members.

If you have any questions, please feel free to contact me at the number listed below.

Subject: Fwd: [Fwd: Donated Space to Neighborhood Councils for FY 2017-18 - Immediate

Action Needed1

From: Mario Hernandez < mario.hernandez@lacity.org >

To: Armando Ruiz <armando.ruiz@lacity.org>

Date: Tuesday, April 10, 2018 3:39:23 PM GMT-07:00

Hi Patti,

The Office of the City Clerk has been attempting to collect information regarding donated office/meeting space used by your Neighborhood Council (NC). The Los Angeles City Council must accept any donations of meeting/office on behalf of the NC system by Council motion each year. This action is scheduled to take place each August.Â

An e-mail was sent on July 14th, July 20th, July 21st and August 1st to the donating agency your NC identified requesting 1) the monetary value to assign to the donated space and 2) proof of General Liability Insurance. Â This information is required as part of the Council motion to accept the donation on your NC's behalf.

As of today, the donating agencies have not complied with the City's request and we are still in need of the proof of both items. Your use of this space will not be in compliance with the City's mandate if this information is not received. Failure to comply will result in your NC no longer being able to use this donated space for NC business.

A donation letter (template attached) and copy of the donors General liability Insurance is required by close of business Thursday **Thursday August 17**, **2017**. Please ensure your space is in compliance by contacting the donating agency ASAP and requesting the information be provided by the deadline.

Good Morning Jeff,

Last night I spoke with Melanie Mcartor from Gensler.

She is attempting to move forward with fulfilling this request.

I have included Mario Hernandez in this email because it sounds like there may be some outstanding questions from Gensler that have been directed to him.

I believe I have attached and included the entirety of the request at hand below.

If it is helpful, we can use this thread to communicate any questions, concerns or roadblocks as we approach this deadline.

Thank you to everyone for your efforts to help DLANC to continue to use this great community meeting space.

Hi all,

I just sent a RSVP reminder to the next Homelessness Liaisons meeting on August 30th. Feel free to remind the NCs in your area of the upcoming meeting. Also attached is an excel sheet with the liaisons we have on file. The excel sheet is broken up into the 12 regions. You will notice that some NCs do not have a name or contact info. That is because we do not have a liaison on file from that NC. Please follow-up with those NCs that do not liaisons in your region. Hopefully then can come to the next meeting.

Thanks!

I hope you had a great weekend. I am following up on the Neighbor Up Dinner (if I have the title correct) scheduled for August 31st. Are we still on and did we decide on a venue? I can gladly submit the list again. Lastly, Do you have all of the seats filled besides Patti, Wendell and I from Dlanc? If you need some more community member suggestions, please let me know.

I look forward to your reply. Have a great day.

Mr. Hernandez,

Thank you for contacting me regarding this NeighborUp Dinner event.

While I did not hear back from everyone I reached out to, of those I spoke with- NONE of them were interested in attending....Reasons varied from not having enough information (including specifically who all would be attending), to not being comfortable interacting with members of

DONE, DLANC and possibly others who stood against our efforts to create the Skid Row Neighborhood Council, to not understanding the purpose and/or nature for this event.

Further, during additional discussion with each Skid Row stakeholder I spoke with, it was a resounding point to not send any mixed signals to the City of Los Angeles while "pending litigation" still exists regarding our efforts to create the Skid Row Neighborhood Council.

That said, I have no choice but to stand in solidarity with my fellow community members and thus withdraw my interest in attending your NeighborUp event as well at this time.

Please be reminded that there are other stakeholders in Skid Row that you can invite...There is still enough time for you to invite them.

Regards,

General Jeff 323.445.0723 (cell)

What Does 211 do?

211 LA County (or 211 LA) is the hub for community members and community organizations looking for all types of health, human, and social services in Los Angeles County. They provide over 500,000 people every year with information and referrals to the services that best meet their needs, through our 24 hour 2-1-1 call line, or through our website and chat. Their purpose is to make community connections, so that people in LA can survive, thrive, and be empowered, no matter their situation or background.

How Does 211 Do It?

Contacting 2-1-1 LA is free*, confidential, and accessible in 140 languages. For every contact, they assess a client's needs, asking questions and anticipating things he or she may not even be aware are needed or available. Then they provide the best referrals from our up-to-date resource database of over 50,000 services. For certain situations, they provide follow-up or care coordination to assist people in receiving the services and overcoming barriers such as transportation, documentation, and more. Their professional, compassionate, and highly trained staff goes above and beyond with every call or contact to help people and deliver hope.

Mission List

BACKGROUND

The Kingdom Warriors Foundation, Inc. a non-profit 501c3, that plans to rehabilitate the disenfranchised through performing arts. Our main objective is to reduce the largest problems in Los Angeles which is violence, homelessness and incarceration. This will be accomplished by building state of the art recording and film studios in the heart of urban cities. The KW Foundation's marketing tool is O.N.E. Percent Campaign; where 1% Percent of the community's income helps finance customized Wellness Recovery Action Plan in the Arts for all ages, particularly TAY.

PURPOSE

This MOU will clarify the partnership of The Kingdom Warriors Foundation & 211 working with the marketing tool called the ONE PERCENT CAMPAIGN which will focus on mobilizing a dynamic Coordinated Entry System in Los Angeles County. Property identification to create more individualized housing for mental health consumers is the primary goal. In the process of housing the client, mental health consumers will receive training in eCPR, Neuro Linguistic Programming and Peer Specialist, thus strengthening the communication skills for the consumer. Once the client has reached a level of independent living, then employment will be the next step, whether disabled or not, preventive measures in reducing depression is the key. There will be something for everybody to succeed.

The above goals will be accomplished by undertaking the following activities:

ABOUT THE CONCERT: DECEMBER 2017

MUSICAL GUESTS:

Eclectic Singer Songwriter whose been an advocate for American rock singer-songwriter, bassist and guitarist. She band 'Til Tuesday during the 1980s and since then she performed as a solo musician. In January announced *Mental Illness*, her ninth solo single, "Goose Snow Cone," was

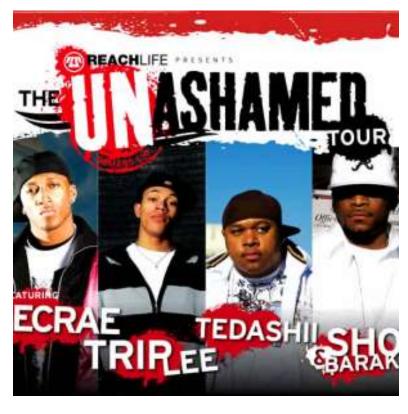

Mental Health for over 30 years. Aimee is an was the bassist and a vocalist for the has primarily released albums and

2017, Mann album. The album's lead released on the same day.

Reach Records began in a couple of closets. One served as the headquarters, with a desk and a printer. The other was the makeshift studio. Like many startups, passion overrides the lack of experience and drives it forward. We were excited to make a difference, ready to see the world change. Even then, when concerts might be the 15 students at the local Boys and Girls club, the desire to speak into the heart and soul of the listeners is what fueled the creative and strategic efforts at the label. A nucleus of college students who ran together in the Dallas, TX area provided the pool for the first artists on Reach. The work in the studio and on stage was a reflection of the impact and lifestyle they lived everyday.

With literal trunk of the car distribution to start, word spread fast across the country about a group of artists unashamed to be themselves and remain true to their convictions. With a fanatical dedication to artistic excellence, things began to take off. Fast forward over a decade and now the achievements are larger, the sales are stronger, the mixes sound nicer, but the goal is still the same: To change the way people see the world. Rather than find our significance in the status quo, we want to remember that success is not how well we've done compared to others, but how well we are doing what we were created to do.

Mineo certainly isn't an overnight sensation.

ANDY MINEO

IT IS IN ANDY'S ABILITY FOR SELF-REFLECTION WHERE HIS FANS DISCOVER THE HONESTY IN HIS MUSIC.

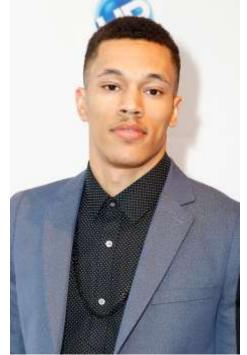

But beyond the critical adulation stemming from his 2013 debut album release of "Heroes For Sale," is an artist, known for his reflective lyricism, that connects with his fans through shared struggles, self-discovery and raw emotion.

A Syracuse native, Mineo is now more known as the kid from Washington Heights, New York City who is selling out major performance venues all over America and across the pond in Europe. With 14 singles, seven as a featured artist, 15 guest appearances, one compilation album, two mixtapes and his incredibly successful debut album, "Heroes For Sale,"

TRIP LEE

"WE HAVE TO STEP UP AND MEET PEOPLE WHERE THEY ARE. THAT'S HOW YOU CREATE CHANGE."

It's true that life can often feel like a balancing act, a constant juggling of family responsibility, personal and professional ambition, and the need for rest. For the artist, particularly one who is fueled by an unwavering passion for creative expression, this can be especially trying. Some have better management of it than others. Talk to Trip Lee for more than a few moments and you'll get the sense that he's carrying the weight of the world. But the husband, father, rapper, author, and pastor is uniquely capable, a vessel firmly planted and resolute. While the challenges that come with a busy lifestyle can sometimes abound—Trip recently relocated from Dallas to Atlanta spreading Hope.

Two years removed from his 5th album *Rise*, which debuted at #2 on the Billboard Rap chart and #16 on the Billboard 200, Trip sounds more focused than ever. "It's time," he says. His new mixtape *The Waiting Room* is an exercise in power and precision discovered redemption

TEDASHII

TEDASHII SAYS WITH OPTIMISM AS HE DESCRIBES HIS LATEST EP <u>THIS TIME AROUND</u>. IT'S THE KIND OF OPTIMISM THAT IS BORN FROM OVERCOMING INCREDIBLE TRAGEDY. IF EMERSON IS CORRECT THAT "FRACTURES WELL CURED MAKE US MORE STRONG," TEDASHII IS INDEED FINDING HIS STRENGTH. IT HAS BEEN WELL DOCUMENTED THAT IN 2013, TEDASHII SUDDENLY LOST HIS ONE-YEAR-OLD SON. AFTER HE PASSED AWAY, TEDASHII'S WORLD CAME TO AN ABRUPT STOP. RECORDING, TOURING AND PERFORMING WERE REPLACED WITH MOURNING, ANGER AND EVENTUALLY COUNSELING.

Along the way, Tedashii relied on his faith but found strength and healing again when he returned to writing and recording. What followed was his fifth studio album *Below Paradise*, an album so painful and personal yet filled with hope. So when Tedashii speaks with a sanguine tone about life and creativity, he indeed understands that life does unfold in seasons.

"I can't pretend like I'm better and fine. I'm not. I'm getting better and things are going to be fine," Tedashii says. "But, I make music for where I am now." Indeed his new EP, <u>This</u> <u>Time Around</u>, can be summed up in one word: Growth.

The first single, "Be Me" is a boisterous and sonically anthemic record that music fans can blast aloud in celebration of boldly being who you are supposed to be. The second single, "Jumped Out The Whip," is a left coast party that will literally transport you to Pico and La Brea. And the current single titled, "808," is a hip-hop slow jam. Scoring points with the wife, Tedashii says, "it's a love song for my bride, but for any woman a guy wants to share that sentiment with..." A part of the journey to Tedashii's growth as an artist was collaborating with music producer GAWVI, one of the most prolific music

producers of now who's worked with everyone from Pharrell and Rodney Jerkins to Trip Lee and Lecrae. Tedashii worked with several producers on this EP, but he found a special connection with GAWVI.

LECRAE

"HISTORY DOES NOT HAPPEN IN A STRAIGHT LINE

Neither does hip hop nor its prolific breakout rhymist/activist/author/voice of conscience Lecrae.

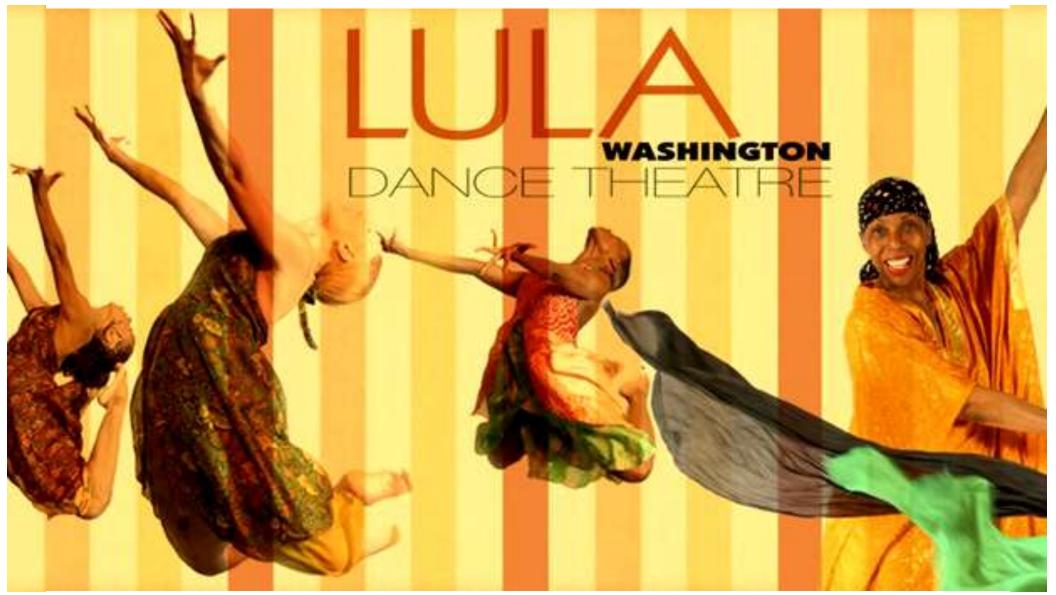

Never afraid to move the needle, few would argue that his much anticipated Columbia Records debut

album (due out this summer) comes at a pivotal moment for the artist, as hip hop's torrent now moves.

TORI KELLY

Victoria Loren "Tori" Kelly singer, songwriter, record producer and voice actress who slowly gained recognition after starting to post videos on YouTube at the age of 14. When she was 16, Kelly auditioned for the singing competition television series American Idol. The following year, Scooter Braun became her manager after seeing her videos on YouTube and introduced her to Capitol Records, with whom she signed in September. Kelly's second EP Foreword came out in October 2013 as her first major label release. On June 23, 2015, Kelly's debut album, Unbreakable Smile, was released. elly was nominated for Best New Artist at the 58th Grammy Awards.

Hi Mario. This was a type of circus that I wanted to avoid. Patti has done nothing but delayed the application since April and when she gets back to me it's contradictory conversations. Now if you are forwarding it to the president I will have to wait a least another 3 months?

As I spoke to you at the last DLANC meeting I was to submit our partnering 501 c 3 directly to you and you said within a week to disperse the funds for homeless programming event on December 10th.

I would like to have some clarity when we are transacting serious applications for a deprived community.

Please advise me on this reapproval process I was not aware of. ----- Forwarded message -----From: <patti.berman@dlanc.com<> Date: Aug 31, 2017 10:38 AM Subject: RE: : NPG Application To: "Mello Desire" < mello@onepercentage.org > Cc: > Mello, > > > > I am the wrong person. Happy Labor Day Mario.

First, thank you so much for all you do, and for catching that I missed the missing IRS form!

I've reviewed the new submittal and have two questions for years, and a couple of things that I'd like Mello to address (see attached markup).

Given that she is using the Saving All Kids EIN number, I would assume that the NPG will be made put to Saving All Kids. Do we need to vote again since the money is going to a different nonprofit name? Second question is if we need proof that Mello is an officer of Saving all kids or is the signature of the guy enough?

Again, thank you.

Good Morning Beverly,

Hope you had a restful holiday weekend.

Not sure what application the organization has used, but they need to submit using the approved applications and not make any modifications to the application. (Blank application attached.) Modifying the application may cause it to be rejected and returned upon initial review by Funding.

Saving All Kids is a non-profit recognized by the IRS under tax code 501c3. DLANC would have to approve NPG since it is a new applicant. In my experience, whenever there is a fiscal agent, such as Saving All Kids, 1a on the application should read, "Saving All Kids for Kingdom Warrior Foundation." The application can only be signed by the Executive Director and Secretary of the non-profit. The Neighborhood Council is able to request any information it feels necessary.

I hope I have been able to address your questions. Please feel free to contact me at the number listed if I can be of further assistance.

Thank you.

Thank you for the great feedback. I will share this with Mello so we can get revised documents in time for voting.

I really appreciate your help.

Good Afternoon,

As you may have read in your Monthly Neighborhood Council Profile, the Department is highlighting the diversity within the Neighborhood Council system. We are gathering information on gender, age range and ethnicity of board members this month.

Please take a moment to help us by taking this short survey, which will be open through September 30th. We will only use the information as a whole, (i.e. there are 43% women in the Neighborhood Council system,) and individual information will be confidential. To

complete the survey, please click here.

Department staff will have the survey available during this month's Neighborhood Council meetings.

The survey is voluntary. For members who wish to not take the survey, the Department will do a visual estimates of the requested information with the file note, "Information is based on visual estimate."

If you have any questions, please feel free to contact me at the number listed.

Thank you.

I've been working on trying to get the federal we have our California tax ID and I've done it while I was homeless out in the streets on Skid Row. Beverly I never had a silver spoon fed to me like you did and don't you ever judge me like that again I did the best I can as a homeless woman in which you are not giving any funding to take care of us because you're not relatable to us so I appreciate it if people be direct and make this journey a little easier. When you are nice to someone and say let me see how I can help those action speaks louder than words and trying to step on us like a Nazi I don't appreciate your attitude and I appreciate it if you just be nice enough to say what we need to do and what we don't need to do we should have been had it on the agenda and if it's not on the agenda on Tuesday it's your fault not mine. We have major sponsors on the table with Sony to build a studio for the homeless youth is anybody on DLANC board have a project on the table for homeless? Does anybody on the board have a project for homelessness right now on the table.. you want to push it to October then find something different in October than push it to November that's disorganized it's unfair and if you guys are proved the first time that I had it right. So let's finish this journey without jabbing any more insults. I will be working with Robert Newman to execute this. Thank you

This was recorded and this is what he said and as soon as we turned in our 501 c 3 he then turned it to Patty who's the queen of delay and deny. So as much as people are smiling in my face and say we want to help you their actions speak louder than words so on Tuesday that will Crutchfield from saving all kids will be there to introduce himself to you and if I application is not accepted on the agenda do to your Miss information that I think you need to have a meeting to address these issues. I have given all that I've gotten for people who do not even do the same but yet they're hold on money and send this long-ass emails. It is too bad you feel that you've been given the run around, you are being held to the same standards as our other NPG applicants. All other NPG applications that I've received are in the original format etc. Because we've not had anyone else alter the application, we didn't know that was a problem until Mario pointed it out to us. I am not questioning the signatures, merely trying to be as clear and complete with the requirements as possible.

As you know, your earlier application should not have been put forward without the required IRS documentation, and we now know that it too would have been rejected by the City because the format is altered and the titles of the signatures are not Executive Director and Secretary as required. \hat{A}

Like you, we are volunteers. We work with the stakeholders and the City, but sometimes it isn't until we encounter a particular situation that we learn a subtlety to a process.Â

Without a properly completed application and IRS determination letter, we cannot put the motion on the agenda for the DLANC board meeting on September. If you would like to submit the unaltered, properly and fully completed application prior to our October executive meeting (which happens October 4th) please feel free to do so. If you chose to resubmit please ensure that all information is clear, concise, and accurate and that the application is signed by the exec. Director and secretary.Â

We were told by a gracious deal and remember that we needed live signatures on the application. With all that you're emailing me not once did you say this simple sentence. Mario at the last executive board meeting at The Palace Theater told me once we get our 501 c 3

or the organization will partnering up with then the city will process the funds. This was recorded and this is what he said and as soon as we turned in our 501 c 3 he then turned it to Patty who's the queen of delay and deny. So as much as people are smiling in my face and say we want to help you their actions speak louder than words so on Tuesday that will Crutchfield from saving all kids will be there to introduce himself to you and if I application is not accepted on the agenda do to your Miss information that I think you need to have a meeting to address these issues. I have given all that I've gotten for people who do not even do the same but yet they're hold on money and send this long-ass emails. Beverly I know your kind and I'm not trying to be mean but honestly I would appreciate if you just tell me that we don't want to fund you

This is not coming from Patti but from me as treasurer.

An application in the original format with all required information would be accepted and submitted for approval.

If you had a 501 3 c letter from the IRS for the Kingdom Warriors we wouldn't have to vote again.

Robert,

Please see the email from Mello below. In the future, any application from her should be vetted by you, and Patti and probably Mario. Clearly, no matter how clearly I try to be with her, it just results in her spewing personal insults and accusations. I will abstain or recuse from any discussion and voting.

If you have any questions, please let me know.

I've been working on trying to get the federal we have our California tax ID and I've done it while I was homeless out in the streets on Skid Row. Beverly I never had a silver spoon fed to me like you did and don't you ever judge me like that again I did the best I can as a homeless woman in which you are not giving any funding to take care of us because you're not relatable to us so I appreciate it if people be direct and make this journey a little easier. When you are nice to someone and say let me see how I can help those action speaks louder than words and trying to step on us like a Nazi I don't appreciate your attitude and I appreciate it if you just be nice enough to say what we need to do and what we don't need to do we should have been had it on the agenda and if it's not on the agenda on Tuesday it's your fault not mine. We have major sponsors on the table with Sony to build a studio for the homeless youth is anybody on DLANC board have a project on the table for homeless? Does anybody on the board have a project for homelessness right now on the table.. you want to push it to October then find something different in October than push it to November that's disorganized it's unfair and if you guys are proved the first time that I had it right. So let's finish this journey without jabbing any more insults. I will be working with Robert Newman to execute this. Thank you

OPERATION SAVE LOS ANGELES

PEER CENTER - DMH HEADQUARTERS 550 S Vermont Ave

DEFIANT ONES SCREENING - 10am-11am HBO

If you sent only the music of Jimmy Iovine and Dr. Dre into outer space, aliens would have a pretty good picture of the American music industry over the last four decades. Premiered on HBO, "The Defiant Ones" covers the arc of both men, devoting the first two episodes (of four) to their careers before they met and the second two to how music changed when they united their formidable talents. The documentary, directed and co-written by Allen Hughes, has elements of fan service-negative aspects of either gentleman's personal or professional lives often feel rushed—but it makes the case that this pair deserves carving on the Mt. Rushmore of the music industry. And while the documentary falls into the trap of a talking-head structure, these are some damn impressive heads. Basically, everyone that Iovine and Dre have worked with over the years must discuss their legacy and importance to the industry so we can know the real deal!

To DONE and City Attorney's Office, As a "concerned citizen" I am contacting you to officially request that an agenda item on tonight's DLANC Board agenda be REMOVED and barred from future consideration due to the project in question's existence within a different NC's boundaries. The project in question is applying for a full line of alcohol and a Master CUB and is within Historic Cultural NC boundaries.

This is a violation of ethics and boundaries. If this item is allowed to remain on DLANC's agenda, then a precedent will then be established allowing all other projects to seek letters of support OUTSIDE of the boundaries the proposed project is within.

Please see my public posting shared moments ago on social media;

NEIGHBORHOOD COUNCIL DISRESPECT AND COLLUSION:.....On tonight's agenda for the Downtown Los Angeles Neighborhood Council (DLANC) is an agenda item that IS NOT within their boundaries....This is a significant violation of basic NC principles and more, per the City's Department of Neighborhood Empowerment (DONE)!...This project is within the Historic Cultural Neighborhood Council's (HCNC) boundaries....And because DLANC is "butting in" on another NC's affairs, the possibility of COLLUSION automatically presents itself and the City of Los Angeles MUST interject themselves into this matter!!

Also, because it involves approving both a full line of alcohol AND a Master CUB, this is a SERIOUS matter of multiple violations!!!!!

Here is what's on DLANC's agenda;

iii. Presentation by: Valerie Sacks/valerie@liquorlicense.com

Case Number: ENV-2017-1794-CE, ZA-2017-1793-CUB Project Location: 420 East 3rd Street Los Angeles, CA 90013

Project Description: CUB for sale of a full line of alcohol at a 53-seat, 1036 sf restaurant & a Master CUB for up to 5 beer & wine licenses in conjunction with a 6184 sf area with up to 122 seats inside + 22 seats 3 on a 603 sf patio; 7823 sf total & up to 197 seats total; in an existing 10 story office building located in

the M2-2D-O-zone at 420 3rd Street in the LITTLE TOKYO area of Downtown Los Angeles.

It clearly states that this project is "in the Little Tokyo area of Downtown Los Angeles" so DLANC has already admitted publicly that they are aware that this IS NOT within their jurisdiction.

See it for yourself-

http://www.dlanc.org/sites/dlancd7.localhost/files/AGN BD 2017 09 12.pdf

Technically, because 420 east 3rd street is on the south side of 3rd, this project is actually in SKID ROW!!!!

This matter involves the possibility of legally selling alcohol in Skid Row and automatically is now on our radar.

NO ONE in Skid Row has been outreached to by the applicant or their representatives....This is another concern.

As a Skid Row community leader, I publicly request that this matter be pulled from tonight's DLANC agenda and tabled until further notice, including an official response from the HCNC.

In speaking with multiple members of the HCNC regarding this matter, they were each shocked to hear that this project mysteriously appears on DLANC's agenda tonight without HCNC approval of such action.

Please feel free to contact the City's Department of Neighborhood Empowerment TODAY at 213.978.1551 to share your thoughts on this matter!

Hi Amara,

Good morning, hope you had a great weekend.

You may run into some timing issues, and there are a couple of things I see, seems like they only accept checks, so you may want to coordinate with Funding on the deposit. Secondly, they state a formal contract needs to executed. I have copies Jeff Brill, with the Office of the City Clerk, who coordinates and reviews all NC contracts.

I would suggest contacting him as soon as possible to discuss the turn around time for the contract.

I hope I have been able to assist, please feel free to contact me at the number listed.

Thank you.

Hi Mario,

I need to ask about some things that outreach is trying to do. They are putting together a Mini Holiday event for Oct. 29th. It will be held in Spring Street Park in conjunction with Friends of Spring Street Park.

They want to have face painting and an anime artist. Each artist would each be compensated \$100. Is this a straightforward expense or do we have to do something special before we can pay them.

Thanks for the help.

Hi Patti,

If the face painters and the anime artist are included in the event budget, you would just process the payment. However, I am not sure what the Funding / Insurance requirements are. I have copied Jeff Brill, in case there is an agreement to be signed, and Martha Cabral, your Funding Rep, for any additional documentation info that may be needed.

Patti -

This now the 5th time that your board is attempting to usurp the HCNC's governance for projects happening in HCNC territory. While we cannot prevent individual board members from other areas weighing in, we can take a stand on board votes.

The Board of the HCNC is elected by the community located within the boundary as defined by the City of LA. Community members have not requested DLANC's opinion and as a matter of fact I have received 5 messages just in the last hour asking why your board is voting on a food court in Little Tokyo.

I respectfully ask you to withdraw the agenda item for tonight's meeting; 420 3rd street. I have included the LT reps for the LUC, Ron Fong and Matthew Glaser.

If you do not, I will personally file a grievance against your board and am working with other organizations in the HCNC boundaries to follow suit.

I think a come to geezus conversation needs to be had to end this nonsense once and for all. We all have way too much on our plate to be dealing with this kind of childish behavior.

Mario and Mary, if you could please arrange this.

Attendees should be the executive committee of both boards.

Thank you,

Laura

Patti -

Once again this is appearing on your agenda. No one cares if you are amending the "terms". This is inappropriate and needs to be removed.

We have very specific conditions and your board is jeopardizing the applicants support from the HCNC.

Mary and Mario I am again requesting that a meeting be set up to resolve this continued disrespect and lack of professionalism from DLANC

Hi Commissioners,

I hope you're all adjusting to our new early night times now that we're back on PST

It's time we started collecting names of volunteers for the Funding Working Group. With our Commissioner Atkinson's permission I am sending this email to everyone.

I want to remind everyone that we need to get volunteers for the Equity Funding Working Group. What is equity funding?

Some NCs find it difficult to keep in touch with their stakeholders because of the size of the NC. Some spend a large <u>proportion of their budget on translation services or meeting locations</u>

Others, with smaller stakeholder numbers can spend more lavishly on community improvement projects. The question we hope to answer is how neighborhood council funding can more closely match the needs individual neighborhood councils.

We are proposing to have 4 meetings, 2 in January and 2 in February. The first and last meetings will be in a central location. The others will probably be split between the Valley and the South areas. The Working Group will most likely meet from 6:00 to 8:00 or 6:30 to 8:30. The purpose of the Working Group is to propose solutions to the question posed above, how to make NC funding more individualized and therefore more equitable.

For everyone's convenience below are the email lists of NCs in each of your areas (please check to make sure I haven't added to or missed one of your NCs) and the Regions from which the Working Group members will be chosen. We will be choosing 2 persons from each Region. Ask those who want to be considered for the Working Group to reply to this link https://form.jotform.com/72835159478975 Once we have volunteers we will work with staff to finalize the list of the Working Group members.

Thanks for getting the word out,

Ljs

Hi All,

Hope all is well and it was great to see everyone at the SFV Arts Council Meeting a few months back.

Apologies for the delay but wanted to let you know that I haven't forgotten. Attached is a contact list of Neighborhood Councils with Arts/Arts-related committees. I hope this will be of use for the group.

Also, cc'ed in this email is Vanessa Serrano, who works with many of the NCs in the Valley, and many of her NCs have an arts specific focus so she will be a great resource to the group.

Finally, reach out if you'd like to organize a regional arts day, summit, event, workshop, etc. We'd love to be of assistance.

Thank you again for all that you do. And for all the NC folks, don't forget to read your Monthly Profile as it has relevant information re: Murals. Below is the text for your reference:

This month, we're excited to share with our Neighborhood Councils, how to create a public mural through the City's Citywide Mural Program. Visit the Department of Cultural Affairs website http://culturela.org/murals for the mural registration application and for a robust Frequently Asked Question section that can answer many of the questions for your Neighborhood Council.

For Neighborhood Councils, there are a couple of key points to be mindful of with murals. Early research and preparation is key to a successful mural project.

- 1. Please contact the Department of Neighborhood Empowerment's, Semee.Park@lacity.org for guidance if you would like to work on a project involving a mural or providing money for a mural.
- 2. Money may only be expended toward mural projects when the mural is registered with the Department of Cultural Affairs, including murals located on public or private property. In addition, murals are currently only allowed on residential property in Council Districts, 1, 9, 14, and 15.
- 3. If the mural is located on private property, please visit the Department of Cultural Affairs website http://culturela.org/murals for the mural registration application and for a robust Frequently Asked Question section that can answer many of the questions for your Neighborhood Council.

 Murals located on City property must go through a different process, reviewed and approved by the Public Art Committee and Cultural Affairs Commission. For more information, see DCA Public Art Approval
- 4. The property owner must sign the application certifying permission (notary is required) and accepting maintenance responsibility. A 2-year covenant is filed with the County Recorder's Office to ensure that the mural remain for a minimum of 2 years. There is a registration fee of \$60.00 for mural registration implementation.
- 5. There is a required neighborhood involvement meeting for each new mural proposal and is a great opportunity to expand your Neighborhood Council's Outreach. Reach out to your Neighborhood Council Advocate to collaborate! For questions and/or more information, visit http://culturela.org/murals/ and reach out to: Semee.Park@lacity.org

Subject: stakeholder petition procedure question

To: mario.hernandez@lacity.org
Co: Grayce.Liu@empowerla.org

Mr. Hernandez.

In the DLANC bylaws there is a procedure given for removing board members by submitting a stakeholder petition. I am concerned about getting this process correct, so I would like to get some advice from DONE.

Section 9: Removal of Governing Board Members - DLANC shall consult with the Office of the City Attorney throughout any Board removal process. Directors may be removed in the following ways:

A. Petition by Stakeholders – A Director may be removed from office by the submission of a written petition to the Secretary, which includes: i) the identity of the Director to be removed, ii) a description, in detail, of the reason for removal, and iii) the valid signatures two-hundred (200) stakeholders.

Is there a particular format for making the petition or rules for distributing them? It would be more clear cut if we could get an appointment with someone at DONE so we can get the format approved in writing in case the City Attorney's office wants verification later.

Dear Mr. Hernandez,

I'm writing to you to ask for assistance with the procedure for removing DLANC Board members via stakeholder petition. This procedure is given in the DLANC Bylaws (a copy is attached for your convenience) at Article V(9)(A). In particular I would like to know:

1. Is there a prescribed form that such petitions must adhere to?

- 2. Is it possible for us to submit a draft of our petition to DONE for approval before we begin gathering signatures so that our petition isn't rejected on the basis of formal deficiencies?
- 3. Is there a prescribed method for gathering and verifying signatures?
- 4. The DLANC Bylaws specify that the petitions are to be submitted to the DLANC secretary. Is this accurate, or is there some other submission procedure that supercedes this instruction?
- 5. What is to be done if the secretary is the subject of the petition?
- 6. Is there anything else I need to know about the procedure that's not covered or covered wrongly in the Bylaws in order that I and my colleagues can carry out this procedure successfully?

Thanks in advance for your assistance,

Good morning, DONE.

I'm sorry to bother you, with this again, but my question seems to have slipped from your agenda somehow.

There's a procedure in the DLANC bylaws for removing a board member. It requires 200 stakeholder signatures on a petition. I and some other stakeholders would like to implement this procedure. Recent experiences with DLANC's bylaws have shown us that they're often out of date and/or

inaccurate. Thus before we commit resources to gathering signatures we would like to be sure that (a) this procedure is still valid and (b) that we are gathering and verifying signatures in an appropriate manner.

Patti Berman has so far ignored all of our inquiries, as has Mr. Hernandez. I hope you all can give us some guidance, though, as this is an essential matter. It's very important to us and to at least 200 other DLANC stakeholders. If it would be easier for you all, we would be happy to come to DONE in person and discuss the matter. Please let me know as soon as possible.

Thanks for your help,

Adrian Riskin

Good Morning Mr. Riskin,

Referring to Section 9A: Removal of Governing Board Members, of the DLANC Bylaws, approved on July 20, 2015, it outlines the process for removal by Stakeholders.

Section 9: Removal of Governing Board Members - DLANC shall consult with the Office of the City Attorney throughout any Board removal process. Directors may be removed in the following ways:

A. Petition by Stakeholders - A Director may be removed from office by the submission of a written petition to the Secretary, which includes: i) the identity of the Director to be removed, ii) a description, in detail, of the reason for removal, and iii) the valid signatures two-hundred (200) stakeholders.

- 1. Upon receipt of a written petition for removal, the Secretary shall cause the matter to be placed on the agenda for a vote of the Board at the next regular DLANC meeting.
- 2. Removal of the identified Director requires a two-thirds (2/3) majority of the present and voting Directors.
- 3. The Director who is the subject of the removal action shall have the right to deliver to Directors a written statement about the matter and/or to speak at the Board meeting prior to the vote, but shall not be counted as part of the quorum, nor allowed to vote on the matter.

The responses to your initial questions are addressed in the removal by Stakeholder in Section 9A.

If I can be of further assistance, please feel free to contact me at the number listed below.

Thank you.

Dear Mr. Hernandez,

My first question was whether that section of the bylaws is still valid. I am assuming that by repeating it back to me you're asserting that it is still valid, so thank you for that information.

Additionally, we are wondering whether there is a standard or a recommended procedure for verifying signatures on these petitions. We would very much prefer not to expend our effort gathering signatures only to find out that we'd done it incorrectly somehow.

Since we've previously had a great deal of time wasted due to invalid or superseded procedures that are nevertheless still present for some reason in the DLANC bylaws, we'd really like to have some kind of affirmative statement from DONE or from DLANC either as to what the proper signature-gathering procedures are or else that there are no standard or recommended signature-gathering procedures.

Thanks again for your attention to this matter.

Hi Mr. Riskin,

The Bylaws approved on July 20, 2015 are the current Bylaws for DLANC. The recommended procedure for verifying stakeholder is also outlined in the bylaws.

I understand your concern of "wasted time," but I refer back to the the July 20, 2015 Approved Bylaws of DLANC for any process and procedures for DLANC.

I hope I have addressed your questions or concerns. If I can be of further assistance, please feel free to contact me at the number listed.

Thank you.

Hi Mr. Hernandez.

Thanks for your information. We will proceed according to the bylaws.

However, your email raises another important issue. Recently Patti Berman told me that the grievance procedure given in the DLANC bylaws was invalid. Furthermore, she refused to accept or to act upon a grievance that I had submitted in accordance with the procedure given in the bylaws.

However, now you're telling me that you refer to the July 20, 2015

version of the bylaws "for any process and procedures for DLANC." Is this actually the case? If so, can you please verify that the grievance procedures given in those bylaws are valid and correct despite what Ms. Berman told me? If so, can you also please inform Ms. Berman that the current bylaws control "any process and procedures for DLANC," including the grievance procedure and request that she act on my grievance in accordance with the "process and procedures" given in the bylaws?

Thanks again for your help,

Adrian

Hi Mr. Riskin,

I have no knowledg and cannot speak to the conversation between you and Board President Patti Berman. However, the initial step in filing a grievance against any Neighborhood Council must be submitted via the Grievance Portal. Click here to be directed to the portal.

Grievances are first reviewed by the Department to ensure they are valid grievances and filed within the timeline. If valid, the grievance is sent to the Neighborhood Council for resolution and can then go to a Peer Grievance Panel of Neighborhood Council appointees in a region who are not connected to the grievance.

I hope I have addressed your concerns. If I can be of further assistance, please feel free to contact me at the number listed.

Thank you.

Dear Mr. Hernandez,

Thanks for your prompt response. I am more confused than ever. Let me summarize our conversations as I understand them:

A1: I asked if the process for removing a board member found in the DLANC bylaws was valid.

A2: You stated in response that all processes found in the DLANC bylaws were valid.

B1: I asked if the grievance process found in the DLANC bylaws was valid.

B2: You stated in response that another procedure, not found in the DLANC bylaws and which in fact contradicts the procedure found in the bylaws, is valid.

Clearly A2 and B2 cannot both be true at the same time. However, at this point I'm more interested in the process for removing a board member. You have not explicitly stated that the process found in the DLANC bylaws is valid, although you have implied that it is. If I don't hear from you to the contrary I will proceed with the assumption that it is valid even though, by your own admission, some processes and procedures in the DLANC bylaws are not valid.

thanks, as always, for your help.

Adrian

Patti,

I would like to obtain a copy of the current version of DLANC's bylaws and any documents relating to all changes made to the bylaws since the previously used version. I am concerned that portions of the dlanc website use contradictory versions of the bylaws. This makes my request (under *Government Code section 6253(c)* necessary to know the wording of the bylaws currently being used. Below are some examples:

The website directly contradicts the published so if they are current, they are not being followed. I need a copy of the bylaws the board actually follows.

DLANC and DONE members,

This is a second attempt to get documents under *Government Code section 6253(c)*, the Freedom of Information act. I have requested a copy of the current bylaws used by DLANC. The copy on the website is probably not current because contradicts DONE's grievance policy and is violated by the website it is posted on (see evidence in my first request). My first request also asks for "any documents relating to all changes made to the bylaws since the previously used version" This part of the request was not addressed. Such documents might include minutes of bylaws meetings (none of which have been publish for the public), emails or word documents and anything else relevant.

Another example showing DLANCS's published bylaws are suspected to be obselete:

Special Bylaws and Procedures Meeting Agenda

Wednesday November 2, 2016

"Motion: The DLANC Board shall approve changing Bylaws Article VII, Section 1, Paragraph D from no more than seven (7) to no more than six (6) of which shall be DLANC BoardMembers."

DLANC's published bylaws

Section 1, Paragraph D

"The Committee shall consist of

eleven (11) members, no more than seven (7) and no less than four (4) of which

shall be DLANC Board members."

I am assuming in my request that DLANC uses a current set of bylaws. If I am wrong and DLANC is operating on a cobbled together set of modifications to an obsolete set of bylaws (I have been told that this is infact what has been going on), please allow the bylaws committee to meet and finalize some or write me back confirming that there are no current and consistent bylaws. It concerns me that no one was able to coherently answer that question by now.

Sincerely but worried Michael Vecchio

Hi Kori,

I just received this morning. From the string, looks like DLANC has been communicating directly with him. The only set of bylaws we have are the same that are listed on the website. (copy attached.)

I think what he may be referring to, DLANC approved and submitted an amendment to their bylaws in November 2016. Unfortunately, the Department did not process the update, so there are no updated bylaws. DLANC is aware of this and I believe they will be agendizing the missed amendment once again for this amendment period.

Thank you.

Subject: Public Records Request (November DLANC emails)

Ms. Berman,

This is a public records request.

I'd like to see copies of all emails from November 2017 between DLANC Board members, where "between" means to/from/cc/bcc, that relate to DLANC business.

Please note that the California Supreme Court has recently held (City of San Jose v. Superior Court (2017) 2 Cal.5th 608) that emails sent or received via personal or otherwise non-official email accounts that relate to public business are subject to the CPRA. Therefore a proper search for responsive records will require each individual Board member to search any of his or her email accounts that may have been used to discuss topics within the subject matter jurisdiction of DLANC.

Thank you so much.

Sincerely, Katherine

Hi Ann-Marie and Mario,

Thank you for your prompt response. Unfortunately, our hands remain tied, as only the person who boosted the promotion is capable of viewing/editing changes. Since Amara Ononiwu is the chairperson for DLANC's Outreach Committee it would seem we would have to be logged in as her in order for the link you have sent us to work. We will keep putting efforts into getting a

response from her. In the meantime, we are committed to fix this issue as quickly as possible What alternative course of action is available to us?

Hi Patti,
Here's how to find and download Facebook ad receipts; identify Facebook ad charges on your credit card statements; and remove or change an ad payment method.
Please let me know if you have any trouble with this process.
Have a wonderful day, Ann-Marie

HOW TO FIND & DOWNLOAD FACEBOOK AD RECEIPTS

Before you start, you'll need to be logged onto the DLANC Facebook page.

Go to the Billing section of your Facebook Ads Manager, located at https://www.facebook.com/ads/manager/billing

This opens a list of transactions. There are two ways to search for the items you want receipts for:

Method 1 - Search By Date

If you want to get receipts for transactions made on a specific date or date range, click the date dropdown menu at the top of the Billing page, and select the date or range of dates you're interested in.

- If you want just one item, locate that transaction, then hover your cursor over the Transaction ID link and click the Download button that appears with the downward-pointing arrow on it.
- If you want all receipts for a date range, select that range from the dates menu at top, then click the Download All Invoices button at the top center of the page. You can then select whether you want a separate receipt for each item, or if you just want all the receipts combined into a PDF or CSV. (PDF is the default; click the dropdown menu next to PDF to select CSV if you prefer this format.)
- Then select Download, to get the receipts downloaded in your chosen format.

Method 2 - Search by Reference Number

If you have a Reference Number from your credit card billing statements, and want to get the receipt associated with that number, click Search By Reference Number in the top right corner of the Billing page.

If you want to learn more about how to identify and find Facebook ad charges on your credit card billing statements, check out this article: https://www.facebook.com/business/help/1674680089468704.

HOW TO REMOVE OR CHANGE AN AD PAYMENT METHOD

If you want to remove or change a Facebook ad payment method, check out this article: https://www.facebook.com/business/help/132073386867900

There is a step-by-step instruction list in that article on the different ways you would remove a payment method,

depending on whether you want to continue advertising on Facebook or not.

Hi Patti,

I'm sorry that you can't get administrative access to the Page!

While you're trying to reach your Outreach Chair, you can meanwhile use your personal Facebook account to contact Facebook Support. Here's how:

- Log on under your own account
- Click the circle with the question mark in the top right corner of the page (it's on the right-hand side of the blue bar going across the top)
- Select "Report a Problem" from the drop down menu
- Select "Something Isn't Working" from the Problem menu
- Select Pages from the "Where Is the Problem" menu that opens; then explain the issue in the "What Happened?" box. Make sure to tell them this is regarding the DLANC page, and give a link.

There's the option to upload a screenshot or image with your problem report. It may help establish your credibility to include a link to the EmpowerLA and DLANC pages on which your name is listed as DLANC President. Since the credit card used to pay for ads was a card with your name, you may also wish to include a photo of the credit card billing statement that shows the charges for the Facebook ads, so they can see that you have a proven financial interest in the DLANC account. If you send a credit card statement, I suggest you redact anything sensitive from the billing statement, such as the account number.

Please let me know if you have questions, or if this recommendation is not fruitful.

Best wishes, Ann-Marie

December 20, 2017

Ms. Liu

and DONE,

As Chair of the Skid Row Neighborhood Council- Formation Committee, I am contacting the Department of Neighborhood Empowerment (DONE) to officially notify DONE that our "Grievance #74" has NEVER been addressed by the Downtown Los Angeles Neighborhood Council...Nor has it been addressed by DONE after issuing your Grievance Determination Letter in April, 2017.

I have provided both the original e-mail correspondence from DONE (below) as well as DONE's Grievance Determination Letter (attached).

Further, the timeline established with DONE's own language of "no more than 60 calendar days" as per DONE's Grievance Determination Letter which was first issued to me on April 17, 2017 has obviously passed as well.

For your convenience, I have provided links to the DLANC's May, 2017, June, 2017 and July, 2017 Board of Directors meetings which all clearly prove/indicate that our (SRNC-FC) matter was NEVER agendized nor addressed;

DLANC agenda- May 9, 2017

http://www.dlanc.org/sites/dlancd7.localhost/files/AGN BD 2017 05 09 0.pdf

DLANC agenda- June 13, 2017

http://www.dlanc.org/sites/dlancd7.localhost/files/AGN BD 2017 06 13.pdf

DLANC agenda (special meeting)- June 13, 2017

http://www.dlanc.org/sites/dlancd7.localhost/files/AGN_BD_2017_06_13SP.pdf

DLANC agenda- July 11, 2017

http://www.dlanc.org/sites/dlancd7.localhost/files/AGN_BD_2017_07_11_0.pdf

In the collective eyes of the SRNC-FC, this is yet another clear violation by the DLANC towards our Skid Row community, and on behalf of the SRNC-FC and due to the extensive tardiness, we officially DEMAND that DONE intervene, address and admonish the DLANC for disrespecting Skid Row by neglecting it's long overdue duty to abide by the directives issued by DONE in it's Grievance Determination Letter.

While we in the SRNC-FC are unaware of the penalty(s) regarding such blatant negligence, we officially state that it has already been 6 months AFTER the 60-day deadline and 8 months total AFTER our initial grievance filing in April, 2017...And with this now being the holiday season which means City Hall will be virtually closed, this issue may not be addressed by DONE until sometime in 2018...possibly one year from the time our grievance was first filed....Wow!

The SRNC-FC officially requests, in writing, a copy of DONE's official guidelines for the above-mentioned negligence by our community's currently-represented neighborhood council, specifically, What is DONE's protocol in addressing this violation by both the DLANC and DONE?...In addition, the SRNC-FC requests advance notification of the penalty option(s) prior to DONE enacting them.

Surely, the penalty(s) will be much more extensive than the typical slap-on-the-wrist nature of simply having the DLANC put our grievance on it's next Board agenda..Our community deserves more than that and we expect more than that!

Happy Holidays,

General Jeff

Thank you for your timely reply....Hope all is well!

Thank you also for forwarding the link you provided to the CF.

Unfortunately, I already am aware of said link which led to my dilemma of not being able to locate the "report back" which was so ordered by the Health, Education and Neighborhood Council committee within 60 days from said order....That directive was issued on September 26, 2017, but City Council's "final action" was taken on October 6, 2017 WITHOUT the required 60-day report back.

That's why I am contacting each of you to locate the Council committee-ordered "report back" which doesn't exist in the Council File.

Even if a PRA was made, the report in question wouldn't be included because it isn't in the CF.

Then where is it?

I hope you are well. I can't look for something that I am not sure exists. Are you stating that you know that the 60 day report back was made in writing and that a written report to your knowledge exists?

In general terms (not related to this file), sometimes reports are made verbally or sometimes the department is unable to comply with the mandate. I just want to make sure I am looking for something that exists.

Hi Thomas,

Do you know whether or not your department submitted a written report on this?

Thanks,

Ms. Walcott,

While I am not privy to all communications within City Hall, what I know as a member of the public is this- On September 26th, Council's Health, Education and Neighborhood Council committee (Chaired by Ryu), ordered the Department of Neighborhood Empowerment (DONE) to respond within 60 days with a report back, seen here;

(The following is an expert taken from -> http://clkrep.lacity.org/onlinedocs/2004/04-1935-S1 rpt_henc_9-26-17signed.pdf

- "4. INSTRUCT the Department of Neighborhood Empowerment (DONE), and REQUEST the City Attorney, with assistance form the **City Clerk** and the Board of Neighborhood Commissioners, **to report in 60 days** on the following:
- a. Legal framework of the quasi-judicial panels.
- b. Process conducted to review grievances that are filed to determine if a panel should be established.
- c. Review of how many panels have been conducted.
- d. How many grievances have been sustained and rejected.
- e. How many of those that were sustained were later rejected.
- f. Action taken on those that were sustained."

Afterwhich, the ONLY action in this CF (Council File) is on October 4th (**Only 8 days later**) when the full City Council approved this agenda item on "consent calendar". (I know because I was in Council Chambers that day...This is proven by my speaker card which is in the CF on 10/4/2017)

Also, the CF clearly states that on October 4th Council adopted the item "pursuant to reconsideration..." and attached is a link back to the very document which came out of the HENC Council committee from which the 60-day report was also initiated.

So without ANY clear understanding of where said "report back within 60 days" report is located, I am contacting various departments within the City of Los Angeles to obtain said report.

Thank you in advance for your assistance.

Hi General Jeff,

I hope you are well. I can't look for something that I am not sure exists. Are you stating that you know that the 60 day report back was made in writing and that a written report to your knowledge exists?

In general terms (not related to this file), sometimes reports are made verbally or sometimes the department is unable to comply with the mandate. I just want to make sure I am looking for something that exists.

Thanks,

Holly

Ms. Walcott,

Thank you for your timely reply....Hope all is well!

Thank you also for forwarding the link you provided to the CF.

Unfortunately, I already am aware of said link which led to my dilemma of not being able to locate the "report back" which was so ordered by the Health, Education and Neighborhood Council committee within 60 days from said order....That directive was issued on September 26, 2017, but City Council's "final action" was taken on October 6, 2017 WITHOUT the required 60-day report back.

That's why I am contacting each of you to locate the Council committee-ordered "report back"

which doesn't exist in the Council File.

Even if a PRA was made, the report in question wouldn't be included because it isn't in the CF.

Then where is it?

General Jeff 323.445.0723 (cell)

General Jeff.

If we had received the report, we would have placed it on this file, possibly added a sub account, or placed on a new Council File. I have done a key word search and cannot find a match. It is therefore possible that either the Department reported verbally or they did not report back. The best way to find this out is through the Department of Neighborhood Empowerment as I don't have a way to search for a document that we don't know whether or not exists.

Best,

Holly

Ms. Walcott,

Thank you, again, for your willingness to provide answers to a subject of great importance to the Skid Row community.

To respond to your last e-mail, and to be clear, I attended the October 4, 2017 City Council meeting when this agenda item was approved and am 100% in saying that DONE didn't give a verbal report on this item.

So from that I ask,

- 1) Is it legal for Council to approve an item with a "report back" still pending?
- 2) Can I officially request that this item be put back on City Council agenda under "reconsideration" with emphasis that DONE's report back be given publicly?
- 3) Is so, what is the official process to have item 04-1935-S1 placed back before Council for "reconsideration" for the previously mentioned specific purpose?

Thank you Beverly.

The delay in the review process was unnecessary. I was clear to Patti & some DLANC board members that these are the start-up cost for a very important programming needed for not only Skid Row but all of Los Angeles disenfranchised. As attached the Production Brief The times to approve the checks for past Skid Row's events is less than a week's time as I witnessed for the last 4 years. So the anticipated date of May 19th as funded start up cost for DLANC was realistic from the time the first application was placed back in April. This email can serve an explanation as to why "yesterday" was placed.

Mello,

Your attachments did come through, however the application itself needs to contain the proper information in order to be processed by DLANC and The Department of Neighborhood Empowerment (DONE). I apologize if our group failed to communicate this to you in April after we reviewed the application at our executive meeting. Hopefully the markups that I sent clarify what is required. Please note that the neighborhood purpose grants take some time to be processed before we can make any payments. They must not only move through our meetings, but also must be approved by DONE.

If you have future events that you'd like to get support for, please be sure to reach out.

The last email sent to you on May 16th as well as the other 18 DLANC board members. It contained the Invitation Letter, Production Brief of breakdown for materialsfor 3 shows and the sample application for the candidates performing. Just in case your email accidentally deleted attachments, I've resent them. I've also attached the Business Plan that was drafted since November 2016. Pastor Timothy Park, of whom you've spoke highly of at the Livability meeting with Dan on May 18th is not only one of our Advisers but is on page 43 of the Proposal. Perhaps you and Pastor Park can discuss ways of honoring the homeless of Skid Row other than giving out sandwiches in Gladys park on Fridays. Would love to meet with you.

Mello,

I apologize that it's taken a few days to get back to you.

We thank you for sending this application again. In case no one informed you, we did discuss this application at the last meeting but found that it is missing some information that we need.

Attached is your application with some comments regarding the information we need in order to be able to bring this forward for a vote. Generally what is missing is specific information, not just about your organization, but about the event itself.

I noticed that your application indicates the funds were needed on the 19th of May. If the event has passed, I hope it went successfully and certainly keep us posted if there are future events you would like us to consider partnering for. If the event has not yet occurred, you should update that date as well. At this stage of the game, it is likely July or August before we would be able to vote and release funds. Unfortunately May/June become a challenge because it is the end of our fiscal year.

Thank you.

Hi, Patti and Bob,

Blair was rejected correctly. She sent 2 pictures of a business card with one that was saved as "ID."

Even though we are asking rejected folks to go to the Pop-Up Polls or the election day, I've told staff to tell her that if she sends a picture of her ID today, we'll verify her online still. Please pass that message to her and have her take a picture of her photo ID and email it to us at elections@empowerla.org by 5 pm today. Otherwise, she will have to go to the Pop-Up Poll or election polling location to vote. Thanks!

Hello Neighbor!

The Eagle Rock Neighborhood Council meets this Tuesday, April 4 at 7:00pm at Eagle Rock City Hall (please click below for the agenda).

Have you been itching to join the ERNC? Lucky for you we have two current openings on the Council: **Education Director** and **Subdistrict 3 Director**.

These openings are filled by appointment by the current board, and we hope to fill these seats on Tuesday. The deadline to apply is **NOON (12:00p) TUESDAY, APRIL 4.** Any applications received after 12:00p will not be considered. If we receive no applications, we'll try again in May!

The agenda can be found at this link

And don't forget to VOTE! Hope to see you Tuesday!

Join the ERNC!

The Eagle Rock Neighborhood Council has 2 open seats: Education Director and Subdistrict 3 Director. Would you like to apply and be appointed to the board? If so, read on!

Any Eagle Rock Stakeholder interested in filling a vacancy on the Board should fill out the form at this link:

ERNC Candidate Filing Form

Submit by snail-mail or by email to executive@ernc.la. Deadline for receipt of submissions is 12:00 noon on the day of our Board Meeting, which is Tuesday, April 4. Forms received after the deadline will not be considered for the open seats.

Interested parties will also need to appear at the meeting where you will be asked a lot of tough - but fair - questions, and the board will vote on your candidacy. Before applying, please make sure to read the ERNC Bylaws, which contain a description of the seat's requirements, and all the info you need to know about eligibility, and being a board member.

Tuesday, April 4 is also the special primary election to fill our local Congressional District 34 seat in the US House of Representatives. Polls are open from 7:00a - 8:00p. Below are some useful links for more information:

Thanks for your input. Wanted to clarify though - the proposed southern border for a Skid Row Neighborhood Council annexation is 7th St. Thus, the properties in mention are not in the proposed area. That being said, we will touch base with DONE as notification was supposed to occur to DLANC, HCNC, and all area stakeholders.

I wanted to encourage you to consider delaying the election for the proposed Skid Row Neighborhood Council. We only recently discovered that the proposed boundaries include the northern boundary of the Fashion District BID. The property owners and businesses were not aware of the proposed council. These properties include large scale employment centers and residential buildings, including Dearden's, LA Merchandise Mart, Flower Markets, and Santee Village. They deserve to have an opportunity to vote on whether the council is created and they were not notified. Please delay this election until proper notification and a concrete definition of the boundaries is clarified and an understanding of who can actually vote.

This election process has not been open and transparent, the outreach was not inclusive, and the majority of those who will be affected by the outcome had no knowledge of the proposal.

Thank you very much for your email.

The properties on the south side of 7th Street and south of 7th Street would remain in DLANC (if the subdivision for Skid Row NC is approved by majority of stakeholders in HCNC and DLANC).

FYI, General Jeff would want a shared public asset of the Fire Station in Skid Row located on the south side of 7th Street.

Hello Neighbor!

Do YOU want to join the ERNC? We currently have two openings on the Council: Education Director and Subdistrict 3 Director (more information below). We hope to fill these seats at our next regularly scheduled meeting on Tuesday, April 4 2017 UPSTAIRS at Eagle Rock City Hall. April 4th is also election day, so come out to vote and stay for the meeting (if your polling place is ER City Hall....please PLEASE don't commit voter fraud!)

Not sure who to vote for? Check out the link below for the ERNC sponsored Congressional Forum from last week.

Join the ERNC!

The Eagle Rock Neighborhood Council has 2 open seats: Education Director and Subdistrict 3 Director. Would you like to apply and be appointed to the board? If so, read on!

Any Eagle Rock Stakeholder interested in filling a vacancy on the Board should fill out the form at this link:

ERNC Candidate Filing Form

Submit by snail-mail or by email to executive@ernc.la. Deadline for receipt of submissions is 12:00 noon on the day of our Board Meeting, which is Tuesday, April 4. Forms received after the deadline will not be considered for the open seats.

Interested parties will also need to appear at the meeting where you will be asked a lot of tough - but fair - questions, and the board will vote on your candidacy. Before applying, please make sure to read the ERNC Bylaws, which contain a description of the seat's requirements, and all the info you need to know about eligibility, and being a board member.

The ERNC co-sponsored a Congressional Candidate Forum last week at Eagle Rock High School. Couldn't make it? Follow the link below to watch the entire thing in all of its glory!

Thank you Beverly.

The delay in the review process was unnecessary. I was clear to Patti & some DLANC board members that these are the start-up cost for a very important programming needed for not only Skid Row but all of Los Angeles disenfranchised. As attached the Production Brief The times to approve the checks for past Skid Row's events is less than a week's time as I witnessed for the last 4 years. So the anticipated date of May 19th as funded start up cost for DLANC was realistic from the time the first application was placed back in April. This email can serve an explanation as to why "yesterday" was placed.

Your attachments did come through, however the application itself needs to contain the proper information in order to be processed by DLANC and The Department of Neighborhood Empowerment (DONE). I apologize if our group failed to communicate this to you in April after we reviewed the application at our executive meeting. Hopefully the

markups that I sent clarify what is required. Please note that the neighborhood purpose grants take some time to be processed before we can make any payments. They must not only move through our meetings, but also must be approved by DONE.

Hi Dan and DLANC board:

Following up on funding request since time is fast approaching.

Attached are the details the SolaVation Awards beginning June 23rd in DTLA honoring the disenfranchised, Main mission is to promote mental wellness through the arts.

Mello Desire Visual DIrector 7185104803

Mello,

I apologize that it's taken a few days to get back to you.

We thank you for sending this application again. In case no one informed you, we did discuss this application at the last meeting but found that it is missing some information that we need.

Attached is your application with some comments regarding the information

we need in order to be able to bring this forward for a vote. Generally what is missing is specific information, not just about your organization, but about the event itself.

I noticed that your application indicates the funds were needed on the 19th of May. If the event has passed, I hope it went successfully and certainly keep us posted if there are future events you would like us to consider partnering for. If the event has not yet occurred, you should update that date as well. At this stage of the game, it is likely July or August before we would be able to vote and release funds. Unfortunately May/June become a challenge because it is the end of our fiscal year.

Thank you.

Beverly Christiansen DLANC Treasurer

CONCLUSION: PLAN OF ACTION

I request that the The Kingdom Warrior Foundation conduct a 6 minute presentation of the O.N.E. PERCENT CAMPAIGN at the Executive Meeting on June 7,

Thank you for your time and consideration in this matter. I look forward in hearing from you soon.

Zero Net Energy Homes: Real Energy Efficiency & Solar Options April 15, 2017 1-3pm Eagle Rock Library

Join experts in Energy Efficiency and Solar Power to learn about what REAL improvements can be made to a home for increased comfort & wiser energy use. If you're interested in having a Zero Net Energy home (producing enough energy to cover your needs), this will be an introduction to some building science as well as an opportunity to hear about solar options from a veteran in the industry.

What's the best way to heat & cool your home? What should you ask for to make your insulation work better? Solar Panels: lease vs. buy? Tax credits? New technologies? Bring your questions! We'll also hear about the pilot Cool Blocks program in Eagle Rock from a local participant.

*Please bring a reusable cup or bottle, we are starting to wean Eagle Rock off of single-use water bottles to become a more sustainable neighborhood.

Blair was rejected correctly. She sent 2 pictures of a business card with one that was saved as "ID."

Even though we are asking rejected folks to go to the Pop-Up Polls or the election day, I've told staff to tell her that if she sends a picture of her ID today, we'll verify her online still. Please pass that message to her and have her take a picture of her photo ID and email it to us at elections@empowerla.org by 5 pm today. Otherwise, she will have to go to the Pop-Up Poll or election polling location to vote. Thanks!

Hi Dani,

Attached are the registered voters for HCNC and DLANC. I was not able to remove some of the duplicates from the lists. I believe your system is able to identify duplicate voters and remove them.

Please note that in each file you will have a list from ELA - Early Online Verified voters and the other from City Clerk - Paper Registrations (Pop-up Polls and Polling Place).

HCNC has over 200 voters that were verified with same email, please hold on emailing the pin numbers. Those voters will need to go to the polling place.

Please let me know if you have any questions.

Dan,

It has been a pleasure to be your alternate, you are very professional and will succeed without me.

The Neighborhood Council vote and the ensuing outcome has left me with no choice but to resign. I have gone through art school, gotten an MA, and worked on projects for people from Disney to the State of California. In a long career, I have never seen such unethical behavior be accepted and papered over. Clearly someone is at fault. This person is on the board and will apparently not face any repercussions. I want nothing to do with any council that acts in this manner. I do have basic ethics, unlike other people.

Hello DLANC Candidates,

I apologize for the relatively late notice, but DLANC will be hosting a Get Out The Vote event for the candidates and stakeholders tonight, 5:30pm, at Crane's Bar, 830 S Spring St.

I won't be able to make it because I have my own board meeting tonight, but this should be a good opportunity to get to know each other and give an excuse for stakeholders to come to a neighborhood council event.

Thank you, DLANC, for organizing this!

Grayce,

Here's the MailChimp email/campaign that we used to re-create the dlanc.us15 string that is used for the "why did I get this?" "update subscription preferences" etc.

Note that the contents of the email only has 1 aesthetic thing in common with the Unite DTLA email from March 31st, which is the DLANC logo.

Hello DLANC Candidates,

I apologize for the relatively late notice, but DLANC will be hosting a Get Out The Vote event for the candidates and stakeholders tonight, 5:30pm, at Crane's Bar, 830 S Spring St.

I won't be able to make it because I have my own board meeting tonight, but this should be a good opportunity to get to know each other and give an excuse for stakeholders to come to a neighborhood council event.

Thank you, DLANC, for organizing this!

Hello DLANC Candidates,

I apologize for the relatively late notice, but DLANC will be hosting a Get Out The Vote event for

the candidates and stakeholders tonight, 5:30pm, at Crane's Bar, 830 S Spring St.

I won't be able to make it because I have my own board meeting tonight, but this should be a good opportunity to get to know each other and give an excuse for stakeholders to come to a neighborhood council event.

Thank you, DLANC, for organizing this!

PALMS NEIGHBORHOOD COUNCIL

Executive Committee Meeting Agenda Tuesday, September 26, 2017 – 7:15 p.m. Fire Station 43 – 3690 Motor Avenue, Los Angeles, CA 90034

The Neighborhood Council system enables meaningful civic participation for all Angelenos and serves as a voice for improving government responsiveness to local communities and their needs. We are an advisory body to the City of Los Angeles, comprised of stakeholder volunteers who are devoted to the mission of improving our communities.

- CALL TO ORDER & ROLL CALL I.
 - a. Call to Order
 - b. Roll Call
- II. **GENERAL PUBLIC COMMENT** (10 minutes)
 - a. Limited to non-agenda items subjects related to executive committee issues
- **COMMITTEE BUSINESS** III.
 - a. **DISCUSSION:** Review Residential Rep E candidate applications and interview potential candidates.

[See supplemental materials for resumes and statements of interest]

- David Bocarsly
- Eryn Brock
- Anna Lucas
- Catherine Manzella
- b. **DISCUSSION AND POSSIBLE ACTION:** Option for 2018 Selections due to the postponement of Neighborhood Council elections to 2019 due to the realignment of Los Angeles City elections. [See supplemental materials for stipulation sheet]
- c. WRAC MOTION: In the interest of ensuring that local constituencies represented by Los Angeles Neighborhood Councils are heard, the Palms NC requests that seating be reserved at City departmental hearings, commission meetings, and Council meetings for members of Neighborhood and Community Councils who have submitted Community Impact Statements on item(s) before the body. The Palms NC further requests that the City Council introduces a motion to amend the Administrative Code (Section 22.819) to reflect this policy. [Read full WRAC motion and reasoning here:
 - http://westsidecouncils.com/motion/reserved-seating/]
- d. WRAC MOTION: The Palms NC recommends the following changes and additions to the City's proposed cannabis regulations:
 - 1. To conform with State law, create a stable and legitimate business environment, and avoid the kind of exploitable "grey areas" created by Prop. D, the City must implement an unambiguous licensing system for

- commercial cannabis activities and include those activities as enumerated uses in the City's municipal code.
- 2. Complaints about specific cannabis businesses collected by City staff, LAPD, Council offices, Neighborhood and Community Councils, and the City's MyLA311 app should be included and considered in the licensing approval and renewal process.
- 3. Hearing dates and non-sensitive application information should be posted upon receipt on the Cannabis Dept.'s website, and notice sent to affected NCs/CCs.
- 4. The standard application process should include an assessment from the Planning Dept. on land use considerations, and should not be split into a separate land use approval and appeals process.
- 5. Retail cannabis storefronts should be limited to operating hours of 7am to 9pm. Deliveries should extend no later than 11pm.
- 6. In the interest of eliminating black market sales, the City should conduct a market-sizing study by January 1, 2019 (and every five years thereafter) to assess how well the City is addressing demand and to inform regulatory adjustments.

[Read full WRAC motion and reasoning here: http://westsidecouncils.com/motion/changes-proposed-city-cannabis-regulations/]

- e. **WRAC MOTION:** In response to widespread stakeholder complaints, the Palms NC calls upon the City to immediately:
 - 1. Mandate franchisees publicly document they have both the equipment and resources necessary to provide the timely and satisfactory services to ALL their customers;
 - 2. Proactively provide ALL customers of the new franchisees appropriate education on what the intent of the new regulations are and how they can manage their waste to keep their fees close to those paid under their previous service providers;
 - 3. Ensure that condo owners, apartment owners and businesses throughout Los Angeles are charged appropriately for the services contracted and that those payments do not exceed those for equivalent services paid by single-family homeowners;
 - 4. Set up a complaint line separate from the 311 call center to ensure issues are properly addressed until the transition is complete to customer satisfaction;
 - 5. Re-open the fee schedule (and conditions for extra services) as created by outside consultants and approved by the City Council to include stakeholder input through the Neighborhood Council system; and
 - 6. To avoid worsening the homelessness crisis in the City, develop and implement strategies to mitigate the impact of rate increases on low-income households.
- b. **WRAC MOTION:** The Palms NC supports the City Council's call to divest the City's approximately \$40 million in securities and end its contract with Wells Fargo, due to the bank's fraudulent and grossly unethical conduct in opening millions of fake accounts and improperly charging mortgage fees, and the subsequent downgrading of their Community Reinvestment Act rating. Further, the NC/CC supports exploring the feasibility of creating a Los Angeles City Municipal Bank, chartered to reinvest in our communities, affordable housing, and small businesses (including addressing the banking needs of legal

- commercial cannabis activity), and aid in the City's transition to renewable energy.
- **f. FUNDING MOTION:** To authorize the Palms Neighborhood Council to accept \$1,500 from its award for the 2016 Clean Streets Challenge and authorize those funds to be used to organize neighborhood cleanups, conduct outreach for them, and purchase materials. Cleanups, will be organized by the Green Committee which has been previously authorized to conduct them.

 [See supplemental materials for award acceptance instructions]
- g. **DISCUSSION AND POSSIBLE ACTION:** Amend the Ground Rules to add rules regarding general public comment, multiple agenda item comment, and meeting facilitation. [See supplemental materials for proposed additions]
- h. **DISCUSSION:** Review draft Palms NC General Assembly meeting agenda for October 4th. [See supplemental materials for draft agenda]

IV. Adjournment

Time allocations for agenda items are approximate and may be shortened or lengthened at the discretion of the President. Public comment will be taken for each motion as well as for any item in the consent agenda prior to Board action. The public is requested to fill out a "Speaker Card" to address the Assembly on any item of the agenda prior to the Assembly taking action on an item. Comments from the public on Agenda items will be heard only when the respective item is being considered. Comments from the public on other matters not appearing on the Agenda that is within the Assembly's subject matter jurisdiction will be heard during the Public Comment period. Public comment is limited to 1 to 2 minutes per speaker, at the discretion or unless waived by the Assembly. In the interest of addressing all items on the agenda, time limits for individual comments and discussion may be set at the discretion of the President. All items on the consent agenda will be determined by a single Committee vote and without Committee discussion. Committee members may request that any item be removed from the consent agenda and considered individually at any time prior to that vote.

Per Board of Neighborhood Commissioners Policy #2014-01, agendas are posted for public review at: 1) Woodbine Park Kiosk, 3409 S. Vinton Ave.; 2) Palms Neighborhood Council website, www.palmsnc.la

Ladies-Gentlemen,

It seems the Past is trying to haunt the Council.

I understand my role on the Board. I understand the Code of Conduct, Ethics...which is why I waited for a response from others as to what was going to be done in regards to the Laptop, and Social media issues before I said what I said. Please understand...I have Never in the Years I've known robin, attacked her personally.

She initiated the unwanted conversation, and other than my comment at the end of my last email to her did I make apparent she should research before she tries to advise, did I express my thoughts on her advice. For your information, I have emails spanning her whole time on the Board that demonstrate her Bizarre Character and Conduct.

I ended my email by stating she should delete my email address and if she needs to contact me...run it through the Board. Yet she responded in an even more vicious mindless tirade!

I have No Intention of contacting robin Ever Again!

The Vice President (Dorothy) said she would act as mediator today...I believe you offered also Brett. We don't need a mediator...we need robin to understand its her conduct thats unacceptable! She can have a voice for whatever reason...but not to the point where people feel "Threatened."

I'm a "Big Boy" and can handle constructive criticism and can let the BS roll off my sleeve. I Appreciate "Real" Advice, which is why I CC'd some of my Board members in All Transparency!

I Will Not Tolerate Being Intimidated or Harassed!

I want to be Clear....I Do Not Feel Safe! In No Way should she or any other Stakeholder be "allowed" to disparage, demean, Defame, harass, or Slander, Board members or other Community Stakeholders without Reprimand! She's speaking on issues she knows nothing about in regards to outside business interest and has made insinuations before, that I may have engaged in criminal conduct...and she can...but if she says something like "I touched her" or "I took something from her", the Police would be at my door! Its Not Right!

I'm not point fingers, making accusations or Demands to you or anyone else, but If she is allowed to maliciously come after me or anyone else and EmpowerLA or the Neighborhood Councils District Attorney's office does not step in and in some shape form or fashion, issue a "Cease and Desist" order. It will be very detrimental not only to how Community Councils' function, but also for the relationships between the above parties.

I want to know that robin has been informed she is Not to have anymore communications with me in any form!

I want to know that robin has been informed that the PMHCC will not be obligated to compensate her for Any so called service she believes she provided!

I want to know that robin has been informed that I will take All Legal measures available to PMHCC that will make her Civil and or Criminally Liable for any "Damages" to any of PMHCC property that she has had in her possession.

I want robin to know that I will pursue All Legal measures available to me that will make her Civil and or Criminally Liable for any continued Defamation, Harassment, or Slander.

Thanks for All you Do!

The best thing to do going forward is to work with me to make sure everything we need is recovered. I will kindly act as the liaison to avoid any future flare ups.

Since we can expect Robin to be at future meetings, we should also talk about how to best avoid these kinds of confrontations then.

At this point I would just urge you to take my advice and cease responding to Robin's emails.

I see how council has special board meetings with several agenda items and its only supposed to be for the one item that caused the special meeting. A special meeting can't possibly be for all these repetitive things. I'm sorry but our vital NC is becoming laughable.

Kahllid,

I just spoke briefly with Trevor about the agenda/Brown Act issue to let him know where the Department stands, which is that there is nothing in the Brown Act that precludes the Board from hearing more than one item. Some language I have heard from City about Special Meetings is that they are substantively different from regular meetings in these ways only: they require only 24 hours notice (instead of 72) and they must deviate in some form from the regular meeting details in terms of date, time, or location (any of those three, not necessarily all three).

I think the main thing I can do with Robin is talk about the sources of confusion (meaning I get where she's coming from because I've heard people make the same claim before) and what the actual rules are from our perspective.

With regards to the other things -- Facebook and the laptop -- that seems more pressing. As Trevor has mentioned, I think Dorothee (new PMHCC VP) -- as someone without the existing relationship with Robin -- may be a good person to help take over the Facebook at least in the interim. She may not want to manage it long term, but at least negotiating the release of that page to current PMHCC Board Members would be a key first step.

In terms of the laptop, I know Robin just dropped that in the email and I'm sure it's been known to be an issue, so if you think I can help facilitate that, let me know, otherwise, just arrange to secure the laptop and any other items as soon as you can.

Feel free to call me any time to follow up.

Brett

Thankyou for including me in your concern about "special meetings" as per the Brown act special meetings are not limited to one agenda item but are limited to only those items specifically on the agenda. Also all meeting agenda and notice periods are required to be approved and posted through empowerla as that for this meeting was.

The PMHCC is currently working on correcting a number of errors in the bylaws that are either vague or not in compliance with the brown act and as chair of the bylaws committee I will add this to the list of items to be discussed and made more clear in the bylaws.

Extract from brown act as follows. Full text as issued by California dept justice attorney general attached.

§ 54956. Special meetings

54956. A special meeting may be called at any time by the presiding officer of the legislative body of a local agency, or by a majority of the members of the legislative body, by delivering written notice to each member of the legislative body and to each local newspaper of general circulation and radio or television station requesting notice in writing. The notice shall be delivered personally or by any other means and shall be received at least 24 hours before the time of the meeting as specified in the notice. The call and notice shall specify the time and place of the special meeting and the business to be transacted or discussed. No other business shall be considered at these meetings by the legislative body. The written notice may be dispensed with as to any member who at or prior to the time the meeting convenes files with the clerk or secretary of the legislative body a written waiver of notice. The waiver may be given by telegram. The written notice may also be dispensed with as to any member who is actually present at the meeting at the time it convenes. The call and notice shall be posted at least 24 hours prior to the special meeting in a location that is freely accessible to members of the public.

In the case of this most recent meeting it was required to be held in order to complete business required for PMHCC to be in compliance with funding requirements that could only be completed once several board members had been able to attend required training scheduled by EmpowerLA. Another item on the agenda was required by a stakeholder that placed the board on notice that the item needed to be resolved. Both these items were raised during the last general meeting and those in attendance were advised that the monthly board meeting for July may not occur on the regularly scheduled date and location due to these conflicts with required training.

Joey,

Sorry to ask this, but just in terms of best practices (and to make it a bit easier on the Rosters team), can we highlight (with yellow) what the changes were from this version compared to the last roster? Sometimes it's not clear if other emails were updated in addition to the Board seats. The highlighting just makes it crystal clear.

Hello,

The change reflected in this Roster was the occupation of the Area 4 Representative seat by Alonzo Warren, which was already implemented on October 5th.

I have updated the Voices NC emailing list at v9nc@empowerla.org

Thank you

Sorry to ask this, but just in terms of best practices (and to make it a bit easier on the Rosters team), can we highlight (with yellow) what the changes were from this version compared to the last roster? Sometimes it's not clear if other emails were updated in addition to the Board seats. The highlighting just makes it crystal clear.

Adam,

If a regularly scheduled meeting is getting canceled, you should send out the same agenda with a note that says CANCELED in red so people know it won't be happening. Can you please send that notice to 1) ncsupport@lacity.org, 2) the person who handles the West Adams list serve, and 3) post a physical agenda in the location where the meeting is normally held.

Can you or someone on the committee do that?

Thank you, Adam!

Adam,

If a regularly scheduled meeting is getting canceled, you should send out the same agenda with a note that says CANCELED in red so people know it won't be happening. Can you please send that notice to 1) ncsupport@lacity.org, 2) the person who handles the West Adams list serve, and 3) post a physical agenda in the location where the meeting is normally held.

Can you or someone on the committee do that?

Thank you, Adam!

Hey Team,

I created a check box for staff to indicate when you filled out the survey.

Here is the link to the demographics survey (https://form.jotform.com/72216075508959)

It is available at EmpowerLA.org/Staff, the password is ELA4701.

Attached you will find the latest Demographics Survey Report as of 10-12-17. You can filter the excel spreadsheet based on the councils you have.

Let me know if you have any questions.

Subject: Neighborhood Council Donated Office and Meeting Space for FY 2017-18 - URGENT WITH ATTACHMENT

Good Morning All,

My Apologies..lets try this again with the Attachment. Please disregard previous e-mail.

I am working on a VERY RUSH AND URGENT project with CD10 to update the Neighborhood Council Office and Meeting Space list that will be used to recognize all space donations to the Neighborhood Council (NC) system that needs to be approved at City Council ASAP.

Attached to this e-mail is an information collection sheet that needs to be returned to me no later than **Noon, Monday, June 19, 2017**. I apologize for the short turn around.

Your assistance in this task is GREATLY APPRECIATED. Again, the information you provide will be included in a Motion for City Council to officially approve and accept the donated "free" space on behalf of your NC. This is an annual City requirement.

Lastly, if you responded to an e-mail titled "Neighborhood Council Donated Office and Meeting Space" and submitted that request to me for FY 2016-17, please let me know if anything has changed or if it has remained the same.

Please let me know if you have any questions or concerns via e-mail or phone.

Thank you!

Hi All,

Hope all is well and it was great to see everyone at the SFV Arts Council Meeting a few months back.

Apologies for the delay but wanted to let you know that I haven't forgotten. Attached is a contact list of Neighborhood Councils with Arts/Arts-related committees. I hope this will be of use for the group.

Also, cc'ed in this email is Vanessa Serrano, who works with many of the NCs in the Valley, and many of her NCs have an arts specific focus so she will be a great resource to the group.

Finally, reach out if you'd like to organize a regional arts day, summit, event, workshop, etc. We'd love to be of assistance.

Thank you again for all that you do. And for all the NC folks, don't forget to read your Monthly Profile as it has relevant information re: Murals. Below is the text for your reference:

This month, we're excited to share with our Neighborhood Councils, how to create a public mural through the City's Citywide Mural Program. Visit the Department of Cultural Affairs website http://culturela.org/murals for the mural registration application and for a robust Frequently Asked Question section that can answer many of the questions for your Neighborhood Council.

For Neighborhood Councils, there are a couple of key points to be mindful of with murals. Early research and preparation is key to a successful mural project.

- 1. Please contact the Department of Neighborhood Empowerment's, Semee.Park@lacity.org for guidance if you would like to work on a project involving a mural or providing money for a mural.
- 2. Money may only be expended toward mural projects when the mural is registered with the Department of Cultural Affairs, including murals located on public or private property. In addition, murals are currently only allowed on residential property in Council Districts, 1, 9, 14, and 15.

- 3. If the mural is located on private property, please visit the Department of Cultural Affairs website http://culturela.org/murals for the mural registration application and for a robust Frequently Asked Question section that can answer many of the questions for your Neighborhood Council.

 Murals located on City property must go through a different process, reviewed and approved by the Public Art Committee and Cultural Affairs Commission. For more information, see DCA Public Art Approval
- 4. The property owner must sign the application certifying permission (notary is required) and accepting maintenance responsibility. A 2-year covenant is filed with the County Recorder's Office to ensure that the mural remain for a minimum of 2 years. There is a registration fee of \$60.00 for mural registration implementation.
- 5. There is a required neighborhood involvement meeting for each new mural proposal and is a great opportunity to expand your Neighborhood Council's Outreach. Reach out to your Neighborhood Council Advocate to collaborate! For questions and/or more information, visit http://culturela.org/murals/ and reach out to: Semee.Park@lacity.org

As most of you know, our email has not been working properly for a while.

It would seem that most of the kinks have been worked out, but we need to change the way we access the email.

If you use Outlook or a similar client package, you will need to change the Incoming/Outgoing email server to hm2.hostingmetro.com.

If you log in from a browser, use dlanc.com/webmail to access. (Previously we used webmail.dlanc.com)

Hopefully this will fix the issues. Please let me know if issues continue.

Hi Patty,

Because we haven't taken an official position on the vote, this implied DLANC endorsement seems in clear violation of at least a couple of our bylaws.

Despite my personal views on the matter, it's very disconcerting that an anonymous group would use our logo. Do you know who they are?

Kind Regards, Andrew

Reason for Challenge

Campaign Material Issues

Please state the facts for your challenge. (max 500 words)

Voting YES for the Skid Row NC- Formation Committee establishes us as a candidate in the Skid Row NC Subdivision election. Therefore, voting NO also automatically establishes DLANC as a candidate. It's that simple- Will Skid Row stay with DLANC or will Skid Row stay with itself- those are the two choices in this subdivision election, again clearly making DLANC a candidate.

Subsequently, it is illegal for candidates to "take a side" in any outreach materials, which DLANC did through a "front organization" called Unite DTLA. Irrefutable evidence, both paperwork and video, unequivocally proves that Unite DTLA connects directly to a DLANC URL, thus connecting DLANC to everything Unite DTLA has done regarding this subdivision election.

As a candidate, DLANC should thereby be immediately disqualified, along with their voters, seeing that their illegal election propaganda was sent consistently at least four times a day possibly until three days prior to our subdivision election.

As the Chair of the Skid Row Neighborhood Council- Formation Committee, I offer the following pieces of evidence;

- 1) Evidence of the e-mail sent by Unite DTLA, which also connects to DLANC directly to Unite DTLA's illegal use of DLANC's mailing address.
- 2) Evidence of Unite DTLA outreach materials directly connected to a URL which encompasses DLANC and also infers to a "managed list" which thereby implies that said outreach materials where shared with others.
- 3) Evidence of online conversations including myself and a current DLANC Board member who publicly validates his knowledge of

interactions connecting Unite DTLA and DLANC and further offers confirmation timestamps of the periodic distribution of said illegal outreach material.

4) Video evidence of the direct connection between DLANC and their "front organization" called Unite DTLA through outreach material distributed by Unite DTLA which connects directly to a URL that connects to DLANC, thus rendering DLANC directly involved with the distribution of position-taking outreach materials which is clearly stated as an illegal act by neighborhood council regulations.

Please state your desired remedy. (max 100 words)

DLANC, in it's efforts to sway the Skid Row Neighborhood Council- Formation Committee's subdivision election, should be found guilty with a swift punishment of disqualifications as a candidate, disqualification of their entire database (and/or number equivalency), publicly reprimanded and also punished with funding penalties in order for DONE to set an example for all NC's citywide of what will not be tolerated in any of it's NC elections.

I've been intentionally not engaging in back and forth on this forum however I am going to need to address this.

Picture A is in fact from the DLANC mailchimp.

Picture D is indeed from that as well. This is an email informing people of when and where the polling places are. It does not take a position. It is an outreach email sent out asking people to help spread awareness of when and where people can vote. It is DLANC's obligation to inform people when and where they can vote in a neighborhood council election.

Pictures B and C are from a MailChimp that went out with someone using an entirely different email account. They included the DLANC logo and used the address. They were immediately contacted at that email address and told to cease and desist which is why this was not in any further emails sent by them. I replied to that email address myself and let them know while I know you feel you are helping spamming everyone's email inbox four times a day this is more likely to annoy people than it is to help with the effort.

DLANC should have immediately sent an email to its stakeholders stating that use of its logo was not authorized. If not sent yet, it should be sent now.

Jeff I thought we had a common understanding. We had a great conversation yesterday discussing how we could work together no mater the outcome. I thought we showed each other mutual respect. With that last statement you questioned if that statement I made above was a lie. I have avoided any sort of ad hominem attack against you and have stopped others that are working on my side of this effort from doing the same against you. There were many who wanted to use that tactic but it was not appropriate. I would have expected better based off of the great one on one dialogue we had yesterday

Reason for Challenge

Electioneering by candidates

Please state the facts for your challenge. (max 500 words)

Voting YES for the Skid Row NC- Formation Committee establishes us as a candidate in the Skid Row NC Subdivision election. Therefore, voting NO also automatically establishes DLANC as a candidate. It's that simple- Will Skid Row stay with DLANC or will Skid Row stay with itself- those are the two choices in this subdivision election, again clearly making DLANC a candidate.

Subsequently, it is illegal for candidates to "take a side" in any outreach materials, which DLANC did through a "front organization" called Unite DTLA. Irrefutable evidence, both paperwork and video, unequivocally proves that Unite DTLA connects directly to a DLANC URL, thus connecting DLANC to everything Unite DTLA has done regarding this subdivision election.

As a candidate, DLANC should thereby be immediately disqualified, along with their voters, seeing that their illegal election propaganda was sent consistently at least four times a day possibly until three days prior to our subdivision election.

As the Chair of the Skid Row Neighborhood Council- Formation Committee, I offer the following pieces of evidence;

1) Evidence of the e-mail sent by Unite DTLA, which also connects to DLANC directly to Unite DTLA's illegal use of DLANC's mailing address.

- 2) Evidence of Unite DTLA outreach materials directly connected to a URL which encompasses DLANC and also infers to a "managed list" which thereby implies that said outreach materials where shared with others.
- 3) Evidence of online conversations including myself and a current DLANC Board member who publicly validates his knowledge of
- interactions connecting Unite DTLA and DLANC and further offers confirmation timestamps of the periodic distribution of said illegal outreach material.
- 4) Video evidence of the direct connection between DLANC and their "front organization" called Unite DTLA through outreach material distributed by Unite DTLA which connects directly to a URL that connects to DLANC, thus rendering DLANC directly involved with the distribution of position-taking outreach materials which is clearly stated as an illegal act by neighborhood council regulations.

Please state your desired remedy. (max 100 words)

DLANC, in it's efforts to sway the Skid Row Neighborhood Council- Formation Committee's subdivision election, should be found guilty with a swift punishment of disqualifications as a candidate, disqualification of their entire database (and/or number equivalency), publicly reprimanded and also punished with funding penalties in order for DONE to set an example for all other NC's citywide of what will not be tolerated in any of it's NC elections.

I've been intentionally not engaging in back and forth on this forum however I am going to need to address this.

Picture A is in fact from the DLANC mailchimp.

Picture D is indeed from that as well. This is an email informing people of when and where the polling places are. It does not take a position. It is an outreach email sent out asking people to help spread awareness of when and where people can vote. It is DLANC's obligation to inform people when and where they can vote in a neighborhood council election.

Pictures B and C are from a MailChimp that went out with someone using an entirely different email account. They included the DLANC logo and used the address. They were immediately contacted at that email address and told to cease and desist which is why this was not in any further emails sent by them. I replied to that email address myself and let them know while I know you feel you are helping spamming everyone's email inbox four times a day this is more likely to annoy people than it is to help with the effort.

DLANC should have immediately sent an email to its stakeholders stating that use of its logo was not authorized. If not sent yet, it should be sent now.

Jeff I thought we had a common understanding. We had a great conversation yesterday discussing how we could work together no mater the outcome. I thought we showed each other mutual respect. With that last statement you questioned if that statement I made above was a lie. I have avoided any sort of ad hominem attack against you and have stopped others that are working on my side of this effort from doing the same against you. There were many who wanted to use that tactic but it was not appropriate. I would have expected better based off of the great one on one dialogue we had yesterday

If you would please do us a favor and cut back on these. While you may be trying to help with a position I agree with spamming people over and over again is more likely to make people apathetic to voting in this election rather than convincing them to vote. Department Report on Skid Row Neighborhood Council Subdivision Election

Challenges #103 - Campaign Material Issues

Challenge # 104 - Inappropriate Endorsement of Candidate

Challenge #105 - Electioneering by Candidates

Background

Re:

On January 11, 2017, the Department notified Downtown Los Angeles Neighborhood Council (DLANC) that the subdivision application for the forming Skid Row Neighborhood Council was moving to the election phase of the process. DLANC had the option to take action on whether they supported the subdivision or not, but they did not take any action on the matter.

During the following months, outreach was conducted for the April 6, 2017 election, which included online voting in addition to an at polls location. On March 31, 2017 at 11:24 am, an email, which is the subject of the challenges, from Unite DTLA using the DLANC logo and mailing address was sent out to an unknown database. (Attachment A) The email stated "Vote NO on Skid Row Separation" and appeared to come from DLANC even though Unite DTLA is not known to be officially affiliated with DLANC. Neighborhood Councils are not allowed to use their name, logo or resources to advocate for the public to take a position on an election matter.

On March 31, 2017 at 4:11 pm, DLANC President, Patti Berman, emailed Unite DTLA asking them to not use the DLANC logo. (Attachment B) On April 1st, 2017 at 10:35am, Unite DTLA sent out another email removing not only the DLANC logo, but also the PO Box number from the original email, which was DLANC's. (Attachment C) Ms. Berman told the Department that

she did not know who Unite DTLA is and that she only replied to the email address on the Unite DTLA email.

The preliminary results of the election is 766 yes votes for subdivision and 826 no votes for subdivision when provisional votes were counted.

Election Challenges

In the three challenges submitted by General Jeff Page, the main contention is that DLANC used a "front organization" called Unite DTLA and sent out a "Vote No" email campaign using the DLANC MailChimp account. According to General Jeff Page, the aforementioned first email sent by Unite DTLA on March 31, 2017 used DLANC's logo, mailing address and a web address (URL) for contacting the sender on the bottom of the email under the phrase "why did I get this?"

The challenges included witness statements, supporting documents, and a link to the video.

Because the challengers supporting materials are the same and only apply to the challenge regarding Campaign Material Issues, the Department recommends dismissal of Challenge #104 because the Neighborhood Council board did not officially endorse any actions and Challenge #105 because there was no electioneering by the Applicant.

The applicable election challenge in this matter is for the explicit use of City logo(s) for Campaign materials by Candidate(s), including LA City, EmpowerLA logo, Neighborhood Council logo and any other City department logo. For this challenge to be valid, the Election Challenge Panel would have to find that DLANC or someone with access to DLANC's MailChimp sent the initial Unite DTLA email from DLANC's account using their logo and resources and that this made a difference in the election results.

<u>Findings</u>

The Department's findings are inconclusive in this matter despite researching the challenge allegations.

In order to determine whether the Unite DTLA email came from DLANC's MailChimp account, we requested the following information from Ms. Berman

- 1. Copies of any emails that she sent to Unite DTLA. (Attachment B) there was only the one aforementioned email.
- 2. List of the names of the people ("Users") who have access to the DLANC MailChimp account. (user types "author," "manager," and "admin") (Attachment D) this showed only two people with access to the MailChimp: Ms. Berman and Amara Ononiwu

- 3. List of the contacts in the "Voters List" data in the DLANC MailChimp account. (Attachment E) this showed the types of subscriber lists, and there was not one called "Voters List," which appears if you click "why did I get this?" in the original Unite DTLA email, but such subscriber lists can be deleted.
- 4. Activity reports for the DLANC MailChimp account for March 31, 2017 through April 6, 2017. (Attachment F) this showed no campaigns for a Unite DTLA, but such activity can be deleted.

In order to determine whether the Unite DTLA came from DLANC or whether a third party created a Unite DTLA to look like DLANC, the Department attempted to register as a new user on MailChimp to see if we are able to utilize the DLANC URL and database.

The Department tried creating an account with the Username: "DLANC," but a message came back stating: "Another user with the username already exists." Therefore, Usernames have to be unique.

The Department discovered, however, that the registered company names and URLs do not have to be unique. In other words, a third party could create a MailChimp campaign using DLANC as its company name and URL. When the URL was used in the unsubscription process and links for the first Unite DTLA email, it linked back to the DLANC website and had the same URL for the "why did I get this?" link as another email known to be sent by DLANC. This result could be as alleged by the challenge that the email came from DLANC's MailChimp account, or a third party can create this result by copying all of DLANC's information from public emails they've sent from MailChimp.

In the second Unite DTLA email, the URL was changed as well as the PO Box address and did not go to the DLANC website anymore. The Department was also able to recreate this result as well with our test account.

Because anyone can register any URL on MailChimp, the use of such links is inclusive because it supports both options that the original Unite DTLA email came from DLANC or that it came from a third party instead.

Another difference noted between the original Unite DTLA email and a known public DLANC email is that there is a hashtag before the PO Box number in the Unite DTLA email and not one in the DLANC email. If the Unite DTLA email was generated from the DLANC MailChimp account, the address was typed in with the addition of a hashtag.

It is unknown how many people who received the initial Unite DTLA voted no for subdivision in the election because they received that email. The majority of the 1590 who voted, however, did vote after March 31, 2017, and there is a 60 vote difference between the winning No side and the Yes side.

I'm sorry but Apparently I misspoke and all requests have to go through Patti and the city attorney officially. Carmen just informed me. I don't want to make trouble for myself or anyone else so I forwarded both the direct emails I got on the 31st to Patti to send to you. The other emails I received on the 31st were the automatic calendar updates that the city sends when you sign up to follow a committee. I hope this helps. Let me know if you don't get them and I'll follow up.

Friday at 7 works. I'm not sure where you live but would you like to meet at Mignon?

Sure. That shouldn't be a problem. Please note that I don't send a ton of emails but I'll take a look on that date now.

Also, I've also been wanting to connect with you. I understand their are not the greatest ties between some members of Dlanc and members representing the Skid Row Community but I hope you know that there are many of us who do not have that history and only want to serve the community. I would love if we could work together in some capacity.

Please consider.

Department of Neighborhood Empowerment 200 N. Spring Street, 20th FL. Los Angeles, CA 90012

RE: Investigation into Electioneering by the Downtown Los Angeles Neighborhood Council

Dear Department of Neighborhood Empowerment,

It has come to my attention that Ms. Berman, President of DLANC, was not truthful to your Election Challenge Panel on May 3rd. On top of this, she showed a willful disregard towards the efforts and well-being of the Skid Row community.

Please first refer to the testimony of Ms. Berman at the **46:35** mark of this video (http://bit.ly/2qhl1Js) where she states, "I would like to talk about that email, I received it, it went out about 11:45 in the morning. I was gone that day, came back at about 2-2:30, 3 o'clock I saw it. I saw our logo on it- I immediately responded to it (mumbled) saying, you can't do this, this is a City logo and I never received another email that had our logo on it." Ms. Berman again states, starting at the **7:40** mark of this video (http://bit.ly/2pMeWn4), "I saw that, and I thought well, we can't do that, so I immediately wrote back and said don't do this".

In fact, Ms. Berman was not "gone that day" in the sense that she could not have crafted an email to her Board or the sender of the Unite DTLA email immediately after receiving it. Records show that at 12:31pm, *after* receiving the Unite DTLA email (which she claims to have received at 11:45am), she sent out an email to at least one fellow DLANC Board member about an entirely unrelated matter titled, "email issues" (please refer to Appendix A, an email sent to DLANC Board member Scott Bytof- even though this email was sent to Ms. Berman, from Ms. Berman- it was in Mr. Bytof's email trove for March 31st).

At 4:06pm on March 31st, DLANC Board member Andrew Douglas emails Ms. Berman to inquire about the Unite DTLA email he received (please refer to Appendix B) and asks, "...it's very disconcerting that an anonymous group would use our logo. Do you know who they are?". At this time, Ms. Berman had **not** yet sent out an email to the sender of the Unite DTLA email, her Board or anyone else- she only sent out one email to: UniteDTLA@gmail.com asking them to, "...not use this logo...", (please refer to pg. 61 of Appendix C) at 4:11pm **after** Mr. Douglas had emailed her about his concerns (this is according to Ms. Berman's own testimony and submitted evidence at the Panel). A search of all emails sent out on March 31st to DLANC Board member Scott Bytof shows no emails from Ms. Berman trying to correct information about the Unite DTLA email which contained the DLANC logo (records show in Appendix D that Mr. Bytof was not the recipient of a Unite DTLA email on March 31st, at least not on his DLANC email address). Indeed Ms. Berman admits to **not** alerting her Board to the Unite DTLA email with the DLANC logo at the **9:40** mark of this video (http://bit.ly/2pMeWn4) where she states, "no, I didn't have to".

DLANC Board member Ms. Ononiwu replied to my request for her emails for this day that she received only two directly, and a few automatic calendar updates. It is still unknown to me what information is in her two direct emails (please refer to Appendix E).

In summary, Ms. Berman stated she sent an email to the sender of the Unite DTLA email "immediately after" receiving it, which she said was around 3pm. But by 4pm- she *still had not* emailed anyone about the Unite

DTLA email. It was only *after* Mr. Douglas emailed Ms. Berman, questioning her about the Unite DTLA email he had received and expressing alarm, did she do anything at all. Neither did Ms. Berman ever email her fellow Board members to correct or clarify to them about the unauthorized use of the DLANC logo. Additionally, no effort was made to alert any on the DLANC database. It can therefore be assumed that had Mr. Douglas *not* brought the Unite DTLA email to Ms. Berman's attention- she very likely would have done nothing.

Further, showing a shocking lack concern for the years long organizing efforts of Skid Row Stakeholders to hold a fair election in order to win a voice for our historically disenfranchised and severely neglected community, Ms. Berman states at the **10:18** mark of this video (http://bit.ly/2qmzipC), in reference to why she didn't take more concrete steps to distance the DLANC from the Unite DTLA emails, "...like I said, I thought it was someone that did something really stupid and I told them not to do it anymore and I went back to what I was doing in my life at that time which was more important...".

That Ms. Berman did not act on her own accord to correct DLANC's involvement with the Unite DTLA email is significant because the Election Challenge Panel specifically zeroed in on this as being an area of concern equal to the actual email being sent out. The Panel discusses this challenge and ultimately upholds it at the **13:40** mark of this video (http://bit.ly/2pQ2umg), where Panelist David Greene speaks about DLANC's, "...lack of response, lack of effort to dissuade people from believing this...".

I can only conclude after listening to Ms. Berman's testimony on May 3rd and then cross-referencing it with several of her emails sent out on March 31st, that Ms. Berman was complicit with the Unite DTLA emails. Ms. Berman's actions, or lack thereof, constitute bad faith. The Panel recommended that if new evidence (against the DLANC) is uncovered within 60 days through independent means then DONE should grant Skid Row its neighborhood council. I therefore strongly request that you grant the Skid Row Neighborhood Council-Formation Committee our certification status immediately without any more undue burden on our community. Members of our Formation Committee have more than proven that Ms. Berman-here representing the DLANC as a candidate- is guilty of electioneering and worse, trying to cover it up.

Thank you for your consideration.

Sincerely,

Katherine McNenny

Hi all,

I just sent a RSVP reminder to the next Homelessness Liaisons meeting on August 30th. Feel free to remind the NCs in your area of the upcoming meeting. Also attached is an excel sheet with the liaisons we have on file. The excel sheet is broken up into the 12 regions. You will notice that some NCs do not have a name or contact info. That is because we do not have a liaison on file from that NC. Please follow-up with those NCs that do not liaisons in your region. Hopefully then can come to the next meeting.

Thanks!

GM's Message 06.30.17

I hope our newsletter finds you well. We had a great Neighborhood Council Budget Day at City Hall on Saturday, thanks to the hard work of our <u>Budget Advocates</u> and our EmpowerLA staff (shout out to Mike Fong and John Darnell especially!). There were presentations from Mayor Eric Garcetti's new Deputy

Chief of Staff, Matt Szabo, and Deputy Mayor for Budget & Innovation, Miguel Sangalang as well as from Controller Ron Galperin, City Council President Herb Wesson and City Council Budget & Finance Chair Paul Krekorian. I especially enjoyed when Budget Advocate, Brigette Kidd, shared her experience on what she learned being a Budget Advocate for the past year and how it was a worthwhile learning experience. Many thanks to our Budget Advocates from last year for their amazing work! We look forward to working with our new Budget Advocates for FY 2017-2018.

On Monday evening, we were in Councilmember Curren Price's offices to conduct our third Beyond Neighborhood Councils: How to Run for Higher Office, Get Appointed to a Commission or Find a Job in the City workshop. Much appreciation to our staffer Mike Fong for putting this event together, and to our own Joy Atkinson, who sits on the Board of Neighborhood Commissioners for joining LADWP Commissioner (and former Neighborhood Council board member) Aura Vasquez, and Cultural Affairs Commissioner, John Wirfs, to share their experience with the

participants. We'll be doing another round of Beyond Neighborhood Councils again next fiscal year.

Thanks to the wonderful work of our staffers, Brett Shears, Arin Abedian, Erica Cruz and Tom Soong, we've launched our first EmpowerLA podcast! We plan on doing monthly podcasts with City staff, Neighborhood Council members and stakeholders to chat about the history and impact of Neighborhood Councils in Los Angeles. More information below about our first podcast, which focuses on the start of Neighborhood Councils 17 years ago from the perspective of our longtime Neighborhood Empowerment Advocate, Tom Soong.

Don't forget the LADWP MOU Oversight Committee and the LANCC meet tomorrow. We're also looking

forward to the inauguration of Mayor Garcetti tomorrow night at City Hall! Next week, our offices will be open on Monday, July 3rd, but closed on Tuesday, July 4th.

Have a relaxing weekend and a super 4th of July!

Subject: Re-Creating the DTLA Mail Chimp Process

To: Gravce Liu < gravce.liu@lacity.org>

Grayce,

Apparently Mail Chimp didn't like that I was creating so many accounts to test our theories, so they're just saying that they have frozen my account any time I've created a new one. Of course, I still have the old emails from Friday where I succeeded in creating the dlanc.us15 string, so I'll iust forward vou that.

Remember, the key thing is that we were able to recreate that string by making sure the company URL was dlanc.com, which, in theory, anyone could do because there is no point at which they ask you to verify that you control that domain.

I'll forward that email right now.

Grayce,

I am sending the two key emails in the DTLA United sequence:

- 1) The first email sent out, dated March 31st (11:24am), which contained the DLANC logo
- 2) A subsequent email (not sure if it was the 2nd in the sequence or not), dated April 1st (10:35am), with a different "DTLA STRONGER TOGETHER" logo.

There is a third email that Stephen has added: a generic email from DLANC prior to the incident, dated April 7th, 2016 (note the year). This is important because it shows DLANC's URL list information.

Hi, Patti,

Happy Holidays and hope you are well.

Sometime in April, my colleague, Jasmine Duckworth emailed DLANC a determination letter relative to Grievance #74. In the letter, the Department requested that the Neighborhood Council take action on one of two recommendations that were outlined in the letter.

Did DLANC take action on Grievance #74?

If not, please schedule the matter for your next meeting, take action and provide the NC's determination to the department. You can access the response form by clicking here https://lacity.quickbase.com/db/bmadw4dzy?a=nwr

The Department recently received an email from General Jeff indicating that DLANC never addressed Grievance #74.

I've attached the determination letter that was sent to DLANC in April and I've also attached Grievance #74

Please let me know if you have any questions.

Thanks!

Best, Lorenzo

The violations DLANC is guilty of are of the highest violations when it comes to trust in public representation. DLANC severely compromised these most important American values and MUST be penalized to the highest degree of punishment.

To knowingly, misuse public funds in an election, by way of creating a "dummy organization" and then using the very same mailing address as DLANC, followed by publicly sharing illegal election outreach materials and attributing this act to said dummy org, combined with current DLANC Board members publicly denying any involvement and perpetrating this fraudulent act- which on a Federal level constitutes as "election fraud" and thus subjected to the harshest of penalties to disuade any other NC's citywide from possibly involving themselves in a similar unacceptable demeanor.

On top of all that, is the fact that DLANC's horrendous acts were committed against the Skid Row community....As if life in Skid Row isn't hard enough with it commonly known as "the homeless capitol of America".

This is an outrage!

Ladies and Gentlemen,

For the next two weeks there will be a lot of activity in the office related to the Skid Row and Hermon Subdivision Elections. Here is a quick overview of Neighborhood Council Subdivisions:

There are currently 96 Neighborhood Councils which almost completely cover the City of Los Angles, the exceptions being Brentwood and Pacific Palisades which have non-certified councils, and a few small "orphaned" areas that are not part of a council.

Here is a map.

Last year, the City Council approved the Subdivision Ordinance which allows a stakeholder to organize a committee which can apply to subdivide a council or councils, resulting in a new Neighborhood Council.

Here is the ordinance.

There were three applications and two of them were approved by the Department, Skid Row and Hermon.

Here is info on the two applicants.

The Department is responsible for conducting elections for the proposed Neighborhood Councils within 90 days of the approval of the applications. They were approved on January 11, 2017. The Skid Row election will be on April 6 and the Hermon election will be on April 8th.

The Elections will be conducted according to the rules of the Neighborhood Councils that are proposed for subdivision.

For Skid Row this means that the election will be:

Documentation - Stakeholders will verify their identity and stakeholder status with documents
Online Election - Voters can vote three ways, by registering and voting online, by registering and voting at a Pop-Up Poll, or
by visiting the polling location on Election Day where they can register in person and vote.

Minimum age to vote is 16 for DLANC voters and 15 for HCNC voters

For Hermon this means that the election will be:

Self-Affirmation - Stakeholders will fill out a registration form and self-affirm their identity and stakeholder status - no documents needed to vote

Polling Location Election - Voters can register and vote at the polling location on April 8th, from 11 am to 3 pm Minimum age to vote is 16 for Arroyo Seco voters

For the next two weeks, we will have a lot of activity in the department related to the two subdivision elections:

Incoming phone calls from people who want to register for Skid Row's online election Staff verifying voters online and coordinating usernames and PINs for Skid Row's online election Pop-Up Polls on the 20th floor and in the Field where voters can register and vote online Prep for the April 6th and April 8th elections on the Field

There are several documents related to the subdivision elections:

The Election Manual

The Subdivision FAQs

The Subdivision Webpage

The Voter Registration Portal

The Online Voting Portal (address to come, voters are notified when their username and PIN are emailed to them)

For information on the Skid Row application, maps, Pop-Up Polls, and the results of the election (late evening April 6):

For information on the Hermon application, maps, and the results of the election (late evening April 8):

If the public has any questions, comments, requests regarding the subdivision elections, please have them email Elections@EmpowerLA.org or call 213-978-1551 (M-F 9-5) or 818-293-VOTE(8683) after hours.

I trust this information is helpful, please feel free to let me know if you have any questions regarding Neighborhood Council Subdivision Elections.

Subject: Skid Row Subdivision Election - vote now through April 6th

To: elections@empowerla.org

Greetings,

Voting is open for the Skid Row Neighborhood Council Subdivision Election, happening online now through **Thursday**, **April 6th**. An overview of this election and details on how to register and cast a ballot are below. We hope you will vote in this special election, and share this information with your stakeholders. Please consider cutting and pasting the election details below to your websites and social media, and adding it to your newsletters.

What Is The Skid Row Subdivision Election About?

Stakeholders of both the Downtown LA and Historic Cultural Neighborhood Councils are voting on whether these two councils should be subdivided to form a new Skid Row Neighborhood Council. Because this election is being held online, even though the official Election Day is not until Thursday, April 6th, voters will be able to register to vote and cast their ballots either online or at a Pop-Up Poll mobile voting station, and they may vote anytime between now and the time the polls close on Election Day at 7 pm.

Under the new Subdivision Ordinance set forth by the LA City Council in 2016, stakeholders of a Neighborhood Council may petition to subdivide an existing Neighborhood Council to create a new one. A special election is then held for stakeholders within the boundary of the affected area. The subdivision proposal must get a "yes" vote from a majority of voters, in order to pass. If the proposal of the Skid Row Formation Committee is passed by the voters, a separate

election will then be held to elect the board members of the new Skid Row Neighborhood Council.

Who May Vote

Any stakeholder of the Historic Cultural Neighborhood Council (HCNC); the Downtown LA Neighborhood Council (DLANC); or the proposed Skid Row Neighborhood Council may vote in this election, so long as they meet the minimum voting age of 15 (in HCNC) or 16 (in DLANC), and provide any documents required to confirm their stakeholder status. A stakeholder is defined as someone who lives; works; owns property; owns a business; or who has a substantial, ongoing participation within a Neighborhood Council's boundaries, such as going to school, or belonging to a service or religious organization there.

Individuals who are stakeholders of both DLANC and HCNC may only vote once in this particular election. To check whether an address falls within a Neighborhood Council's boundaries, enter it in the search bar at http://neighborhoodinfo.lacity.org.

How To Register To Vote

In order to register to vote online in this election, you must provide documents confirming your identity and stakeholder status. This is because a Subdivision Election must conform to the bylaws set in place by the Neighborhood Councils being subdivided. Currently, the bylaws of both HCNC and DLANC allow voters to vote online, but require that they provide documents confirming their identity and local stakeholder status to register.

Because of this, in order to register to vote, you must provide a photo ID with your name on it. Accepted photo IDs include a driver's license, school or work ID, or a membership card with your image on it, such as a gym or Costco card.

If the local address qualifying you as a stakeholder is not already on your photo ID, you must also provide a second document showing an address where you live, work, own, or have an ongoing, substantial community participation, that lies within the boundaries of DLANC, HCNC, or the proposed Skid Row Neighborhood Council. That document may be anything from a piece of current mail with your name and address on it, to a utility bill. Also acceptable is having your name appear on a membership roster provided by a service, educational, religious, or other organization within the eligible area. To see more examples of accepted ID and qualifying document types, visit http://tiny.cc/ NCElectionsDocsList.

Please note that homeless stakeholders without these documents may self-affirm their identity and stakeholder status, but they are only able do so on Election Day, April 6th, at the official polling place (address and hours listed below). Self-affirmed homeless stakeholders without documentation are required to register and vote using paper forms, so they may not register and vote either online or at the Pop-Up Polls. The paper forms serve as signed affidavits of these individuals' stakeholder status and identity.

You may register to vote online, or do so in person at a Pop-Up Poll or at the regular polls on Election Day. To register online, <u>visit this page</u> and click the big blue button that says, "Register Here." After you upload your documents and submit the form, you should receive two emails - one that confirms receipt of your registration, then later on, a second email containing a username and PIN you will use to log onto the online voting system.

Online voter registration is open now through **Sunday, April 2nd**; if you are unable to register online before that deadline, you may always register and vote in person at a Pop-Up Poll, or at the polls on Election Day.

3 Ways To Vote

There are three ways to vote in this election. First, you may vote online from a smartphone, tablet, or personal computer anytime, until the polls close at 7:00 pm on the official Election Day, Thursday April 6th. To vote online, visit this page and click the big blue button that says "Vote Here." To log onto the voting portal, enter the username and PIN that you received via email after you registered.

You may also cast your ballot at one of our Pop-Up Polls. These mobile voting stations will be making appearances around your neighborhood March 29th - April 5th. See a list of Pop-Up Poll dates, times and locations here.

You may also vote in person on Election Day. The polling place location and hours are:

Thursday April 6th, 2017 3 pm - 7 pm James Wood Community Center
